(c) Subject to Rule 7.6 (Summary Suspension of Exchange Services), any person whose request to become a Member is denied or conditioned, or any person whose association with a Member is denied or conditioned pursuant to paragraph (a) of this Rule, and any Member or person associated with a Member who is not permitted pursuant to

paragraph (a) of this Rule to continue as a Member or to be associated with a Member or which continuance as a Member or association is conditioned, may seek review under the provisions of the Exchange Rules relating to adverse action.

(d) No natural person or registered broker or dealer shall be admitted as, or be entitled to continue as, a Member or an associated person of a Member, unless such natural person or broker or dealer meets the standards of training, experience and competence as the Exchange may prescribe. Each Member shall have the responsibility and duty to ascertain by investigation the good character, business repute, qualifications and experience of any person applying for registration with the Exchange as an associated person of such Member.

(e) No registered broker or dealer shall be admitted as, or be entitled to continue as, a Member if such broker or dealer:

(1) fails to comply with either the financial responsibility requirements established by Rule 15c3-1 under the Act, or such other financial responsibility and operational capability requirements as may be established by the Exchange Rules;

(2) fails to adhere to the Exchange Rules relating to the maintenance of books and records or those rules of other self-regulatory organizations of which such broker or dealer is or was a Member;

(3) fails to demonstrate to the Exchange adequate systems capability, capacity, integrity and security necessary to conduct business on the Exchange;

(4) does not clear transactions executed on the Exchange through a registered clearing agency using a continuous net settlement system;

(5) is subject to any unsatisfied liens, judgments or unsubordinated creditor claims of a material nature, which, in the absence of a reasonable explanation therefor, remain outstanding for more than six months;

(6) has been subject to any bankruptcy proceeding, receivership or arrangement for the benefit of creditors within the past three years; or

(7) has engaged in an established pattern of failure to pay just debts or has defaulted, without a reasonable explanation, on an obligation to a self-regulatory organization, or any member of a self-regulatory organization.

(f) No person shall be admitted as a Member or as an associated person of a Member where it appears that such person has engaged, and there is a reasonable likelihood that such person again may engage, in acts or practices inconsistent with just and equitable principles of trade.

(g) No person shall become an associated person of a Member unless such person agrees:

- (1) to supply the Exchange with such information with respect to such person's relationships and dealings with the Member as may be specified by the Exchange;
- (2) to permit examination of such person's books and records by the Exchange to verify the accuracy of any information so supplied; and
- (3) to be regulated by the Exchange and to recognize that the Exchange is obligated to undertake to enforce compliance with the provisions of the Exchange Rules, the Exchange LLC Agreement, the interpretations and policies of the Exchange and the provisions of the Act and the regulations thereunder.

Interpretations and Policies

.01 Proficiency Examinations:

(a) The Exchange may require the successful completion of a written proficiency examination to enable it to examine and verify that prospective Members and associated persons of Members have adequate training, experience and competence to comply with the Exchange Rules and policies of the Exchange.

(b) If the Exchange requires the completion of such proficiency examinations, the Exchange may, in exceptional cases and where good cause is shown, waive such proficiency examinations as are required by the Exchange upon written request of the applicant and accept other standards as evidence of an applicant's qualifications. Advanced age, physical infirmity or experience in fields ancillary to the securities business will not individually of themselves constitute sufficient grounds to waive a proficiency examination.

(c) The Exchange requires the General Securities Representative Examination ("**Series 7**") in qualifying persons seeking registration as general securities representatives, including as Authorized Traders on behalf of Members. For those persons seeking limited registration as Securities Traders as described in paragraph (f) below, the Exchange requires the Securities Traders Qualification Examination ("**Series 57**"). The Exchange uses the Uniform Application for Securities Industry Registration or Transfer ("**Form U4**") as part of its procedure for registration and oversight of Member personnel. Any person who last passed the Securities Industry Essentials Examination ("**SIE**") or who was last registered as a representative, whichever occurred last, four or more years immediately preceding the date of receipt by the Exchange of a new application for registration as a representative shall be required to pass the SIE in addition to a representative qualification examination appropriate to his or her category of registration.

(d) The Exchange requires each Member other than a sole proprietorship or a proprietary trading firm with 25 or fewer Authorized Traders ("**Limited Size Proprietary Firm**") to register at least two Principals with the Exchange. A Limited Size Proprietary Firm is required to register at least one Principal with the Exchange. In addition, the Exchange may waive the two Principal requirement in situations that indicate conclusively

that only one Principal associated with the Member should be required. For purposes of this paragraph (d), a “**Principal**” shall be any individual responsible for supervising the activities of a Member’s Authorized Traders and each person designated as a Chief Compliance Officer on Schedule A of Form BD. Each Principal is required to successfully complete the General Securities Principal Examination (“**Series 24**”). The Exchange uses Form U4 as part of its procedure for registration and oversight of Member personnel. The Exchange will accept the New York Stock Exchange Series 14 Compliance Official Examination in lieu of the Series 24 to satisfy the above requirement for any person designated as a Chief Compliance Officer. Individuals that supervise the activities of General Securities Representatives must successfully complete the Series 7 as a prerequisite to the Series 24 or Series 14 and shall be referred to as General Securities Principals. The Exchange will require the Series 57 as a prerequisite to the Series 24 or Series 14 for those Principals whose supervisory responsibilities are limited to overseeing the activities of Series 57 qualified Securities Traders. These limited representative Principals shall be referred to as Securities Trader Principals. Each Principal with responsibility over securities trading activities on the Exchange shall become qualified and registered as a Securities Trader Principal.

(e) Each Member subject to Exchange Act Rule 15c3-1 shall designate a Financial/Operations Principal. The duties of a Financial/Operations Principal shall include taking appropriate actions to assure that the Member complies with applicable financial and operational requirements under Exchange Rules and the Exchange Act, including but not limited to those requirements relating to the submission of financial reports and the maintenance of books and records. Each Financial/Operations Principal is required to successfully complete the Financial and Operations Principal Examination (“**Series 27**”). The Exchange uses Form U4 as part of its procedure for registration and oversight of Member personnel. A Financial/Operations Principal of a Member may be a full-time employee of the Member or may be a part-time employee or independent contractor of the Member. The Exchange may waive the requirements of this paragraph (e) if a Member has satisfied the financial and operational requirements of its designated examining authority applicable to registration.

(f) The Exchange recognizes the Series 57 qualification for Authorized Traders that engage solely in trading on the Exchange, on either an agency or principal basis.

(g) For purposes of paragraphs (d) above, a “**proprietary trading firm**” shall mean a Member that trades its own capital, that does not have customers, and that is not a member of FINRA. In addition, to qualify for this definition, the funds used by a proprietary trading firm must be exclusively firm funds, all trading must be in the firm’s accounts, and traders must be owners of, employees of, or contractors to the firm.

(h) Foreign Registrations. Any person who is in good standing as a representative with the Financial Conduct Authority in the United Kingdom or with a Canadian stock exchange or securities regulator shall be exempt from the requirement to pass the SIE.

(i) The following sets forth the qualification requirements for each of the registration categories described above:

CATEGORY OF REGISTRATION	QUALIFICATION EXAMINATION	ALTERNATIVE ACCEPTABLE QUALIFICATIONS
General Securities Representative	Series 7 and SIE	
Securities Trader	Series 57 and SIE	N/A
General Securities Principal	Series 24	Compliance Official Examination (Series 14) ¹
Securities Trader Principal	Series 24	Compliance Official Examination (Series 14) ¹
Financial Operations Principal	Series 27	Other examination acceptable to designated examining authority ²

¹ The Exchange will only permit the Series 14 for those designated as Chief Compliance Officers on Schedule A of Form BD.

² An examination acceptable to the Member's designated examining authority is only acceptable to the Exchange if the Exchange waives the requirements of paragraph (e).

(j) Lapse of Registration and Expiration of SIE.

Any person who was last registered in a representative registration category two or more years immediately preceding the date of receipt by FINRA of a new application for registration in that registration category shall be required to pass a representative qualification examination appropriate to that registration category as specified in this Interpretation and Policy .01, unless the person has maintained his or her qualification status for that registration category in accordance with Interpretation and Policy .02(d) to Rule 2.5 or as otherwise permitted by the Exchange. Any person who last passed the SIE or who was last registered as a representative, whichever occurred last, four or more years immediately preceding the date of a new application for registration as a representative shall be required to pass the SIE in addition to a representative qualification examination appropriate to his or her category of registration as specified in this Interpretation and Policy .01.

Any person who was last registered in a principal registration category two or more years immediately preceding the date of a new application for registration in that registration category shall be required to pass a principal qualification examination appropriate to that registration category as specified in this Interpretation and Policy .01, unless the person has maintained his or her qualification status for that registration category in accordance with Interpretation and Policy .02(d) to Rule 2.5 or as otherwise permitted by the Exchange.

Any person whose registration has been revoked pursuant to Rule 8.1 and any person who has a continuing education deficiency for a period of two years as provided

under Interpretation and Policy .02 to Rule 2.5 shall be required to pass a representative or principal qualification examination appropriate to his or her category of registration as specified in this Interpretation and Policy .01, to be eligible for registration.

For purposes of this paragraph (j), an application shall not be considered as a new application for registration if that application does not result in a registration.

.02 Continuing Education Requirements:

(a) Regulatory Element

(1) Requirements

No Member shall permit any Authorized Trader, Principal, or Financial/Operations Principal (each a “**Registered Representative**”) to continue to, and no Registered Representative shall continue to, perform duties as a Registered Representative on behalf of such Member, unless such person has complied with the continuing education requirements in this Rule. Each Registered Representative registered with the Exchange immediately preceding January 1, 2024 shall complete the Regulatory Element of the continuing education program for the registration category annually by December 31 of 2024 and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by the Exchange. Each Registered Representative registering with the Exchange in a representative or principal registration category for the first time on or after January 1, 2024 shall complete the Regulatory Element for the registration category annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes registered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by the Exchange. Nothing in this paragraph shall prohibit a Member from requiring its Registered Representatives to complete their Regulatory Element for their registration categories at any time during the calendar year. The content of the Regulatory Element shall be appropriate to each representative or principal registration category. A Registered Representative shall complete Regulatory Element content for each registration category that he or she holds.

(2) Failure to Complete

Unless otherwise determined by the Exchange, as provided in this paragraph, any Registered Representative who has not completed the Regulatory Element of the program within the prescribed calendar year in which the Regulatory Element is due will have his or her registration(s) deemed inactive until such time as he or she completes all required Regulatory Elements, including any Regulatory Element that becomes due while his or her registration(s) is deemed inactive. Any person whose registration(s) has been deemed inactive under this paragraph shall cease all activities as a Registered Representative and is prohibited from performing any duties and functioning in any capacity requiring registration. Further, such person may not accept or solicit business or receive any compensation for the purchase or sale of securities. However, such person may receive trail or residual commissions resulting from transactions completed before the inactive status, unless the Member with which such person is associated has a policy prohibiting such trail or residual commissions. A registration that remains inactive for a period of two

consecutive years will be administratively terminated. A person whose registration(s) is so terminated or who otherwise fails to complete required Regulatory Element for two consecutive years may reactivate the registration only by reapplying for registration(s) and satisfying applicable registration and qualification requirements of the Exchange's Rules. The two-year period under this paragraph is calculated from the date a person's registration(s) is deemed inactive. The Exchange may, upon written application, with supporting documentation, and a showing of good cause, allow for additional time for a Registered Representative to satisfy the Regulatory Element requirements.

(3) Disciplinary Actions

A Registered Representative may be required to complete assigned continuing education as prescribed by the Exchange in the event such person:

(A) is subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act;

(B) is subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities self-regulatory organization, or as imposed by any such regulatory or self-regulatory organization in connection with a disciplinary proceeding; or

(C) is ordered as a sanction in a disciplinary action to complete continuing education by any securities governmental agency or securities self-regulatory organization.

Such Registered Representative must complete any continuing education required under this paragraph within 120 days of the Registered Representative becoming subject to the statutory disqualification, in the case of (A) above, or the disciplinary action becoming final, in the case of (B) or (C) above.

(4) Reregistration

Any Registered Representative who reregisters in a representative or principal registration category shall complete the Regulatory Element content for the registration category annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes reregistered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by the Exchange, provided that he or she has already completed Regulatory Element content for that registration category for the calendar year in which he or she is reregistering, he or she is registering by having passed an examination for that registration category, or he or she is reregistering by having obtained an unconditional examination waiver for that registration category.

Any Registered Representative who is reregistering in a representative or principal registration category without having completed any Regulatory Element content for that registration category for the calendar year in which he or she is reregistering or without having passed an examination for that registration category or without having obtained an unconditional examination waiver for that registration category shall complete the Regulatory Element content for that registration category annually by December 31 of the calendar year in which he or she reregisters and by December 31 of every year thereafter in which he or she remains registered, or as otherwise prescribed by the Exchange.

If a Registered Representative has not completed any Regulatory Element content for a registration category in the calendar year(s) prior to reregistering, the Exchange would not approve a registration request for that category until he or she completes that Regulatory Element content or he or she passes an examination for that registration category or he or she obtains an unconditional examination waiver for that registration category, whichever is applicable.

Nothing in this paragraph shall prohibit a member from requiring Registered Representatives to complete their Regulatory Element for their registration categories at any time during the calendar year.

(b) Firm Element

(1) Persons Subject to the Firm Element

The requirements of paragraph (b) of this Rule shall apply to any Registered Representative.

(2) Standards for the Firm Element

(A) A Member must maintain a continuing and current education program for its Registered Representatives to enhance their securities knowledge, skill, and professionalism. At a minimum, each Member shall at least annually evaluate and prioritize its training needs and develop a written training plan. The plan must take into consideration the Member's size, organizational structure, and scope of business activities, as well as regulatory developments and the performance of Registered Representatives in the Regulatory Element. If a Member's analysis establishes the need for supervisory training for persons with supervisory responsibilities, such training must be included in that Member's training plan.

(B) Minimum Standards for Training Programs — Programs used to implement a Member's training plan must be appropriate for the business of the Member and, at a minimum must cover training topics related to the role, activities or responsibilities of the Registered Representatives and to professional responsibility.

(C) Administration of Continuing Education Program — a Member must administer its continuing education programs under this paragraph (b) in accordance with its annual evaluation and written plan and must maintain records documenting the content of the programs and completion of the programs by Registered Representatives.

(D) Participation in Other Required Training — a Member may consider a Registered Representative’s participation in the Member’s anti-money laundering compliance training under Rule 5.6(b)(5) toward satisfying the Registered Representative’s continuing education requirement under this paragraph (b).

(3) Participation in the Firm Element

Registered Representatives of a Member must take all appropriate and reasonable steps to participate in continuing education programs under this paragraph (b) as required by the Member.

(4) Specific Training Requirements

The Exchange may require a member, individually or as part of a larger group, to provide specific training to its Registered Representatives in such areas as the Exchange deems appropriate. Such a requirement may stipulate the class of Registered Representatives for which it is applicable, the time period in which the requirement must be satisfied and, where appropriate, the actual training content.

(c) The following sets forth the Regulatory Elements appropriate for each registration category:

CATEGORY OF REGISTRATION	REGULATORY ELEMENT
General Securities Representative	S101 General Program
Securities Trader	S101 General Program
General Securities Principal	S201 Supervisor Program
Securities Trader Principal	S201 Supervisor Program
Financial/Operations Principal	S201 Supervisor Program

(d) Continuing Education Program for Persons Maintaining Their Qualification Following the Termination of a Registration Category.

A person who terminates any of his or her representative or principal registration categories may maintain his or her qualification for any of the terminated registration categories for a period of five years following the termination of the registration category, subject to the following conditions:

(1) The person was registered in the registration category for at least one year immediately preceding the termination of the registration category and the

person was not subject to a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act during the registration period;

(2) The person elects to participate in the continuing education program under this paragraph at the time of his or her Form U5 submission or at a later date within two years from the termination of his or her registration category, provided that if the person commences at the later date the person completes within two years from the termination of his or her registration category any continuing education that was due under the program between the time of his or her Form U5 submission and the later date he or she commences participating in the program;

(3) The person completes annually by December 31 of the calendar year in a manner specified by the Exchange all prescribed continuing education during his or her participation in the program under this paragraph, provided that the Exchange may, upon written application by the person, with supporting documentation, and a showing of good cause, allow for additional time for the person to complete the prescribed continuing education;

(4) The person does not have a continuing education deficiency with respect to his or her Regulatory Element for two consecutive years as provided in paragraph (b) of this Rule;

(5) The person does not become subject to a continuing education deficiency with respect to his or her Regulatory Element for two consecutive years as provided in paragraph (b) of this Rule while participating in the program under this paragraph; and

(6) The person does not become subject to a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act following the termination of his or her registration category or while participating in the program under this paragraph.

(e) Eligibility of Other Persons to Participate in the Continuing Education Program Specified in Paragraph (f) of this Rule.

A person registered in a representative or principal registration category within two years immediately preceding March 15, 2022 shall be eligible to participate in the continuing education program under paragraph (d) of this Rule, provided that he or she satisfies the conditions set forth in paragraphs (d)(1) and (d)(3) through (d)(6) of this Rule. Persons eligible under this paragraph shall make their election to participate in the continuing education program under paragraph (d) of this Rule by March 15, 2022. If such persons elect to participate in the continuing education program, their participation period will be adjusted by deducting from that period the amount of time that has lapsed between the date that such persons terminated their registration categories and March 15, 2022.

(f) Re-Eligibility to Participate in the Continuing Education Program Specified in Paragraph (d) of this Rule.

A person who previously participated in the continuing education program under paragraph (d) of this Rule may become re-eligible to participate in the program if he or she reregisters with a member firm and subsequently satisfies the conditions set forth in paragraphs (d)(1) and (d)(4) of this Rule. In such an event, the person may elect to again participate in the program subject to satisfying the remaining conditions set forth in paragraph (d) of this Rule.

.03 Registration Procedures.

Persons associated with a Member registering with the Exchange shall electronically file a Form U4 with the Central Registration Depository (“**CRD**”) System by appropriately checking the Exchange as a requested registration on the electronic Form U4 filing. Any person required to complete Form U4 shall promptly electronically file any required amendments to Form U4 with the CRD System.

.04 Termination of Employment.

(a) The discharge or termination of employment of any person registered with the Exchange, together with the reasons therefor, shall be electronically reported to the CRD System, by a Member immediately following the date of termination, but in no event later than thirty (30) days following termination on a Uniform Termination Notice for Securities Industry Registration (“**Form U5**”). A copy of said termination notice shall be provided concurrently to the person whose association has been terminated.

(b) The Member shall electronically report to the CRD System, by means of an amendment to the Form U5 filed pursuant to paragraph (a) above, in the event that the Member learns of facts or circumstances causing any information set forth in the notice to become inaccurate or incomplete. Such amendment shall be provided concurrently to the person whose association has been terminated no later than thirty (30) days after the Member learns of the facts or circumstances giving rise to the amendment.

.05 Statutory Disqualification Proceedings Pending Before Another SRO

The Exchange may waive the provisions of this Rule when a proceeding is pending before another self-regulatory organization to determine whether to permit a Member or associated person of a Member to become or continue membership or association notwithstanding a statutory disqualification. In the event the Exchange determines to waive the provisions of this Rule with respect to a Member or associated person, the Exchange shall determine whether the Exchange will concur in any Exchange Act Rule 19h-1 filing made by another self-regulatory organization with respect to the Member or associated person.

Rule 2.6. Application Procedures for Membership or to become an Associated Person of a Member

(a) Applications for membership shall be made to the Exchange and shall contain the following:

(1) An agreement to abide by, comply with, and adhere to the provisions of the Exchange's Certificate of Formation, the Exchange LLC Agreement, the Exchange Rules, the policies, interpretations and guidelines of the Exchange and all orders and decisions of the Exchange's Board and penalties imposed by the Board, and any duly authorized committee; provided, however, that such agreement shall not be construed as a waiver by the applicant of any right to appeal as provided in the Act.

(2) An agreement to pay such dues, assessments, and other charges in the manner and amount as shall from time to time be fixed by the Exchange.

(3) An agreement that the Exchange and its officers, employees and members of its Board and of any committee shall not be liable, except for willful malfeasance, to the applicant or to any other person, for any action taken by such director, officer or member in his official capacity, or by any employee of the Exchange while acting within the scope of his employment, in connection with the administration or enforcement of any of the provisions of the Certificate of Formation, the Exchange LLC Agreement, Exchange Rules, policies, interpretations or guidelines of the Exchange or any penalty imposed by the Exchange, its Board or any duly authorized committee.

(4) An agreement that, in cases where the applicant fails to prevail in a lawsuit or administrative adjudicative proceeding instituted by the applicant against the Exchange or any of its officers, directors, committee members, employees or agents, to pay the Exchange or any of its officers, directors, committee members, employees or agents, all reasonable expenses, including attorneys' fees, incurred by the Exchange in the defense of such proceeding, but only in the event that such expenses exceed Fifty Thousand Dollars (\$50,000.00); provided, however, that such payment obligation shall not apply to internal disciplinary actions by the Exchange or administrative appeals.

(5) An agreement to maintain and make available to the Exchange, its authorized employees and its Board or committee members such books and records as may be required to be maintained by the Commission or the Exchange Rules.

(6) Such other reasonable information with respect to the applicant as the Exchange may require.

(b) Applications for association with a Member shall be made on Form U4 and such other forms as the Exchange may prescribe, and shall be delivered to the Exchange in such manner as designated by the Exchange.

(c) If the Exchange is satisfied that the applicant is qualified for membership pursuant to the provisions of this Chapter, the Exchange shall promptly notify, in writing, the applicant of such determination, and the applicant shall be a Member.

(d) If the Exchange is not satisfied that the applicant is qualified for membership pursuant to the provisions of this Chapter, the Exchange shall promptly notify the applicant of the grounds for denying the applicant. The Board on its own motion may reverse the determination that the applicant is not qualified for membership. If a majority of the Board specifically determines to reverse the determination to deny membership, the Board shall promptly notify Exchange staff, who shall promptly notify the applicant of the Board's decision and shall grant membership to the applicant. An applicant who has been denied membership may appeal such decision under Chapter 10 of the Exchange Rules governing adverse action.

(e) In considering applications for membership, the Exchange shall adhere to the following procedures: Where an application is granted, the Exchange shall promptly notify the applicant. The applicant shall be afforded an opportunity to be heard on the denial of membership pursuant to Chapter 10 of the Exchange Rules governing adverse action.

(f) Except where, pursuant to Section 17(d) of the Act, the Exchange has been relieved of its responsibility to review and act upon applications for associated persons of a Member, the procedure set forth in this Chapter shall govern the processing of any such applications.

(g) Each applicant shall file with the Exchange a list and descriptive identification of those persons associated with the applicant who are its executive officers, directors, principal shareholders, and general partners. Such persons shall file with the Exchange a Uniform Application for Securities Industry Registration or Transfer ("Form U4"). Applicants approved as Members of the Exchange must keep such information current with the Exchange.

Rule 2.7. Revocation of Membership or Association with a Member

Members or associated persons of Members may effect approved securities transactions on the Exchange's trading facilities only so long as they possess all the qualifications set forth in the Exchange Rules. Except where, pursuant to Section 17(d) of the Act, the Exchange has been relieved of its responsibility to monitor the continued qualifications of a Member or an associated person of a Member, when the Exchange has reason to believe that a Member or associated person of a Member fails to meet such qualifications, the Exchange may act to revoke such person's membership or association. Such action shall be instituted under, and governed by, Chapters 7 and 8 of the Exchange Rules and may be appealed under Chapter 10 of the Exchange Rules governing adverse action. In connection with any revocation of rights as a Member or voluntary termination of rights as a Member pursuant to Rule 2.8, the Member's membership in the Exchange shall be cancelled.

Rule 2.8. Voluntary Termination of Rights as a Member

A Member may voluntarily terminate its rights as a Member only by a written resignation addressed to the Exchange's Secretary or another officer designated by the Exchange. Such resignation shall not take effect until 30 days after all of the following conditions have been satisfied: (i) receipt of such written resignation; (ii) all indebtedness due the Exchange shall have been paid in full; (iii) any Exchange investigation or disciplinary action brought against the Member has reached a final disposition; and (iv) any examination of such Member in process is completed and all exceptions noted have been reasonably resolved; provided, however, that the Board may declare a resignation effective at any time.

Rule 2.9. Dues, Assessments and Other Charges

The Exchange may prescribe such reasonable assessments, dues or other charges as it may, in its discretion, deem appropriate. Such assessments and charges shall be equitably allocated among Members, issuers and other persons using the Exchange's facilities.

Rule 2.10. No Affiliation between Exchange and any Member

Without the prior approval of the Commission, the Exchange or any entity with which it is affiliated shall not, directly or indirectly, acquire or maintain an ownership interest in a Member. In addition, without the prior approval of the Commission, a Member shall not be or become an affiliate of the Exchange, or an affiliate of any affiliate of the Exchange. The term affiliate shall have the meaning specified in Rule 12b-2 under the Act. Nothing in this Rule 2.10 shall prohibit a Member or its affiliate from acquiring or holding an equity interest in 24X Bermuda Holdings LLC that is permitted by the ownership and voting limitations contained in the LLC Agreement of 24X Bermuda Holdings. In addition, nothing in this Rule 2.10 shall prohibit a Member from being or becoming an affiliate of the Exchange, or an affiliate of any affiliate of the Exchange, solely by reason of such Member or any officer, director, manager, managing member, partner or affiliate of such Member being or becoming either (a) a Director pursuant to the Exchange LLC Agreement, or (b) a Manager serving on the Board of Managers of 24X Bermuda Holdings LLC.

Rule 2.11. Order Routing to Other Trading Centers

The Exchange may automatically route orders to other Trading Centers under certain circumstances as described below and elsewhere in these Rules ("**Routing Services**"). In connection with such services, the following shall apply:

(a) Routing Services will be provided in conjunction with one or more routing brokers that are not affiliated with the Exchange. For each routing broker used by the Exchange, an agreement will be in place between the Exchange and the routing broker that will, among other things, restrict the use of any confidential and proprietary information that the routing broker receives for legitimate business purposes necessary for routing orders at the direction of the Exchange.

(b) The Exchange shall establish and maintain procedures and internal controls reasonably designed to adequately restrict the flow of confidential and proprietary

information between the Exchange and the routing broker, and any other entity, including any affiliate of the routing broker, and, if the routing broker or any of its affiliates engages in any other business activities other than providing routing services to the Exchange, between the segment of the routing broker or affiliate that provides the other business activities and the segment of the routing broker that provides the Routing Services.

(c) The Exchange may not use a routing broker for which the Exchange or any affiliate of the Exchange is the designated examining authority.

(d) The Exchange will provide its Routing Services in compliance with the provisions of the Exchange Act and the rules thereunder, including, but not limited to, the requirements in Section 6(b)(4) and (5) of the Exchange Act that the rules of a national securities exchange provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities, and not be designed to permit unfair discrimination between customers, issuers, brokers or dealers.

(e) For all Routing Services, the Exchange will determine the logic that provides when, how, and where orders are routed away to other Trading Centers.

(f) The routing broker will receive routing instructions from the Exchange, to route orders to other Trading Centers and report such executions back to the Exchange. The routing broker cannot change the terms of an order or the routing instructions, nor does the routing broker have any discretion about where to route an order.

(g) Any bid or offer entered on the Exchange routed to another Trading Center through a routing broker that results in an execution shall be binding on the Member that entered such bid/offer.

(h) A Member's use of the Routing Services to route orders to another Trading Center will be optional. Any Member that does not want to use the Routing Services provided in conjunction with one or more routing brokers that are not affiliated with the Exchange may use other routers to route orders to other Trading Centers after such orders have been cancelled on the Exchange.

CHAPTER 3. RULES OF FAIR PRACTICE

Rule 3.1. Business Conduct of Members

A Member, in the conduct of its business, shall observe high standards of commercial honor and just and equitable principles of trade.

Rule 3.2. Violations Prohibited

No Member shall engage in conduct in violation of the Act, the rules or regulations thereunder, the Exchange LLC Agreement, Exchange Rules or any policy or written interpretation of the Exchange LLC Agreement or Exchange Rules by the Board or an appropriate Exchange committee. Every Member shall so supervise persons associated with the Member as to assure compliance with those requirements.

Rule 3.3. Use of Fraudulent Devices

No Member shall effect any transaction in, or induce the purchase or sale of, any security by means of any manipulative, deceptive or other fraudulent device or contrivance.

Rule 3.4. False Statements

No Member or person associated with a Member shall make any false statement or misrepresentation to any Exchange committee, officer, the Board or any designated self-regulatory organization in connection with any matter within the jurisdiction of the Exchange.

Rule 3.5. Communications with the Public

Members and persons associated with a Member shall comply with FINRA Rule 2210 (except FINRA Rule 2210(c)) as if such Rule were part of the Exchange's Rules. The Exchange and FINRA are parties to an agreement pursuant to which FINRA has agreed to perform certain functions on behalf of the Exchange. Therefore, Members are complying with Exchange Rule 3.5 by complying with FINRA Rule 2210 as written. In addition, functions performed by FINRA, FINRA departments, and FINRA staff under Exchange Rule 3.5 are being performed by FINRA on the Exchange's behalf.

Rule 3.6. Fair Dealing with Customers

All Members have a fundamental responsibility for fair dealing with their customers. Practices which do not represent fair dealing include, but are not limited to, the following:

- (a) Recommending speculative securities to customers without knowledge of or an attempt to obtain information concerning the customers' other securities holdings, their financial situation and other necessary data. This prohibition has particular application to high pressure telephonic sales campaigns;

(b) Excessive activity in customer accounts (churning or overtrading) in relation to the objectives and financial situation of the customer;

(c) Establishment of fictitious accounts in order to execute transactions which otherwise would be prohibited or which are contrary to the Member's policies.

(d) Causing the execution of transactions which are unauthorized by customers or the sending of confirmations in order to cause customers to accept transactions not actually agreed upon;

(e) Unauthorized use or borrowing of customer funds or securities; and

(f) Recommending the purchase of securities or the continuing purchase of securities in amounts which are inconsistent with the reasonable expectation that the customer has the financial ability to meet such a commitment.

Interpretations and Policies

.01 Members who handle customer orders on the Exchange shall establish and enforce objective standards to ensure queuing and executing of customer orders in a fair and equitable manner.

Rule 3.7. Recommendations to Customers

(a) In recommending to a customer the purchase, sale or exchange of any security, a Member shall have reasonable grounds for believing that the recommendation is suitable for such customer upon the basis of the facts disclosed by such customer, after reasonable inquiry by the Member, as to the customer's other securities holdings and as to the customer's financial situation and needs.

(b) A Member may use material referring to past recommendations if it sets forth all recommendations as to the same type, kind, grade or classification of securities made by the Member within the last year. Longer periods of years may be covered if they are consecutive and include the most recent year. Such material must also name each security recommended and give the date and nature of each recommendation (e.g., whether to buy or sell), the price at the time of the recommendation, the price at which, or the price within which, the recommendation was to be acted upon, and the fact that the period was one of generally falling or rising markets, if such was the case.

Interpretations and Policies

.01 Recommendations made in connection with products listed pursuant to Chapter 14, if applicable, shall comply with the provisions of paragraph (a) above. No Member shall recommend to a customer a transaction in any such product unless the Member has a reasonable basis for believing at the time of making the recommendation that the customer has such knowledge and experience in financial matters that he may reasonably be expected to be capable

of evaluating the risks of the recommended transaction and is financially able to bear the risks of the recommended position.

Rule 3.8. The Prompt Receipt and Delivery of Securities

(a) Purchases. No Member may accept a customer's purchase order for any security until it has first ascertained that the customer placing the order or its agent agrees to receive securities against payment in an amount equal to any execution, even though such an execution may represent the purchase of only a part of a larger order.

(b) Sales. No Member shall execute a sale order for any customer or for its own account in any security unless such sale complies with the applicable provisions of the Act, including Regulation SHO.

Rule 3.9. Charges for Services Performed

A Member's charges, if any, for services performed (including miscellaneous services such as collection of moneys due for principal, dividends or interest; exchange or transfer of securities; appraisals, safekeeping or custody of securities; and other services) shall be reasonable and not unfairly discriminatory among customers.

Rule 3.10. Use of Information

A Member who, in the capacity of payment agent, transfer agent, or any other similar capacity, or in any fiduciary capacity, has received information as to the ownership of securities shall not make use of such information for soliciting purchases, sales or exchanges except at the request, and on behalf, of the issuer.

Rule 3.11. Publication of Transactions and Quotations

No Member shall report to the Exchange or publish or cause to be published any transaction as a purchase or sale of any security unless such Member believes that such transaction was a bona fide purchase or sale of such security, and no Member shall purport to quote the bid or asked price for any security, unless such Member believes that such quotation represents a bona fide bid for, or offer of, such security.

Rule 3.12. Offers at Stated Prices

No Member shall make an offer to buy from or sell to any person any security at a stated price unless such Member is prepared to purchase or sell, as the case may be, at such price and under such conditions as are stated at the time of such offer to buy or sell.

Rule 3.13. Payments Involving Publications that Influence the Market Price of a Security

(a) Except as provided in paragraph (b), no Member shall directly or indirectly, give, permit to be given, or offer to give anything of value to any person for the purpose of influencing or rewarding the action of such person in connection with the publication or

circulation in any electronic or other public media, including any investment service or similar publication, website, newspaper, magazine or other periodical, radio, or television program of any matter that has, or is intended to have, an effect upon the market price of any security.

(b) The prohibitions in paragraph (a) shall not apply to compensation paid to a person in connection with the publication or circulation of:

- (1) a communication that is clearly distinguishable as paid advertising;
- (2) a communication that discloses the receipt of compensation and the amount thereof in accordance with Section 17(b) of the Securities Act of 1933; or
- (3) a research report, as that term is defined in FINRA Rule 2241.

Rule 3.14. Disclosure on Confirmations

A Member, at or before the completion of each transaction with a customer, shall give or send to such customer such written notification or confirmation of the transaction as is required by Commission Rule 10b-10.

Rule 3.15. Disclosure of Control

A Member controlled by, controlling, or under common control with, the issuer of any security, shall disclose to a customer the existence of such control before entering into any contract with or for such customer for the purchase or sale of such security, and if such disclosure is not made in writing, it shall be supplemented by the giving or sending of a written disclosure to the customer at or before completion of the transaction.

Rule 3.16. Discretionary Accounts

(a) No Member shall effect any purchase or sale transactions with, or for, any customer's account in respect of which such Member is vested with any discretionary power if such transactions are excessive in size or frequency in view of the financial resources and character of such account.

(b) No Member shall exercise any discretionary power in a customer's account unless such customer has given prior written authorization and the account has been accepted by the Member, as evidenced in writing by a person duly designated by the Member.

(c) The Member shall approve promptly in writing each discretionary order entered and shall review all discretionary accounts at frequent intervals in order to detect and prevent transactions which are excessive in size or frequency in view of the financial resources and character of the account. The Member shall designate a partner, officer or manager in each office, including the main office, to carry out the approval and review procedures.

(d) This Rule shall not apply to an order by a customer for the purchase or sale of a definite amount of a specified security which order gives the Member discretion only over the time and price of execution.

Rule 3.17. Customer's Securities or Funds

No Member shall make improper use of a customer's securities or funds.

Rule 3.18. Prohibition Against Guarantees

No Member shall guarantee, directly or indirectly, a customer against loss in any securities account of such customer carried by the Member or in any securities transaction effected by the Member with or for such customer.

Rule 3.19. Sharing in Accounts; Extent Permissible

No Member shall share, directly or indirectly, in the profits or losses in any account of a customer carried by the Member or any other Member, unless authorized by the customer or Member carrying the account; and a Member shall share in the profits or losses in any account of such customer only in direct proportion to the financial contributions made to such account by the Member. Accounts of the immediate family of any person employed by or under the control of a Member shall be exempt from this direct proportionate share limitation. For purposes of this Rule, the term "**immediate family**" shall include parents, mother-in-law, father-in-law, husband or wife, children or any other relative to whose support the person employed by or under the control of a Member contributes directly or indirectly.

Rule 3.20. Influencing or Rewarding Employees of Others

(a) No Member or person associated with a Member shall, directly or indirectly, give or permit to be given anything of value, including gratuities, in excess of one hundred dollars per individual per year to any person, principal, proprietor, employee, agent or representative of another person where such payment or gratuity is in relation to the business of the employer of the recipient of the payment or gratuity. A gift of any kind is considered a gratuity.

(b) This Rule shall not apply to contracts of employment with or to compensation for services rendered by persons enumerated in paragraph (a) provided that there is in existence prior to the time of employment or before the services are rendered, a written agreement between the Member and the person who is to be employed to perform such services. Such agreement shall include the nature of the proposed employment, the amount of the proposed compensation, and the written consent of such person's employer or principal.

(c) A separate record of all payments or gratuities in any amount known to the Member, the employment agreement referred to in paragraph (b) and any employment compensation paid as a result thereof shall be retained by the Member for the period specified by Exchange Act Rule 17a-4.

Rule 3.21. Customer Disclosures

No Member may accept an order from a customer for execution during Extended Hours Trading without disclosing to such customer that Extended Hours Trading involves material trading risks, including the possibility of lower liquidity, high volatility, changing prices, unlinked markets, an exaggerated effect from news announcements, wider spreads and any other relevant risk, including additional risks related to the 24X Market Session. The disclosures required pursuant to this Rule may take the following form or such other form as provides substantially similar information:

(a) Risk of Lower Liquidity

Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in Extended Hours Trading as compared to Regular Trading Hours. As a result, your order may only be partially executed, or not at all.

(b) Risk of Higher Volatility

Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in Extended Hours Trading than in Regular Trading Hours. In addition, there may be different tools in place to address market volatility in Extended Hours Trading. For example, in Extended Hours Trading, price bands and reference prices may be in place instead of the National Market System Plan to Address Extraordinary Market Volatility pursuant to Rule 608 of Regulation NMS under the Act. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price in Extended Hours Trading than you would during Regular Trading Hours.

(c) Risk of Changing Prices

The prices of securities traded in Extended Hours Trading may not reflect the prices either at the end of Regular Trading Hours, or upon the opening of the next morning. As a result, you may receive an inferior price in Extended Hours Trading than you would during Regular Trading Hours.

(d) Risk of Unlinked Markets

Depending on the Extended Hours Trading system or the time of day, the prices displayed on a particular Extended Hours Trading system may not reflect the prices in other concurrently operating Extended Hours Trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one Extended Hours Trading system than you would in another Extended Hours Trading system.

(e) Risk of News Announcements

Normally, issuers make news announcements that may affect the price of their securities after Regular Trading Hours. Similarly, important financial information is frequently announced outside of Regular Trading Hours. In Extended Hours Trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.

(f) Risk of Wider Spreads

The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in Extended Hours Trading may result in wider than normal spreads for a particular security.

(g) Risk of Trading During Hours in Which Financial Market Infrastructure Companies Are Closed

In Extended Hours Trading, there are certain hours in which important financial market infrastructure companies are closed for business. Examples of these market infrastructure companies include the relevant clearing agency as well as other markets, banks, Fedwire Funds Service, and certain other providers of settlement services. Likewise, trading during hours in which the relevant clearing agency as well as other providers of settlement services are closed may lead to an increased passage of time between execution and final settlement of the resulting transaction.

(h) Risk of Lack of Calculation or Dissemination of Underlying Index Value or Intraday Indicative Value (“IIV”)

For certain derivative securities products, an updated underlying index value or IIV may not be calculated or publicly disseminated in extended trading hours. Since the underlying index value and IIV are not calculated or widely disseminated during Extended Hours Trading sessions, an investor who is unable to calculate implied values for certain derivative securities products in those sessions may be at a disadvantage to market professionals.

(i) Additional Risks related to the 24X Market Session

The 24X Market Session may present risks in addition to the risks discussed above, including the following:

(1) Risk of Trading During Hours in Which Primary Listing Markets May Not Be Open

During the 24X Market Session, the primary listing exchanges for securities traded on the Exchange may not be open, and, thus, trading in listed securities may not be occurring on the primary listing exchanges during the 24X Market Session. The primary listing exchanges also may not be available to perform their regulatory

surveillance and other regulatory obligations with regard to their listed securities during the 24X Market Session.

(2) Risk of Trading During Hours in Which There May Be Limited or Different Regulatory Protections

The regulatory protections available during the 24X Market Session may be more limited or different than those available during Regular Trading Hours. For example, certain mechanisms that address volatility in individual symbols and the equities market may not be available during the 24X Market Session.

(3) Risk of Trading Because of Limited Trading Alternatives

The Exchange may be the only exchange trading certain securities during the 24X Market Session. With more limited trading alternatives during the 24X Market Session, you may experience losses if your orders cannot be executed normally due to systems failures or other issues on the Exchange.

(4) Risk related to Continuous Trading

With the implementation of the 24X Market Session, near-continuous trading would take place. With more limited breaks in trading, there may be a greater risk related to system maintenance and testing, as well as the pausing and resumption of trading.

(5) Risk of Trading Because 24X Market Session is Novel

Trading on an exchange during the 24X Market Session is novel and may present additional unforeseen risks in addition to those discussed above.

Rule 3.22. Telemarketing

(a) Telemarketing Restrictions

No Member or associated person of a Member shall make an outbound telephone call to:

(1) any person's residence at any time other than between 8 a.m. and 9 p.m. local time at the called person's location;

(2) any person that previously has stated that he or she does not wish to receive any outbound telephone calls made by or on behalf of the Member; or

(3) any person who has registered his or her telephone number on the Federal Trade Commission's national do-not-call registry.

(b) Caller Disclosures

No Member or associated person of a Member shall make an outbound telephone call to any person without disclosing truthfully, promptly and in a clear and conspicuous manner to the called person the following information:

- (1) the identity of the caller and the Member;
- (2) the telephone number or address at which the caller may be contacted; and
- (3) that the purpose of the call is to solicit the purchase of securities or related services. The telephone number provided may not be a 900 number or any other number for which charges exceed local or long-distance transmission charges.

(c) Exceptions

The prohibition of paragraph (a)(1) does not apply to outbound telephone calls by a Member or an associated person of a Member if:

- (1) the Member has received that person's express prior consent;
- (2) the Member has an established business relationship with the person; or
- (3) the person called is a broker or dealer.

(d) Member's Firm-Specific Do-Not-Call List

(1) Each Member shall make and maintain a centralized list of persons who have informed the Member or an associated person of a Member that they do not wish to receive outbound telephone calls.

(2) Prior to engaging in telemarketing, a Member must institute procedures to comply with paragraphs (a) and (b). Such procedures must meet the following minimum standards:

(A) Written policy. Members must have a written policy for maintaining the do-not-call list described under paragraph (d)(1).

(B) Training of personnel engaged in telemarketing. Personnel engaged in any aspect of telemarketing must be informed and trained in the existence and use of the do not-call list.

(C) Recording, disclosure of do-not-call requests. If a Member receives a request from a person not to receive calls from that Member, the Member must record the request and place the person's name, if provided, and telephone number on the Member's firm-specific do not call list at the time the request is made. Members must honor a person's do-not-call request within a reasonable time from the date such request is made. This

period may not exceed 30 days from the date of such request. If such requests are recorded or maintained by a party other than the Member on whose behalf the outbound telephone call is made, the Member on whose behalf the outbound telephone call is made will be liable for any failures to honor the do-not-call request.

(D) Identification of telemarketers. A Member or associated person of a Member making an outbound telephone call must make the caller disclosures set forth in paragraph (b).

(E) Affiliated persons or entities. In the absence of a specific request by the person to the contrary, a person's do-not-call request shall apply to the Member making the call, and shall not apply to affiliated entities unless the consumer reasonably would expect them to be included given the identification of the caller and the product being advertised.

(F) Maintenance of do-not-call lists. A Member making outbound telephone calls must maintain a record of a person's request not to receive further calls.

(e) Do-Not-Call Safe Harbors

(1) A Member or associated person of a Member making outbound telephone calls will not be liable for violating paragraph (a)(3) if:

(A) the Member has an established business relationship with the called person. A person's request to be placed on the Member's firm-specific do-not-call list terminates the established business relationship exception to the national do-not-call registry provision for that Member even if the person continues to do business with the Member;

(B) the Member has obtained the person's prior express written consent. Such consent must be clearly evidenced by a signed, written agreement (which may be obtained electronically under the E-Sign Act) between the person and the Member, which states that the person agrees to be contacted by the Member and includes the telephone number to which the calls may be placed; or

(C) the Member or associated person of a Member making the call has a personal relationship with the called person.

(2) A Member or associated person of a Member making outbound telephone calls will not be liable for violating paragraph (a)(3) if the Member or associated person of a Member demonstrates that the violation is the result of an error and that as part of the Member's routine business practice:

(A) the Member has established and implemented written procedures to comply with paragraphs (a) and (b);

(B) the Member has trained its personnel, and any entity assisting in its compliance, in the procedures established pursuant to paragraph (e)(2)(A);

(C) the Member has maintained and recorded a list of telephone numbers that it may not contact in compliance with paragraph (d); and

(D) the Member uses a process to prevent outbound telephone calls to any telephone number on the Member's firm specific do-not-call list or the national do-not-call registry, employing a version of the national do-not-call registry obtained from the Federal Trade Commission no more than 31 days prior to the date any call is made, and maintains records documenting this process.

(f) Wireless Communications

The provisions set forth in this Rule are applicable to Members and associated persons of Members making outbound telephone calls to wireless telephone numbers.

(g) Outsourcing Telemarketing

If a Member uses another appropriately registered or licensed entity or person to perform telemarketing services on its behalf, the Member remains responsible for ensuring compliance with all provisions contained in this Rule.

(h) Billing Information

For any telemarketing transaction, no Member or associated person of a Member shall cause billing information to be submitted for payment, directly or indirectly, without the express informed consent of the customer. Each Member or associated person of a Member must obtain the express informed consent of the person to be charged and to be charged using the identified account.

In any telemarketing transaction involving pre-acquired account information, the following requirements must be met to evidence express informed consent:

(1) In any telemarketing transaction involving pre-acquired account information and a free-to-pay conversion feature, the Member or associated person of a Member must:

(A) obtain from the customer, at a minimum, the last four digits of the account number to be charged;

(B) obtain from the customer an express agreement to be charged and to be charged using the account number pursuant to paragraph (h)(1)(A); and

(C) make and maintain an audio recording of the entire telemarketing transaction.

(2) In any other telemarketing transaction involving pre-acquired account information not described in paragraph (h)(1), the Member or associated person of a Member must:

(A) identify the account to be charged with sufficient specificity for the customer to understand what account will be charged; and

(B) obtain from the customer an express agreement to be charged and to be charged using the account number identified pursuant to paragraph (h)(2)(A).

(i) Caller Identification Information

(1) Any Member that engages in telemarketing must transmit or cause to be transmitted the telephone number and, when made available by the Member's telephone carrier, the name of the Member to any caller identification service in use by a recipient of an outbound telephone call.

(2) The telephone number so provided must permit any person to make a do-not-call request during regular business hours.

(3) Any Member that engages in telemarketing is prohibited from blocking the transmission of caller identification information.

(j) Unencrypted Consumer Account Numbers

No Member or associated person of a Member shall disclose or receive, for consideration, unencrypted consumer account numbers for use in telemarketing. The term "**unencrypted**" means not only complete, visible account numbers, whether provided in lists or singly, but also encrypted information with a key to its decryption. This paragraph will not apply to the disclosure or receipt of a customer's billing information to process pursuant to a telemarketing transaction.

(k) Abandoned Calls

(1) No Member or associated person of a Member shall "abandon" any outbound telephone call. An outbound telephone call is "abandoned" if a called person answers it and the call is not connected to a Member or associated person of a Member within two seconds of the called person's completed greeting.

(2) A Member or associated person of a Member shall not be liable for violating paragraph (k)(1) if:

(A) the Member or associated person of a Member employs technology that ensures abandonment of no more than three percent of all outbound telephone calls answered by a person, measured over the duration of a single calling campaign, if less than 30 days, or separately over each successive 30-day period or portion thereof that the campaign continues;

(B) the Member or associated person of a Member, for each outbound telephone call placed, allows the telephone to ring for at least 15 seconds or 4 rings before disconnecting an unanswered call;

(C) whenever a Member or associated person of a Member is not available to speak with the person answering the outbound telephone call within two seconds after the person's completed greeting, the Member or associated person of a Member promptly plays a prerecorded message that states the name and telephone number of the Member or associated person of a Member on whose behalf the call was placed; and

(D) the Member or associated person of a Member retains records establishing compliance with paragraph (k)(2).

(l) Prerecorded Messages

(1) No Member or associated person of a Member shall initiate any outbound telephone call that delivers a prerecorded message, other than a prerecorded message permitted for compliance with the call abandonment safe harbor in paragraph (k)(2)(C), unless:

(A) the Member has obtained from the called person an express agreement, in writing, that:

(i) the Member obtained only after a clear and conspicuous disclosure that the purpose of the agreement is to authorize the Member to place prerecorded calls to such person;

(ii) the Member obtained without requiring, directly or indirectly, that the agreement be executed as a condition of purchasing any good or service;

(iii) evidences the willingness of the called person to receive calls that deliver prerecorded messages by or on behalf of the Member; and

(iv) includes such person's telephone number and signature (which may be obtained electronically under the E-Sign Act);

(B) the Member allows the telephone to ring for at least 15 seconds or four rings before disconnecting an unanswered call and, within two seconds after the completed greeting of the called person, plays a prerecorded message that promptly provides the disclosures in paragraph (b), followed immediately by a disclosure of one or both of the following:

(i) in the case of a call that could be answered in person, that the called person can use an automated interactive voice and/or keypress activated opt-out mechanism to assert a firm-specific do-not-call request pursuant to the Member's procedures instituted under paragraph (d)(2)(C) at any time during the message. The mechanism must automatically add the number called to the Member's firm-specific do-not-call list; once invoked, immediately disconnect the call; and be available for use at any time during the message; and

(ii) in the case of a call that could be answered by an answering machine or voicemail service, that the call recipient can use a toll-free telephone number to assert a firm-specific do not-call request pursuant to the Member's procedures instituted under paragraph (d)(2)(C). The number provided must connect directly to an automated interactive voice or keypress activated opt-out mechanism that automatically adds the number called to the Member's firm-specific do-not-call list; immediately thereafter disconnects the call; and is accessible at any time throughout the duration of the telemarketing campaign; and

(C) the Member complies with all other requirements of this Rule and other applicable federal and state laws.

(2) Any call that complies with all applicable requirements of paragraph (l) shall not be deemed to violate paragraph (k).

(m) Credit Card Laundering

Except as expressly permitted by the applicable credit card system, no Member or associated person of a Member shall:

(1) present to or deposit into the credit card system for payment a credit card sales draft generated by a telemarketing transaction that is not the result of a telemarketing credit card transaction between the cardholder and the Member;

(2) employ, solicit, or otherwise cause a merchant, or an employee, representative or agent of the merchant, to present to or to deposit into the credit card system for payment a credit card sales draft generated by a telemarketing

transaction that is not the result of a telemarketing credit card transaction between the cardholder and the merchant; or

(3) obtain access to the credit card system through the use of a business relationship or an affiliation with a merchant, when such access is not authorized by the merchant agreement or the applicable credit card system.

(C) the person has contacted the Member to inquire about a product or service offered by the Member within the three months immediately preceding the date of an outbound telephone call.

A person’s established business relationship with a Member does not extend to the Member’s affiliated entities unless the person would reasonably expect them to be included. (13) The term “**free-to-pay conversion**” means, in an offer or agreement to sell or provide any goods or services, a provision under which a customer receives a product or service for free for an initial period and will incur an obligation to pay for the product or service if he or she does not take affirmative action to cancel before the end of that period.

Interpretations and Policies

.01 Members and associated persons of Members that engage in telemarketing also are subject to the requirements of relevant state and federal laws and rules, including but not limited to the Telemarketing and Consumer Fraud and Abuse Prevention Act, the Telephone Consumer Protection Act, and the rules of the Federal Communications Commission (“**FCC**”) relating to telemarketing practices and the rights of telephone consumers.

Further, the Exchange shall be allowed access, at any time, to the books and records of the Member in order to obtain or verify information related to transactions executed on or through the Exchange or activities relating to the Exchange.

Interpretations and Policies

.01 Consistent with the responsibility of the Exchange and the Commission to provide for timely regulatory investigations, the Exchange has adopted the following general time parameters within which Members are required to respond to Exchange requests for trading data:

1st Request	10 business days
2nd Request.....	5 business days

Upon receipt of said notice, or whenever it shall appear to the Chief Regulatory Officer (“CRO”) (after such verification and with such opportunity for comment by the Member as the circumstances reasonably permit) that a Member has failed to perform its contracts or is insolvent or is in such financial or operational condition or is otherwise conducting its business in such financial or operational condition or is otherwise conducting its business in such a manner that it cannot be permitted to continue in business with safety to its customers, creditors and other Members of the Exchange, the CRO may summarily suspend the Member or may impose such conditions and restrictions upon the Member as are reasonably necessary for the protection of investors, the Exchange, the creditors and the customers of such Member.

(b) A Member that does not pay any dues, fees, assessments, charges or other amounts due to the Exchange within 90 days after the same has become payable shall be reported to the CRO, who may, after giving reasonable notice to the Member of such arrearages, suspend the Member until payment is made. Should payment not be made within six months after payment is due, the Member’s membership may be cancelled by the Exchange.

(c) In the event of suspension of a Member, the Exchange shall give prompt notice of such suspension to the Members of the Exchange. Unless the CRO shall determine that lifting the suspension without further proceedings is appropriate, such suspension shall continue until the Member is reinstated as provided in Rule 7.3 of this Chapter.

Rule 7.2. Investigation Following Suspension

Every Member suspended under the provisions of this Chapter shall immediately make available every facility requested by the Exchange for the investigation of its affairs and shall forthwith file with the Secretary a written statement covering all information requested, including a complete list of creditors and the amount owing to each and a complete list of each open long and short security position maintained by the Member and each of its customers. The foregoing includes, without limitation, the furnishing of such of the Member’s books and records and the giving of such sworn testimony as may be requested by the Exchange.

Rule 7.3. Reinstatement

A Member suspended under the provisions of this Chapter may apply for reinstatement by a petition in accordance with and in the time provided for by the provisions of the Exchange Rules relating to adverse action.

Rule 7.4. Failure to be Reinstated

A Member suspended under the provisions of this Chapter who fails to seek or obtain reinstatement in accordance with Rule 7.3 shall have its membership cancelled by the Exchange.

Rule 7.5. Termination of Rights by Suspension

A Member suspended under the provisions of this Chapter shall be deprived during the term of its suspension of all rights and privileges conferred to it by virtue of its membership in the Exchange.

Rule 7.6. Summary Suspension of Exchange Services

The CRO (after such verification with such opportunity for comment as the circumstances reasonably permit) may summarily limit or prohibit (i) any person from access to services offered by the Exchange, if such person has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a Member of any self-regulatory organization or is in such financial or operating difficulty that the Exchange determines that such person cannot be permitted to do business with safety to investors, creditors, Exchange Members or the Exchange; or (ii) a person who is not a Member from access to services offered by the Exchange, if such person does not meet the qualification requirements or other pre-requisites for such access and if such person cannot be permitted to continue to have access with safety to investors, creditors, Members and the Exchange. Any person aggrieved by any such summary action may seek review under the provisions of the Exchange Rules relating to adverse action.

Rule 7.7. Commission Action

The Commission may stay any summary action taken pursuant to this Chapter on its own motion or upon application by any person aggrieved thereby made pursuant to Section 19(d) of the Act and the rules thereunder.

CHAPTER 8. DISCIPLINE

Rule 8.1. Disciplinary Jurisdiction

(a) A Member or a person associated with a Member (the “**Respondent**”) who is alleged to have violated or aided and abetted a violation of any provision of the Act or the rules and regulations promulgated thereunder, or any provision of the Certificate of Formation, the Exchange LLC Agreement or Rules of the Exchange or any interpretation thereof or any resolution or order of the Board or appropriate Exchange committee shall be subject to the disciplinary jurisdiction of the Exchange under this Chapter, and after notice and opportunity for a hearing may be appropriately disciplined by: expulsion; suspension; limitation of activities, functions and operation; fine; censure; suspension or bar from association with a Member or any other fitting sanction, in accordance with the provisions of this Chapter.

An individual Member, responsible party, or other person associated with a Member may be charged with any violation committed by employees under his/her/its supervision or by the Member with which he/she/it is associated, as though such violation were his/her/its own. A Member organization may be charged with any violation committed by its employees or by any other person who is associated with such Member organization, as though such violation were its own.

(b) Any Member or person associated with a Member shall continue to be subject to the disciplinary jurisdiction of the Exchange following the termination of such person’s membership or association with a Member with respect to matters that occurred prior to such termination; provided that written notice of the commencement of an inquiry into such matters is given by the Exchange to such former Member or former associated person within one year of receipt by the Exchange of the latest written notice of the termination of such person’s status as a Member or person associated with a Member. The foregoing notice requirement does not apply to a person who at any time after a termination again subjects himself or herself to the disciplinary jurisdiction of the Exchange by becoming a Member or a person associated with a Member.

(c) A summary suspension or other action taken pursuant to Chapter 7 of the Rules of the Exchange shall not be deemed to be disciplinary action under this Chapter, and the provisions of this Chapter shall not be applicable to such action.

(d) The Exchange may contract with another self-regulatory organization to perform some or all of the Exchange’s disciplinary functions. In that event, the Exchange shall specify to what extent the Rules in this Chapter shall govern Exchange disciplinary actions and to what extent the rules of the other self-regulatory organization shall govern such actions. Notwithstanding the fact that the Exchange may contract with another self-regulatory organization to perform some or all of the Exchange’s disciplinary functions, the Exchange shall retain ultimate legal responsibility for and control of such functions.

Rule 8.2. Complaint and Investigation

(a) Initiation of Investigation

The Exchange, or the designated self-regulatory organization, when appropriate, shall investigate possible violations within the disciplinary jurisdiction of the Exchange which are brought to its attention in any manner, or upon order of the Board, the CRO or other Exchange officials designated by the CRO, or upon receipt of a complaint alleging such violation.

(b) Report

In every instance where an investigation has been instituted as a result of a complaint, and in every other instance in which an investigation results in a finding that there are reasonable grounds to believe that a violation has been committed, a written report of the investigation shall be submitted to the CRO by the Exchange's staff or, when appropriate, by the designated self-regulatory organization.

(c) Requirement to Furnish Information and Right to Counsel

Each Member and person associated with a Member shall be obligated upon request by the Exchange to appear and testify, and to respond in writing to interrogatories and furnish documentary materials and other information requested by the Exchange in connection with (i) an investigation initiated pursuant to paragraph (a) of this Rule or (ii) a hearing or appeal conducted pursuant to this Chapter or preparation by the Exchange in anticipation of such a hearing or appeal. No Member or person associated with a Member shall impede or delay an Exchange investigation or proceeding conducted pursuant to this Chapter nor refuse to comply with a request made by the Exchange pursuant to this paragraph. A Member or person associated with a Member is entitled to be represented by counsel during any such Exchange investigation, proceeding or inquiry.

(d) Notice, Statement and Access

Prior to submitting its report, the staff shall notify the person(s) who is the subject of the report (hereinafter "**Subject**") of the general nature of the allegations and of the specific provisions of the Act, rules and regulations promulgated thereunder, or provisions of the Certificate of Formation, the Exchange LLC Agreement or Rules of the Exchange or any interpretation thereof or any resolution of the Board, that appear to have been violated. Except when the CRO determines that expeditious action is required, a Subject shall have 15 days from the date of the notification described above to submit a written statement to the CRO concerning why no disciplinary action should be taken. To assist a Subject in preparing such a written statement, he or she shall have access to any documents and other materials in the investigative file of the Exchange that were furnished by him or her or his or her agents.

(e) Failure to Furnish Information

Failure to furnish testimony, documentary evidence or other information requested by the Exchange in the course of an Exchange inquiry, investigation, hearing or appeal conducted pursuant to this Chapter or in the course of preparation by the Exchange in anticipation of such a hearing or appeal on the date or within the time period the Exchange specifies shall be deemed to be a violation of this Rule 8.2.

(f) Regulatory Cooperation

No Member or person associated with a Member or other person or entity subject to the jurisdiction of the Exchange shall refuse to appear and testify before another exchange or other self-regulatory organization in connection with a regulatory investigation, examination or disciplinary proceeding or refuse to furnish testimony, documentary materials or other information or otherwise impede or delay such investigation, examination or disciplinary proceeding if the Exchange requests such testimony, documentary materials or other information in connection with an inquiry resulting from an agreement entered into by the Exchange pursuant to subsection (g) of this Rule. The requirements of this Rule 8.2(f) shall apply when the Exchange has been notified by another self-regulatory organization of the request for testimony, documentary materials or other information and the Exchange then requests in writing that a Member, person associated with a Member or other person or entity provide such testimony, documentary materials or other information. Any person or entity required to furnish testimony, documentary materials or other information pursuant to this Rule 8.2(f) shall be afforded the same rights and procedural protections as that person or entity would have if the Exchange had initiated the request.

(g) Cooperative Agreements

The Exchange may enter into agreements with domestic and foreign self-regulatory organizations providing for the exchange of information and other forms of mutual assistance or for market surveillance, investigative, enforcement or other regulatory purposes.

(h) Videotaped Responses

In lieu of, or in addition to, submitting a written statement concerning why no disciplinary action should be taken as permitted by paragraph (d) of this Rule, the Subject may submit a statement in the form of a videotaped response. Except when the CRO determines that expeditious action is required, the Subject shall have 15 days from the date of the notification described in paragraph (d) to submit the videotaped response. The Exchange will establish standards concerning the length and format of such videotaped responses.

Rule 8.3. Expedited Proceeding

Upon receipt of the notification required by Rule 8.2(d), a Subject may seek to dispose of the matter through a letter of consent signed by the Subject. If a Subject desires to attempt to dispose of the matter through a letter of consent, the Subject must submit to the staff within 15

days from the date of the notification required by Rule 8.2(d) a written notice electing to proceed in an expedited manner pursuant to this Rule 8.3. The Subject must then endeavor to reach agreement with the Exchange's staff upon a letter of consent which is acceptable to the staff and which sets forth a stipulation of facts and findings concerning the Subject's conduct, the violation(s) committed by the Subject and the sanction(s) therefor. The matter can only be disposed of through a letter of consent if the staff and the Subject are able to agree upon terms of a letter of consent which are acceptable to the staff and the letter is signed by the Subject. At any point in the negotiations regarding a letter of consent, either the staff may deliver to the Subject or the Subject may deliver to the staff a written declaration of an end to the negotiations. On delivery of such a declaration the subject will then have 15 days to submit a written statement pursuant to Rule 8.2(d) and thereafter the staff may bring the matter to the CRO. If the letter of consent is accepted by the CRO, the Exchange may adopt the letter as its decision and shall take no further action against the Subject respecting the matters that are the subject of the letter. If the letter of consent is rejected by the CRO, the matter shall proceed as though the letter had not been submitted. Upon rejection, the Subject will then have 15 days to submit a written statement pursuant to Rule 8.2(d). The CRO's decision to accept or reject a letter of consent shall be final, and a Subject may not seek review thereof.

Rule 8.4. Charges

(a) Determination Not to Initiate Charges

Whenever it shall appear to the CRO from the investigation report that no probable cause exists for finding a violation within the disciplinary jurisdiction of the Exchange, or whenever the CRO otherwise determines that no further proceedings are warranted, he or she shall issue a written statement to that effect setting forth the reasons for such finding.

(b) Initiation of Charges

Whenever it shall appear to the CRO that there is probable cause for finding a violation within the disciplinary jurisdiction of the Exchange and that further proceedings are warranted, the CRO shall direct the issuance of a statement of charges against the Respondent specifying the acts in which the Respondent is charged to have engaged and setting forth the specific provisions of the Act, rules and regulations promulgated thereunder, the Exchange LLC Agreement, Exchange Rules, interpretations or resolutions of which such acts are in violation. A copy of the charges shall be served upon the Respondent in accordance with Rule 8.12.

Rule 8.5. Answer

The Respondent shall have 15 business days after service of the charges to file a written answer thereto. The answer shall specifically admit or deny each allegation contained in the charges, and the Respondent shall be deemed to have admitted any allegation not specifically denied. The answer may also contain any defense which the Respondent wishes to submit and may be accompanied by documents in support of his answer or defense. In the event the Respondent fails to file an answer within the time provided, the charges shall be considered to be admitted.

Rule 8.6. Hearings

(a) Selection of Hearing Panel

(1) Definitions. For purposes of this paragraph (a), the terms set forth below shall have the following meanings:

(A) The term “**Industry Member**” means a member of any hearing panel who (i) is or has served in the prior three years as an officer, director, or employee of a broker or dealer, excluding an outside director or a director not engaged in the day-to-day management of a broker or dealer; (ii) is an officer, director (excluding an outside director), or employee of an entity that owns more than ten percent of the equity of a broker or dealer, and the broker or dealer accounts for more than five percent of the gross revenues received by the consolidated entity; (iii) owns more than five percent of the equity securities of any broker or dealer, whose investments in brokers or dealers exceed ten percent of his or her net worth, or whose ownership interest otherwise permits him or her to be engaged in the day-to-day management of a broker or dealer; (iv) provides professional service to brokers or dealers, and such services constitute 20 percent or more of the professional revenues received by the member or 20 percent or more of the gross revenues received by the member’s firm or partnership; (v) provides professional services to a director, officer, or employee of a broker, dealer, or corporation that owns 50 percent or more of the voting stock of a broker or dealer, and such services relate to the director’s, officer’s, or employee’s professional capacity and constitute 20 percent or more of the professional revenues received by the member or 20 percent or more of the gross revenues received by the member’s firm or partnership; or (vi) has a consulting or employment relationship with or provides professional services to the Exchange or any affiliate thereof or has had any such relationship or provided any such services at any time within the prior three years.

(B) The term “**Member Representative member**” means a member of any hearing panel who is an officer, director, employee or agent of an Exchange Member.

(2) Subject to Rule 8.7 concerning summary proceedings, a hearing on the charges shall be held before a panel of three (3) hearing officers (the “**Hearing Panel**”) appointed by the Chief Executive Officer. Each Hearing Panel shall be comprised as follows: (i) a professional hearing officer, who shall serve as Chairman of the Hearing Panel, (ii) a hearing officer who is an Industry Member, as such term is defined in Rule 8.6, and (iii) a hearing officer who is a Member Representative member, as such term is defined in Rule 8.6 (each a “**Hearing Officer**”). Prospective Hearing Officers shall be required to disclose to the Exchange their employment history for the past 10 years, any past or current material business or other financial relationships with the Exchange or any

members of the Exchange, and any other information deemed relevant by the Exchange. Such disclosures relating to the particular Hearing Officers selected by the Chief Executive Officer shall be provided to the Respondent upon request after the selection of the Hearing Panel. In selecting Hearing Officers for a particular matter, the Chief Executive Officer should give reasonable consideration to the prospective Hearing Officers' professional competence and reputation, experience in the securities industry, familiarity with the subject matter involved, the absence of bias and any actual or perceived conflict of interest, and any other relevant factors.

(b) Impartiality of Hearing Officers

When any Hearing Officer considers a disciplinary matter he or she is expected to function impartially and independently of the staff members who prepared and prosecuted the charges. Exchange counsel may assist the Hearing Panel in preparing its written recommendations or judgments. Within 15 days of the appointment of the Hearing Panel, the Respondent may move for disqualification of any Hearing Officer sitting on such Panel based upon bias or conflict of interest. Such motions shall be made in writing and state with specificity the facts and circumstances giving rise to the alleged bias or conflict of interest. The motion papers shall be filed with the Hearing Panel and the Secretary of the Exchange. The Exchange may file a brief in opposition to the Respondent's motion within 15 days of service thereof. The Hearing Panel shall rule upon such motion no later than 30 days from filing by the Respondent. Prior adverse rulings against the Respondent or Respondent's attorney in other matters shall not, in and of themselves, constitute grounds for disqualification. If the Hearing Panel believes the Respondent has provided satisfactory evidence in support of the motion to disqualify, the applicable Hearing Officer shall remove himself or herself and request the Chief Executive Officer to reassign the hearing to another Hearing Officer such that the Hearing Panel still meets the compositional requirements described in Rule 8.6(a). If the Hearing Panel determines that the Respondent's grounds for disqualification are insufficient, it shall deny the Respondent's motion for disqualification by setting forth the reasons for the denial in writing and the Hearing Panel will precede with the hearing. The ruling by the Hearing Panel on such motions shall not be subject to interlocutory review.

(c) Notice and List of Documents

Participants shall be given at least 15 business days' notice of the time and place of the hearing and a statement of the matters to be considered therein. All documentary evidence intended to be presented in the hearing by the Respondent, the Exchange, or the designated self-regulatory authority must be received by the Hearing Panel at least eight (8) days in advance of the hearing or it may not be presented in the hearing. The parties shall furnish each other with a list of all documents submitted for the record not less than four (4) business days in advance of the hearing, and the documents themselves shall be made available to the parties for inspection and copying.

(d) Conduct of Hearing

The Hearing Panel shall determine all questions concerning the admissibility of evidence and shall otherwise regulate the conduct of the hearing. Formal rules of evidence shall not apply. The charges shall be presented by a representative of the Exchange or the designated self-regulatory authority who, along with the Respondent, may present evidence and produce witnesses who shall testify under oath and are subject to being questioned by the Hearing Panel and opposing parties. The Respondent is entitled to be represented by counsel who may participate fully in the hearing. A transcript of the hearing shall be made and shall become part of the record.

Rule 8.7. Summary Proceedings

Notwithstanding the provisions of Rule 8.6 of this Chapter, the CRO may make a determination without a hearing and may impose a penalty as to violations which the Respondent has admitted or charges which the Respondent has failed to answer or which otherwise are not in dispute. Notice of such summary determination, specifying the violations and penalty, shall be served upon the Respondent, who shall have ten (10) business days from the date of service to notify the CRO that he desires a hearing upon all or a portion of any charges not previously admitted or upon the penalty. Failure to so notify the CRO shall constitute an admission of the violations and acceptance of the penalty as determined by the CRO and a waiver of all rights of review. If the Respondent requests a hearing, the matters which are the subject of the hearing shall be handled in accordance with the hearing and review procedures of this Chapter.

Rule 8.8. Offers of Settlement

(a) Submission of Offer

At any time during the course of any proceeding under this Chapter, the Respondent may submit to the CRO a written offer of settlement which shall contain a proposed stipulation of facts and shall consent to a specified penalty. Where the CRO accepts an offer of settlement, he or she shall issue a decision, including findings and conclusions and imposing a penalty, consistent with the terms of such offer. Where the CRO rejects an offer of settlement, he or she shall notify the Respondent and the matter shall proceed as if such offer had not been made, and the offer and all documents relating thereto shall not become part of the record. A decision of the CRO issued upon acceptance of an offer of settlement as well as the determination of the CRO whether to accept or reject such an offer shall become final 20 business days after such decision is issued, and the Respondent may not seek review thereof.

(b) Submission of Statement

A Respondent may submit with an offer of settlement a written statement in support of the offer. In addition, if the staff will not recommend acceptance of an offer of settlement before the CRO, a Respondent shall be notified and may appear before the CRO to make an oral statement in support of his/her offer. Finally, if the CRO rejects an offer that the staff supports, a Respondent may appear before the CRO to make an oral statement concerning why he/she believes the CRO should change his or her decision and accept Respondent's offer, and if Respondent makes such appearance, the staff may also appear

before the CRO to make an oral statement in support of its position. A Respondent must make a request for such an appearance within 5 days of being notified that the offer was rejected or that the staff will not recommend acceptance.

(c) Repeated Offers

Unless the CRO shall otherwise order, a Respondent shall be entitled to submit to the CRO a maximum of two written offers of settlement in connection with the statement of charges issued to that Respondent pursuant to Rule 8.4(b).

Rule 8.9. Decision

Following a hearing conducted pursuant to Rule 8.6 of this Chapter, the Hearing Panel shall prepare a decision in writing, based solely on the record, determining whether the Respondent has committed a violation and imposing the penalty, if any, therefor. The decision shall include a statement of findings and conclusions, with the reasons therefor, upon all material issues presented on the record. Where a penalty is imposed, the decision shall include a statement specifying the acts or practices in which the Respondent has been found to have engaged and setting forth the specific provisions of the Act, rules and regulations promulgated thereunder, the Exchange LLC Agreement, Exchange Rules, interpretations or resolutions of which the acts are deemed to be in violation. The Respondent shall promptly be sent a copy of the decision.

Rule 8.10. Review

(a) Petition

The Respondent shall have ten (10) days after service of notice of a decision made pursuant to Rule 8.9 of this Chapter to petition for review thereof. Such petition shall be in writing and shall specify the findings and conclusions to which exceptions are taken together with reasons for such exceptions. Any objections to a decision not specified by written exception shall be considered to have been abandoned.

(b) Conduct of Review

The review shall be conducted by the Appeals Committee of the Board. Unless the Appeals Committee shall decide to open the record for introduction of evidence or to hear argument, such review shall be based solely upon the record and the written exceptions filed by the parties. The Appeals Committee's decision shall be in writing and shall be final.

(c) Review on Motion of Board

The Board may on its own initiative order review of a decision made pursuant to Rule 8.7, 8.8, or 8.9 of this Chapter within 20 business days after issuance of the decision. Such review shall be conducted in accordance with the procedure set forth in paragraph (b) of this Rule.

(d) Review of Decision Not to Initiate Charges

Upon application made by the Chief Executive Officer within 30 days of a decision made pursuant to Rule 8.4(a) of this Chapter, the Board may order review of such decision. Such review shall be conducted in accordance with the procedures set forth in paragraph (b), as applicable.

Rule 8.11. Effective Date of Judgment

Penalties imposed under this Chapter shall not become effective until the review process is completed or the decision otherwise becomes final. Pending effectiveness of a decision imposing a penalty on the Respondent, the CRO, Hearing Panel or committee of the Board, as applicable, may impose such conditions and restrictions on the activities of the Respondent as he, she or it considers reasonably necessary for the protection of investors, creditors and the Exchange.

Interpretations and Policies

.01 Exchange staff shall make all necessary filings concerning formal and informal disciplinary actions required under the Act and the rules and regulations promulgated thereunder, and shall take all other actions necessary to comply with any other applicable law or regulation.

Rule 8.12. Miscellaneous Provisions

(a) Service of Notice

Any charges, notices or other documents may be served upon the Respondent either personally or by leaving the same at his place of business or by deposit in the United States post office, postage prepaid, by registered or certified mail addressed to the Respondent at his last known place of business.

(b) Extension of Time Limits

Any time limits imposed under this Chapter for the submission of answers, petitions or other materials may be extended by permission of the authority at the Exchange to whom such materials are to be submitted.

(c) Reports and Inspection of Books for Purpose of Investigating Complaints

For the purpose of any investigation or determination as to the filing of a complaint, or any hearing of any complaint against any Member of the Exchange or any person associated with a Member, the Exchange's staff, CRO, Board or designated self-regulatory organization shall have the right (1) to require any Member of the Exchange to report orally or in writing with regard to any matter involved in any such investigation or hearing, and (2) to investigate the books, records and accounts of any such Member with relation to any matter involved in any such investigation or hearing. No Member shall refuse to make any report as required in this Rule, or refuse to permit any inspection of books, records and accounts as may be validly called for under this Rule.

Rule 8.13. Costs of Proceedings

Any Member disciplined pursuant to this Chapter shall bear such part of the costs of the proceedings as the CRO or the Board deems fair and appropriate in the circumstances.

Rule 8.14. Agency Review

Actions taken by the Exchange under this Chapter shall be subject to the review and action of any appropriate regulatory agency under the Act.

Rule 8.15. Imposition of Fines for Minor Violation(s) of Rules

(a) In lieu of commencing a disciplinary proceeding as described in Rules 8.1 through 8.13, the Exchange may, subject to the requirements set forth in this Rule, impose a fine on any Member, associated person of a Member, or registered or non-registered employee of a Member, for any violation of a Rule of the Exchange, which violation the Exchange shall have determined is minor in nature. The Exchange may aggregate similar violations generally if the conduct was unintentional, there was no injury to public investors, or the violations resulted from a single systemic problem or cause that has been corrected. Any fine imposed pursuant to this Rule that does not exceed \$2,500 and is not contested shall not be publicly reported, except as may be required by Rule 19d-1 under the Act or as may be required by any other regulatory authority.

(b) In any action taken by the Exchange pursuant to this Rule, the person against whom a fine is imposed shall be served (as provided in Rule 8.12) with a written statement, signed by an authorized officer of the Exchange, setting forth (i) the Rule or Rules alleged to have been violated; (ii) the act or omission constituting each such violation; (iii) the fine imposed for each such violation; and (iv) the date by which such determination becomes final and such fine becomes due and payable to the Exchange, or such determination must be contested as provided in paragraph (d) below, such date to be not less than 15 business days after the date of service of the written statement.

(c) If the person against whom a fine is imposed pursuant to this Rule pays the fine, such payment shall be deemed to be a waiver by such person of such person's right to a disciplinary proceeding under Rules 8.1 through 8.13 and any review of the matter by the Appeals Committee or by the Board.

(d) Any person against whom a fine is imposed pursuant to this Rule may contest the Exchange's determination by filing with the Exchange not later than the date by which such determination must be contested, a written response meeting the requirements of an Answer as provided in Rule 8.5 at which point the matter shall become a disciplinary proceeding subject to the provisions of Rules 8.1 through 8.13. In any such disciplinary proceeding, if the Hearing Panel determines that the person charged is guilty of the rule violation(s) charged, the Hearing Panel shall (i) be free to impose any one or more disciplinary sanctions and (ii) determine whether the rule violation(s) is minor in nature. The person charged and the Board of the Exchange may require a review by the

Board of any determination by the Hearing Panel by proceeding in the manner described in Rule 8.10.

(e) The Exchange shall prepare and announce to its Members from time to time a listing of the Exchange Rules as to which the Exchange may impose fines as provided in this Rule. Such listing shall also indicate the specific dollar amount that may be imposed as a fine hereunder with respect to any violation of any such Rule or may indicate the minimum and maximum dollar amounts that may be imposed by the Exchange with respect to any such violation. Nothing in this Rule shall require the Exchange to impose a fine pursuant to this Rule with respect to the violation of any Rule included in any such listing.

(d) The prohibitions of this Rule shall apply beginning with the initiation of an investigation as provided in Rule 8.2(a), unless the person responsible for the communication has knowledge that the investigation shall be initiated, in which case the prohibitions shall apply beginning at the time of his or her acquisition of such knowledge.

Rule 8.17. Expedited Client Suspension Proceeding

(a) Initiation of Proceeding

(1) Scope of Authority. With the prior written authorization of the CRO or such other senior officers as the CRO may designate, the Office of General Counsel or Regulatory Department of the Exchange (such departments generally referred to as the “Exchange” for purposes of this Rule 8.17) may initiate an expedited suspension proceeding with respect to alleged violations of Rule 12.15 (Disruptive Quoting and Trading Activity Prohibited).

(3) Content of Notice. The notice shall state whether the Exchange is requesting the Respondent to be required to take action or to refrain from taking action. The notice shall be accompanied by: a declaration of facts, signed by a person with knowledge of the facts contained therein, that specifies the acts that constitute the alleged violation; and a proposed order that contains the required elements of a suspension order (except the date and hour of the order’s issuance), which are set forth in subparagraph (d)(2) of this Rule.

(b) Appointment of Hearing Officers and Hearing Panel

(1) As soon as practicable after the Exchange initiates a suspension proceeding, a Hearing Panel shall be assigned in accordance with paragraph (a) of Rule 8.6.

(2) If at any time a Hearing Officer determines that he or she has a conflict of interest or bias or circumstances otherwise exist where his or her fairness might reasonably be questioned, or if a Party files a motion to disqualify a Hearing Officer, the recusal and disqualification proceeding shall be conducted in accordance with paragraph (b) of Rule 8.6, except that:

(A) a motion seeking disqualification of a Hearing Officer must be filed no later than 5 days after the announcement of the Hearing Panel; and

(B) the Exchange may file a brief in opposition to the Respondent’s motion no later than 5 days after service thereof.

(c) Hearing

(1) When Held. The hearing shall be held not later than 15 days after service of the notice initiating the suspension proceeding, unless otherwise extended by the Chairman of the Hearing Panel with the consent of the Parties for good cause shown. If a Hearing Officer is recused or disqualified, the hearing shall be held not later than five days after a replacement Hearing Officer is appointed.

(2) Service of Notice of Hearing. A notice of date, time, and place of the hearing shall be served on the Parties not later than seven days before the hearing, unless otherwise ordered by the Chairman of the Hearing Panel. Service shall be made by personal service or overnight commercial courier. The notice shall be effective upon service.

(3) Authority of Hearing Officers. A Hearing Officer shall have authority to do all things necessary and appropriate to discharge his or her duties as set forth under paragraph (d) of Rule 8.6.

(4) Witnesses. A person who is subject to the jurisdiction of the Exchange shall testify under oath or affirmation. The oath or affirmation shall be administered by a court reporter or a notary public.

(5) Additional Information. At any time during its consideration, the Hearing Panel may direct a Party to submit additional information. Any additional information submitted shall be provided to all Parties at least one day before the Hearing Panel renders its decision.

(6) Transcript. The hearing shall be recorded by a court reporter and a written transcript thereof shall be prepared. A transcript of the hearing shall be available to the Parties for purchase from the court reporter at prescribed rates. A witness may purchase a copy of the transcript of his or her own testimony from the court reporter at prescribed rates. Proposed corrections to the transcript may be submitted by affidavit to the Hearing Panel within a reasonable time determined by the Hearing Panel. Upon notice to all the Parties to the proceeding, the Hearing Panel may order corrections to the transcript as requested or sua sponte.

(7) Record and Evidence Not Admitted. The record shall consist of the notice initiating the proceeding, the declaration, and the proposed order described in subparagraph (a)(3) above; the transcript of the hearing; all evidence considered by the Hearing Panel; and any other document or item accepted into the record by the Hearing Panel. The Office of General Counsel shall be the custodian of the record. Proffered evidence that is not accepted into the record by the Hearing Panel shall be retained by the custodian of the record until the date when the Exchange's decision becomes final or, if applicable, upon the conclusion of any review by the Commission or the federal courts.

(8) Failure to Appear at Hearing. If a Respondent fails to appear at a hearing for which it has notice, the allegations in the notice and accompanying declaration may be deemed admitted, and the Hearing Panel may issue a suspension order without further proceedings. If the Exchange fails to appear at a hearing for which it has notice, the Hearing Panel may order that the suspension proceeding be dismissed.

(d) Issuance of Suspension Order by Hearing Panel

(1) Basis for Issuance. The Hearing Panel shall issue a written decision stating whether a suspension order shall be imposed. The Hearing Panel shall issue the decision not later than ten days after receipt of the hearing transcript, unless otherwise extended by the Chairman of the Hearing Panel with the consent of the Parties for good cause shown. A suspension order shall be imposed if the Hearing Panel finds:

(A) by a preponderance of the evidence that the alleged violation specified in the notice has occurred; and

(B) that the violative conduct or continuation thereof is likely to result in significant market disruption or other significant harm to investors.

(2) Content, Scope, and Form of Order. A suspension order shall:

(A) be limited to: (i) ordering a Respondent to cease and desist from violating Rule 12.15, and/or (ii) ordering a Respondent to cease and desist from providing access to the Exchange to a client of Respondent that is causing violations of Rule 12.15;

(B) set forth the alleged violation and the significant market disruption or other significant harm to investors that is likely to result without the issuance of an order;

(C) describe in reasonable detail the act or acts the Respondent is to take or refrain from taking and to suspend the Respondent unless and until such action is taken or refrained from; and

(D) include the date and hour of its issuance.

(3) Duration of Order. A suspension order shall remain effective and enforceable unless modified, set aside, limited, or revoked pursuant to paragraph (e), below.

(4) Service. The Hearing Panel's decision and any suspension order shall be served by personal service or overnight commercial courier. The suspension order shall be effective upon service.

(e) Review by Hearing Panel

At any time after the Respondent is served with a suspension order, a Party may apply to the Hearing Panel to have the order modified, set aside, limited, or revoked. The application shall set forth with specificity the facts that support the request. The Hearing Panel shall respond to the request in writing within ten days after receipt of the request, unless otherwise extended by the Chairman of the Hearing Panel with the consent of the Parties for good cause shown. The Hearing Panel's response shall be served on the Respondent via personal service or overnight commercial courier. The filing of an application under this Rule shall not stay the effectiveness of the suspension order.

(f) Application to SEC for Review

Sanctions imposed pursuant to this Rule constitute final and immediately effective disciplinary sanctions imposed by the Exchange. The right to have any action under this Rule reviewed by the Commission is governed by Section 19 of the Exchange Act. The filing of an application for review shall not stay the effectiveness of a suspension order unless the Commission otherwise orders.

Rule 8.18. Release of Disciplinary Complaints, Decisions and Other Information

(a) General Standards

(1) The Exchange shall release to the public a copy of, and at the Exchange's discretion information with respect to, any disciplinary complaint or disciplinary decision issued by the Exchange, as defined in paragraph (e) of this Rule. The Exchange shall, in response to a request, release to the requesting party a copy of any identified disciplinary complaint or disciplinary decision issued by the Exchange, as defined in paragraph (e) of this Rule.

(2) The Exchange shall release to the public a copy of, and at the Exchange's discretion information with respect to, any client suspension order issued by the Exchange pursuant to Rule 8.17.

(b) Release Specifications

(1) Copies of, and information with respect to, any disciplinary complaint released to the public pursuant to paragraph (a) of this Rule shall indicate that a disciplinary complaint represents the initiation of a formal proceeding by the Exchange in which findings as to the allegations in the complaint have not been made and does not represent a decision as to any of the allegations contained in the complaint.

(2) Copies of, and information with respect to, any disciplinary decision released to the public pursuant to paragraph (a) of this Rule prior to the expiration of the time period provided for an appeal or call for review as permitted under Exchange Rules or the Act, or while such an appeal or call for review is pending, shall indicate that the findings and sanctions imposed therein are subject to review and modification by the Exchange or the SEC.

(c) Discretion to Redact Certain Information or Waive Publication

(1) Notwithstanding paragraph (a) of this Rule, the Exchange reserves the right to redact, on a case-by-case basis, information that contains confidential customer information, including customer identities, or information that raises significant identity theft, personal safety, or privacy concerns that are not outweighed by investor protection concerns.

(2) Notwithstanding paragraph (a) of this Rule, the Exchange may determine, in its discretion, to waive the requirement to release a copy of, or information with respect to, any disciplinary complaint or disciplinary decision under those extraordinary circumstances where the release of such information would violate fundamental notions of fairness or work an injustice.

(d) Notice of Appeals of Exchange Decisions to the Commission

The Exchange shall provide notice to the public if a disciplinary decision of the Exchange is appealed to the Commission and the notice shall state whether the effectiveness of the decision has been stayed pending the outcome of proceedings before the Commission.

(e) Definitions

(1) For the purpose of this Rule, the term “**disciplinary complaint**” shall mean any statement of charges issued pursuant to Rule 8.4 or any notice served pursuant to Rule 8.17.

(2) For the purpose of this Rule, the term “**disciplinary decision**” shall mean any decision issued pursuant to this Chapter, including, decisions issued by a Hearing Panel or the Appeals Committee, accepted offers of settlement, and suspension orders pursuant to Rule 8.17; provided, however, minor rule violation plan letters issued pursuant to Rule 8.15 are not subject to this Rule.

CHAPTER 9. ARBITRATION

Rule 9.1. Code of Arbitration

Every Member or associated person of a Member shall be subject to the 12000 and 13000 Series of FINRA's Manual, the Code of Arbitration Procedure for Customer and Industry Disputes, respectively ("**FINRA Code of Arbitration**"), as the same may be in effect from time to time, except as may be specified in this Chapter, for every claim, dispute or controversy arising out of or in connection with matters eligible for submission under Rule 9.2 ("**Exchange arbitrations**"). For purposes of Exchange arbitrations, defined terms used in this Chapter and not otherwise defined herein shall have the same meaning as those prescribed in the FINRA Code of Arbitration, and procedures contained in the FINRA Code of Arbitration shall have the same application as toward Exchange arbitrations. Members shall comply with any FINRA rules and interpretations thereof incorporated by reference as if such rules and interpretations were part of the Exchange's Rules.

Rule 9.2. Matters Eligible for Submission

The FINRA Code of Arbitration is prescribed and adopted for the arbitration of any dispute, claim or controversy arising out of or in connection with the business of any Member, or arising out of the employment or termination of employment of associated person(s) with any Member:

- (a) between or among Members;
- (b) between or among Members and associated persons; and
- (c) between or among Members or associated persons and public customers, or others; except any type of dispute, claim or controversy that is not permitted to be arbitrated under the FINRA Code of Procedure.

Rule 9.3. Pre-dispute Arbitration Agreements

The requirements of FINRA Rule 2268 shall apply to pre-dispute arbitration agreements between Members and their customers as if such rule were part of the Exchange's Rules.

Rule 9.4. Referrals

If any matter comes to the attention of an arbitrator during and in connection with the arbitrator's participation in a proceeding, either from the record of the proceeding or from material or communications related to the proceeding, that the arbitrator has reason to believe may constitute a violation of the Exchange's Rules or the federal securities laws, the arbitrator may initiate a referral of the matter to the Exchange for disciplinary investigation; provided, however, that any such referral should only be initiated by an arbitrator after the matter before him has been settled or otherwise disposed of, or after an award finally disposing of the matter has been rendered pursuant to Rule 12904 or 13904, as applicable, of the FINRA Code of Arbitration.

Rule 9.5. Failure to Act under Provisions of FINRA Code of Arbitration

(a) It may be deemed conduct inconsistent with just and equitable principles of trade and a violation of Rule 3.1 for a Member or a person associated with a Member to

(1) fail to submit a dispute for arbitration under the FINRA Code of Arbitration as required by the Code;

(2) fail to comply with any injunctive order issued pursuant to the FINRA Code of Arbitration;

(3) fail to appear or to produce any document in his or her or its possession or control as directed pursuant to provisions of the FINRA Code of Arbitration;

(4) fail to honor an award, or comply with a written and executed settlement agreement, obtained in connection with an arbitration submitted for disposition under the FINRA Code of Arbitration where timely motion has not been made to vacate or modify such award pursuant to applicable law; or

(5) fail to comply with a written and executed agreement obtained in connection with a mediation submitted for disposition pursuant to the FINRA Code of Mediation.

(b) Action by Members requiring associated persons to waive the arbitration of disputes contrary to the provisions of the FINRA Code of Arbitration shall constitute conduct that is inconsistent with just and equitable principles of trade and a violation of Rule 3.1.

Rule 9.6. Non-Waiver of Exchange's Rights

The submission of any matter to arbitration or mediation under this Chapter shall in no way limit or preclude any right, action or determination by the Exchange which it would otherwise be authorized to adopt, administer or enforce.

Rule 9.7. Mediation

Members and associated persons of a Member may voluntarily agree to submit matters for mediation in accordance with the requirements of the 14000 Series of FINRA's Manual, the Code of Mediation Procedure ("**FINRA Code of Mediation**"), as the same may be in effect from time to time ("**Exchange mediations**"). For purposes of Exchange mediations, defined terms used in this Chapter and not otherwise defined herein shall have the same meaning as those prescribed in the FINRA Code of Mediation, and procedures contained in the FINRA Code of Mediation shall have the same application as toward Exchange mediations. Members shall comply with any FINRA rules and interpretations thereof incorporated by reference as if such rules and interpretations were part of the Exchange's Rules.

Rule 9.8. Regulatory Services Agreement with FINRA

Pursuant to Rule 13.7, the Exchange and FINRA are parties to a regulatory services agreement pursuant to which FINRA has agreed to perform certain functions described in this Chapter on behalf of the Exchange. Therefore, FINRA staff will perform the functions described in the FINRA Code of Arbitration and the FINRA Code of Mediation with regard to Exchange arbitrations and Exchange mediations, respectively, in the same manner as if they were FINRA arbitrations and FINRA mediations, respectively.

CHAPTER 10. ADVERSE ACTION

Rule 10.1. Scope of Chapter

This Chapter provides the procedure for persons who are or are about to be aggrieved by adverse action, including, but not limited to, those persons who have been denied membership in the Exchange, barred from becoming associated with a Member, or prohibited or limited with respect to Exchange services pursuant to the Exchange LLC Agreement or the Rules of the Exchange (other than disciplinary action for which review is provided in Chapter 8 and other than an arbitration award, from which there is no Exchange review), to apply for an opportunity to be heard and to have the complained of action reviewed.

Rule 10.2. Submission and Time Limitation on Application to Exchange

A person who is or will be aggrieved by any action of the Exchange within the scope of this Chapter and who desires to have an opportunity to be heard with respect to such action shall file a written application with the Exchange within 15 business days after being notified of such action. The application shall state the action complained of and the specific reasons why the applicant takes exception to such action and the relief sought. In addition, if the applicant intends to submit any additional documents, statements, arguments or other material in support of the application, the same should be so stated and identified.

Rule 10.3. Procedure Following Applications for Hearing

(a) Appeals Committee

Applications for hearing and reviewing shall be referred promptly by the Exchange to the Appeals Committee. A record of the proceedings shall be kept.

(b) Documents

The Appeals Committee will set a hearing date and shall be furnished with all materials relevant to the proceedings at least 72 hours prior to the date of the hearing. Each party shall have the right to inspect and copy the other party's materials prior to the hearing. Hearings shall be held promptly, particularly in the case of a summary suspension pursuant to Chapter 7 of these Rules.

Rule 10.4. Hearing and Decision

(a) Participants

The parties to the hearing shall consist of the applicant and a representative of the Exchange who shall present the reasons for the action taken by the Exchange which allegedly aggrieved the applicant.

(b) Counsel

The applicant is entitled to be accompanied, represented and advised by counsel at all stages of the proceedings.

(c) Conduct of Hearing

The Appeals Committee shall determine all questions concerning the admissibility of evidence and shall otherwise regulate the conduct of the hearing. Each of the parties shall be permitted to make an opening statement, present witnesses and documentary evidence, cross-examine opposing witnesses and present closing arguments orally or in writing as determined by the panel. The Appeals Committee also shall have the right to question all parties and witnesses to the proceeding and a record shall be kept. The formal rules of evidence shall not apply.

(d) Decision

The decision of the Appeals Committee shall be made in writing and shall be sent to the parties to the proceeding. Such decisions shall contain the reasons supporting the conclusions of the panel.

Rule 10.5. Review

(a) Petition

The decision of the Appeals Committee shall be subject to review by the Board either on its own motion within 20 business days after issuance of the decision or upon written request submitted by the applicant below, or by the CRO of the Exchange, within 15 business days after issuance of the decision. Such petition shall be in writing and shall specify the findings and conclusions to which exceptions are taken together with the reasons for such exceptions. Any objection to a decision not specified by written exception shall be considered to have been abandoned and may be disregarded. Parties may petition to submit a written argument to the Board and may request an opportunity to make an oral argument before the Board. The Board shall have sole discretion to grant or deny either request.

(b) Conduct of Review

The review shall be conducted by the Board. The review shall be made upon the record and shall be made after such further proceedings, if any, as the Board may order. Based upon such record, the Board may affirm, reverse or modify, in whole or in part, the decision below. The decision of the Board shall be in writing, shall be sent to the parties to the proceeding and shall be final.

Rule 10.6. Miscellaneous Provisions

(a) Service of Notice

Any notices or other documents may be served upon the applicant either personally or by leaving the same at his place of business or by deposit in the United States post office,

postage prepaid, by registered or certified mail, addressed to the applicant at his last known business or residence address.

(b) Extension of Time Limits

Any time limits imposed under this Chapter for the submission of answers, petitions or other materials may be extended by permission of the Exchange. All papers and documents relating to review by the Appeals Committee or the Board must be submitted to the Exchange.

Rule 10.7. Agency Review

Actions taken by the Exchange under this Chapter shall be subject to the review and action of any appropriate regulatory agency under the Act.

CHAPTER 11. TRADING RULES

As set forth in greater detail in this Chapter 11, certain rules and requirements apply to trading during Exchange Trading Hours other than the 24X Market Session, whereas certain other rules and requirements apply to trading during the 24X Market Session.

(b) Orders may be entered, canceled, modified, executed on, or routed away from, the Exchange during the Pre-Market Session, the Core Market Session, and the Post-Market Session.

(c) Orders may also be entered, canceled, modified or executed on the Exchange during the 24X Market Session. To the extent that other Trading Centers are open during the 24X Market Session, then orders may be routed away to such Trading Centers during the 24X Market Session.

(d) Orders outstanding in the System at 8:00 p.m. Eastern Time each Monday, Tuesday, Wednesday, Thursday and Friday shall be automatically cancelled.

(e) The Chief Executive Officer of the Exchange shall have the power to halt or suspend trading in any and all securities traded on the Exchange, to close some or all Exchange facilities, and to determine the duration of any such halt, suspension, or closing, when he deems such action necessary for the maintenance of fair and orderly markets, the protection of investors, or otherwise in the public interest including special circumstances such as (1) actual or threatened physical danger, severe climatic conditions, civil unrest, terrorism, acts of war, or loss or interruption of facilities utilized by the Exchange, (2) a request by a governmental agency or official, or (3) a period of mourning or recognition for a person or event. No such action shall continue longer than a period of two days, or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension.

(f) For orders eligible for trading across more than one trading session on the Exchange, trading will be continuous from one trading session to another, subject to any trading pauses, halts or suspensions as described in these Rules, and provided further that trading in each of the trading sessions shall occur in accordance with these Rules.

(g) Any orders submitted to the Exchange that have been cancelled for any reason, including but not limited to order cancellations described in paragraph (d) of this Rule and order cancellations during transitions to a new trading session in which an order type is not eligible, must be resubmitted by the Member to the Exchange to be traded after such cancellation.

Rule 11.2. Securities Eligible for Trading

(a) The Exchange shall designate securities for trading. Any class of securities listed or admitted to unlisted trading privileges on the Exchange pursuant to Chapter 14 of these Rules shall be eligible to become designated for trading on the Exchange. All securities designated for trading are eligible for odd-lot, round-lot and mixed lot executions, unless otherwise indicated by the Exchange or limited pursuant to these Rules.

(b) Notwithstanding paragraph (a) above, the Exchange may determine not to designate for trading any security admitted to unlisted trading privileges on the Exchange pursuant to Chapter 14 of these Rules when that security's consolidated average daily trading volume is equal to or less than 2,500 shares during the preceding 90 calendar days.

(c) Any security not designated for trading by the Exchange pursuant to subparagraph (b) of this Rule may be designated for trading by the Exchange if its consolidated average daily trading volume exceeds 5,000 shares over any 90 calendar day period since the security was not designated for trading pursuant to subparagraph (b) of this Rule. Nothing in this paragraph (c) shall limit the Exchange's ability to designate a security for trading pursuant to paragraph (a) of this Rule.

(d) The Exchange shall provide notice to Members as promptly as practicable prior to each Core Market Session at least one calendar day in advance of any securities it is making unavailable for trading pursuant to subparagraph (b) of this Rule, and any securities it is making available for trading under subparagraph (c) of Rule 11.2.

Rule 11.3. Access

(a) General. The System shall be available for the entry and execution of orders by Users with authorized access. To obtain authorized access to the System, each User must enter into a User Agreement with the Exchange in such form as the Exchange may provide ("**User Agreement**").

(b) Sponsored Participants. A Sponsored Participant may obtain authorized access to the System only if such access is authorized in advance by one or more Sponsoring Members as follows:

(1) Sponsored Participants must enter into and maintain customer agreements with one or more Sponsoring Members establishing proper relationship(s) and account(s) through which the Sponsored Participant may trade on the System. Such customer agreement(s) must incorporate the Sponsorship Provisions set forth in paragraph (2) below.

(2) For a Sponsored Participant to obtain and maintain authorized access to the System, a Sponsored Participant and its Sponsoring Member must agree in writing to the following Sponsorship Provisions:

(A) Sponsored Participant and its Sponsoring Member must have entered into and maintained a User Agreement with the Exchange.

(B) Sponsoring Member acknowledges and agrees that:

(i) All orders entered by the Sponsored Participants and any person acting on behalf of or in the name of such Sponsored Participant and any executions occurring as a result of such orders are binding in all respects on the Sponsoring Member, and

(ii) Sponsoring Member is responsible for any and all actions taken by such Sponsored Participant and any person acting on behalf of or in the name of such Sponsored Participant.

(C) Sponsoring Member shall comply with the Exchange's Certificate of Formation, Exchange LLC Agreement, Rules and procedures, and Sponsored Participant shall comply with the Exchange's Certificate of Formation, Exchange LLC Agreement, Rules and procedures, as if Sponsored Participant were a Member.

(D) Sponsored Participant shall maintain, keep current and provide to the Sponsoring Member, and to the Exchange upon request, a list of Authorized Traders who may obtain access to the System on behalf of the Sponsored Participant. Sponsored Participant shall be subject to the obligations of Rule 11.4 with respect to such Authorized Traders.

(E) Sponsored Participant shall familiarize its Authorized Traders with all of the Sponsored Participant's obligations under this Rule and will assure that they receive appropriate training prior to any use or access to the System.

(F) Sponsored Participant may not permit anyone other than Authorized Traders to use or obtain access to the System.

(G) Sponsored Participant shall take reasonable security precautions to prevent unauthorized use or access to the System, including unauthorized entry of information into the System, or the information and data made available therein. Sponsored Participant understands and agrees that Sponsored Participant is responsible for any and all orders, trades and other messages and instructions entered, transmitted or received under identifiers, passwords and security codes of Authorized Traders, and for the trading and other consequences thereof.

(H) Sponsored Participant acknowledges its responsibility to establish adequate procedures and controls that permit it to effectively monitor its employees', agents' and customers' use and access to the System for compliance with the terms of this agreement.

(I) Sponsored Participant shall pay when due all amounts, if any, payable to Sponsoring Member, the Exchange or any other third parties that arise from the Sponsored Participant's access to and use of the System. Such amounts include but are not limited to applicable exchange and regulatory fees.

(3) The Sponsoring Member must provide the Exchange with a written statement in form and substance acceptable to the Exchange identifying each Sponsored Participant by name and acknowledging its responsibility for the orders, executions and actions of such Sponsored Participant.

(c) **Data Recipients.** The System shall be available for receipt of the Exchange's data products specified in Exchange Rule 13.8 (collectively, "**Exchange data products**") by data recipients with authorized access ("**Data Recipients**"). To obtain authorized access to the Exchange data products, each Data Recipient must enter into a Data Agreement with the Exchange in such form as the Exchange may provide ("**Data Agreement**").

(d) **Service Bureaus.** The System shall be available for entry and execution of orders by Members with authorized access via a service bureau with authorized access ("**Service Bureau**"). To obtain authorized access to the System, each Service Bureau must enter into a Service Bureau Agreement with the Exchange in such form as the Exchange may provide ("**Service Bureau Agreement**").

(e) **Extranet Providers.** The System shall be available for entry and execution of orders by Members with authorized access via connectivity to the Exchange provided by an extranet provider with authorized access ("**Extranet Provider**"). To obtain authorized access to the System, each Extranet Provider must enter into a Connectivity Services Agreement with the Exchange in such form as the Exchange may provide ("**Connectivity Services Agreement**" including the "**Extranet Addendum**") and support a minimum data exchange rate, as may be determined by the Exchange from time to time and disseminated in information circulars.

Rule 11.4. Authorized Traders

(a) A Member shall maintain a list of ATs who may obtain access to the System on behalf of the Member or the Member's Sponsored Participants. The Member shall update the list of ATs as necessary. Members must provide the list of ATs to the Exchange upon request.

(b) A Member must have reasonable procedures to ensure that all ATs comply with all Exchange Rules and all other procedures related to the System.

(c) A Member must suspend or withdraw a person's status as an AT if the Exchange has determined that the person has caused the Member to fail to comply with the Rules of the Exchange and the Exchange has directed the Member to suspend or withdraw the person's status as an AT.

(d) A Member must have reasonable procedures to ensure that the ATs maintain the physical security of the equipment for accessing the facilities of the Exchange to prevent the improper use or access to the systems, including unauthorized entry of information into the systems.

(e) To be eligible for registration as an AT of a Member a person must successfully complete the General Securities Representative Examination (Series 7), the Securities Traders Qualification Examination (Series 57) and any other training and/or certification programs as may be required by the Exchange. An individual required to register as either the General Securities Representative or a Securities Trader must also take and pass the Securities Industry Essentials Examination (“SIE”).

Rule 11.5. Input of Accurate Information

Members of the Exchange shall input accurate information into the System, including, but not limited to, whether the Member is acting in a principal, agent, or riskless principal capacity for each order it enters. If such capacity is not inputted by the Member for each order it enters, the Member’s order will be rejected back by the Exchange.

Rule 11.6. Definitions

For purposes of this Chapter, the following definitions shall apply:

(a) **Cancel Back.** An instruction the User may attach to an order instructing the System to immediately cancel the order when, if displayed by the System on the 24X Book at the time of entry, or upon return to the System after being routed away, would create a violation of Rule 610(e) of Regulation NMS or Rule 201 of Regulation SHO, or the order cannot otherwise be executed or posted by the System to the 24X Book at its limit price.

(b) **Crossing Quotation.** The display of a bid (offer) for an NMS stock at a price that is higher (lower) than the price of an offer (bid) for such NMS stock previously disseminated pursuant to an effective national market system plan in violation of Rule 610(e) of Regulation NMS.

(c) **Display Options**

(1) **Displayed.** An instruction the User may attach to an order stating that the order is to be displayed by the System on the 24X Book.

(2) **Non-Displayed.** An instruction the User may attach to an order stating that the order is not to be displayed by the System on the 24X Book.

(d) **Locking Price.** The price at which an order to buy (sell), that if displayed by the System on the 24X Book, either upon entry into the System, or upon return to the System after being routed away, would be a Locking Quotation.

(e) **Locking Quotation.** The display of a bid for an NMS stock at a price that equals the price of an offer for such NMS stock previously disseminated pursuant to an

effective national market system plan, or the display of an offer for an NMS stock at a price that equals the price of a bid for such NMS stock previously disseminated pursuant to an effective national market system plan in violation of Rule 610(e) of Regulation NMS.

(f) **Minimum Execution Quantity.** An instruction a User may attach to an order with a Non-Displayed instruction or a TIF of IOC instruction requiring the System to execute the order only to the extent that a minimum quantity can be satisfied. An order with the Minimum Execution Quantity instruction will only execute upon entry against a single order resting on the 24X Book. If, upon entry, there are no orders that satisfy the minimum quantity condition resting on the 24X Book, the order will either be posted to the 24X Book at its limit price or cancelled in accordance with the terms of the order. However, an order with a Minimum Execution Quantity will be cancelled where, if posted, it would cross the displayed price of an order on the 24X Book. An order to buy (sell) with a Minimum Execution Quantity instruction that is ranked in the 24X Book will not be eligible to trade: (i) at a price equal to or above (below) any sell (buy) orders that are Displayed and that have a ranked price equal to or below (above) the price of such order with a Minimum Execution Quantity instruction; or (ii) at a price above (below) any sell (buy) order that is Non-Displayed and has a ranked price below (above) the price of such order with a Minimum Execution Quantity instruction. However, an order with a Minimum Execution Quantity instruction that crosses an order on the 24X Book may execute at a price less aggressive than its ranked price against an incoming order so long as such execution is consistent with the above restrictions. An order with a Minimum Execution Quantity instruction may be partially executed so long as the execution size of the individual order is equal to or exceeds the quantity provided in the instruction. Any shares remaining after a partial execution will continue to be executed at a size that is equal to or exceeds the quantity provided in the instruction. If posted to the 24X Book, the order may only execute against individual incoming orders with a size that satisfies the minimum quantity condition. An order with the Minimum Execution Quantity instruction cedes execution priority when it would lock or cross an order against which it would otherwise execute if it were not for the minimum execution size restriction. If a resting Non-Displayed sell (buy) order did not meet the minimum quantity condition of a same-priced resting order to buy (sell) with a Minimum Execution Quantity instruction, a subsequently arriving sell (buy) order that meets the minimum quantity condition will trade ahead of such resting Non-Displayed sell (buy) order at that price. Where the number of shares remaining after a partial execution are less than the quantity provided in the instruction, the Minimum Execution Quantity shall be equal to the number of shares remaining. An order that includes a Minimum Execution Quantity instruction is not eligible to be routed to another Trading Center in accordance with Rule 11.10.

(g) **Minimum Price Variation.** Bids, offers, or orders in securities traded on the Exchange shall not be made in an increment smaller than: (i) \$0.01 if those bids, offers, or orders are priced equal to or greater than \$1.00 per share; or (ii) \$0.0001 if those bids, offers, or orders are priced less than \$1.00 per share; or (iii) any other increment established by the Commission for any security which has been granted an exemption from the minimum price increments requirements of SEC Rule 612(a) or 612(b) of Regulation NMS.

(h) **Pegged Order.** An order that automatically re-prices in response to changes in the NBBO, as further described in Rule 11.7(c). A User entering a Pegged Order can specify that the order's price will peg to the NBB or NBO or a certain amount away from the NBB or NBO (offset) or the midpoint of the NBBO, as described below.

(1) **Primary Peg.** An order with instructions to peg to the NBB, for a buy order, or the NBO, for a sell order. A User may, but is not required to, select an offset equal to or greater than \$0.01 above or below the NBB or NBO that the order is pegged to (Primary Peg with Offsets). A User submitting a Pegged Order with a Primary Peg instruction may, but is not required to, include a limit price on such order.

(2) **Midpoint Peg.** A Pegged Order with an instruction to peg to the midpoint of the NBBO. A User submitting a Pegged Order with a Midpoint Peg instruction may, but is not required to, include a limit price on such order. A Pegged Order with a Midpoint Peg instruction and a limit price that is more aggressive than the midpoint of the NBBO will execute at the midpoint of the NBBO or better subject to its limit price. A Pegged Order with a Midpoint Peg instruction may execute at its limit price or better when its limit price is less aggressive than the midpoint of the NBBO. A Pegged Order with a Midpoint Peg instruction will be ranked at the midpoint of the NBBO where its limit price is equal to or more aggressive than the midpoint of the NBBO. In such case, pursuant to Rule 11.8, all Pegged Orders with a Midpoint Peg instruction that are ranked at the midpoint of the NBBO will retain their priority as compared to each other based upon the time such orders were initially received by the System. A Pegged Order with a Midpoint Peg instruction will be ranked at its limit price where its limit price is less aggressive than the midpoint of the NBBO.

(i) **Permitted Price.** The price at which a sell order will be displayed at one Minimum Price Variation above the NBB.

(j) **Re-Pricing.**

(1) **Re-Pricing Instructions to Comply with Rule 610(e) of Regulation NMS**

(A) **Display-Price Sliding.**

(i) An order instruction requiring that where an order would be a Locking Quotation or Crossing Quotation of an external market if displayed by the System on the 24X Book at the time of entry, will be ranked at the Locking Price in the 24X Book and displayed by the System at one Minimum Price Variation lower (higher) than the Locking Price for orders to buy (sell). A User may elect to have the System only apply the Display-Price Sliding instruction to the extent a display-eligible order at the time of entry would be a Locking Quotation. For Users that select this portion of the

Display-Price Sliding instruction, any order will be cancelled if, upon entry, such order would be a Crossing Quotation of an external market.

(ii) An order subject to the Display-Price Sliding instruction will retain its original limit price irrespective of the prices at which such order is ranked and displayed. In the event the NBBO changes such that an order subject to the Display-Price Sliding instruction would not be a Locking Quotation or Crossing Quotation, the order will receive a new timestamp, and will be displayed at the most aggressive permissible price. All orders that are re-ranked and re-displayed pursuant to the Display-Price Sliding instruction will retain their priority as compared to other orders subject to the Display-Price Sliding instruction based upon the time such orders were initially received by the Exchange. Following the initial ranking and display of an order subject to the Display-Price Sliding instruction, an order will only be re-ranked and re-displayed to the extent it achieves a more aggressive price, provided, however, that (x) the Exchange will re-rank an order at the same price as the displayed price in the event such order's displayed price would be a Locking Quotation or Crossing Quotation, which event will not result in a change in priority for the order at its displayed price, and (y) when an away Trading Center publishes a Protected Quotation that locks or crosses the displayed price of a resting Limit Order of Odd Lot size with a multiple price sliding instruction (as described in sub-paragraph (iii) below) and the Exchange does not have a Protected Quotation displayed at such price, the resting Limit Order will be ranked at the Locking Price in the 24X Book and displayed by the System at one Minimum Price Variation lower (higher) than the Locking Price for orders to buy (sell).

(iii) The ranked and displayed prices of an order subject to the Display-Price Sliding instruction may be adjusted once or multiple times depending upon the instructions of a User and changes to the prevailing NBBO. A User that submits an order with a Display-Price Sliding instruction must select either single or multiple price sliding. The Exchange's single price sliding process will only adjust the ranked and displayed prices of an order upon entry and then the displayed price one time following a change to the prevailing NBBO, provided however, that if such an order's displayed price becomes a Locking Quotation or Crossing Quotation then the Exchange will adjust the ranked price of such order and it will not be further re-ranked or redisplayed at any other price. Orders subject to the Exchange's multiple price sliding process will be further re-ranked and re-displayed as permissible based on changes to the prevailing NBBO.

(iv) Any display-eligible order with a Post Only instruction that would be a Locking Quotation or Crossing Quotation of the Exchange upon entry will be cancelled. In the event the NBBO changes such that an order with a Post Only instruction subject to Display-Price Sliding instruction would be ranked at a price at which it could remove displayed liquidity from the 24X Book, the order will be cancelled.

(v) An order with a Post Only instruction will be permitted to post and be displayed opposite the ranked price of orders subject to Display-Price Sliding instruction. In the event an order subject to the Display-Price Sliding instruction is ranked on the 24X Book with a price equal to an opposite side order displayed by the Exchange, it will be subject to processing as set forth in Rule 11.9(a)(4).

(2) Re-Pricing Instructions to Comply with Rule 201 of Regulation SHO.

(A) An order to sell with a Short Sale instruction that, at the time of entry, could not be executed or displayed in compliance with Rule 201 of Regulation SHO will be re priced by the System at the Permitted Price. A User that submits an order with a short sale re-pricing instruction must select either single or multiple price sliding. The Exchange's single price sliding process will only re-price an order upon entry. To reflect declines in the NBB, the Exchange's multiple price sliding process will continue to re-price and re-display a short sale order at the Permitted Price down to the order's limit price. In the event the NBB changes such that the price of an order of Odd Lot size or with a Non-Displayed instruction subject to Rule 201 of Regulation SHO would be a Locking Quotation or Crossing Quotation, the order will be cancelled.

(B) When a Short Sale Circuit Breaker is in effect, the System may execute a sell order with a Displayed and Short Sale instruction at the price of the NBB if, at the time of initial display of the sell order with a Short Sale instruction, the order was at a price above the then current NBB.

(C) Orders with a Short Exempt instruction will not be subject to repricing under this section.

(D) If an order is subject to a Display-Price Sliding instruction and also contains a Short Sale instruction when a Short Sale Circuit Breaker is in effect, the re-pricing instructions to comply with Rule 201 of Regulation SHO under this Rule will apply.

(k) Reserve Quantity. The portion of an order that includes a Non-Displayed instruction in which a portion of that order is also displayed on the 24X Book. Both the

portion of the order with a Displayed instruction and the Reserve Quantity are available for execution against incoming orders.

(1) Replenishment Amounts. If the portion of the order with a Displayed instruction is reduced to less than a Round Lot, the System will, in accordance with the User's instruction, replenish the displayed quantity from the Reserve Quantity using one of the below replenishment instructions. Under either instruction below, any order with a Reserve Quantity will be handled as a new order by the System and a new order identification number will be created each time a displayed quantity is replenished. The Exchange will obfuscate the unique order identification number on its data feeds for replenishment of an order with Reserve Quantity. If the remainder of an order is less than the replenishment amount, the Exchange will replenish and display the entire remainder of the order. A User must instruct the Exchange as to the quantity of the order to be initially displayed by the System ("**Max Floor**") when entering an order with a Reserve Quantity, which is also used to determine the replenishment amount, as set forth below.

(A) Random Replenishment. An instruction a User may attach to the Reserve Quantity of an order where replenishment quantities for the order are randomly determined by the System in Round Lot increments only within a replenishment range established by the User. In particular, the User entering an order into the System subject to the Random Replenishment instruction must select a replenishment value and Max Floor. The actual quantity that will be initially displayed will be the Max Floor. The displayed replenishment quantities will then be determined by the System by randomly selecting a number of shares within a replenishment range that is between: (i) the Max Floor minus the replenishment value; and (ii) the Max Floor plus the replenishment value. A User entering an order into the System subject to the Random Replenishment instruction must either select immediate replenishment or to have the time interval of such replenishment randomly set by the Exchange. If a User has selected a random time interval, the System will randomly replenish the User's displayed replenishment quantity at different time intervals ranging up to one (1) millisecond following each execution that triggers replenishment. The non-displayed portion of an order subject to Random Replenishment will remain fully executable prior to the replenishment of a User's displayed quantity.

(B) Fixed Replenishment. For an order for which the Random Replenishment instruction has not been selected, the System will replenish the displayed quantity of the order to the Max Floor designated by the User.

(l) Routing/Posting Instructions

(1) Book Only. An order instruction stating that an order will be matched against an order on the 24X Book or posted to the 24X Book but will not route to an away Trading Center.

(2) **Post Only.** An instruction that may be attached to an order that is to be ranked and executed on the Exchange pursuant to Rule 11.8 and Rule 11.9(a)(4) or cancelled, as appropriate, without routing away to another Trading Center except that the order will not remove liquidity from the 24X Book, except as described below. An order with a Post Only instruction will remove contra-side liquidity from the 24X Book if the order is an order to buy or sell a security priced below \$1.00 or if the value of such execution when removing liquidity equals or exceeds the value of such execution if the order instead posted to the 24X Book and subsequently provided liquidity, including the applicable fees charged or rebates provided. To determine at the time of a potential execution whether the value of such execution when removing liquidity equals or exceeds the value of such execution if the order instead posted to the 24X Book and subsequently provided liquidity, the Exchange will use the highest possible rebate paid and highest possible fee charged for such executions on the Exchange.

(m) **Short Sale.** An instruction on an order which shall have the same meaning as defined in Rule 200(a) of Regulation SHO.

(n) **Short Exempt.** An instruction on an order with a Short Sale instruction that satisfies the requirements set forth in Rule 201 of Regulation SHO.

(o) **Time-in-Force (“TIF”).**

(1) **Immediate-or-Cancel (“IOC”).** An instruction the User may attach to an order stating the order is to be executed in whole or in part as soon as such order is received. The portion not executed immediately on the Exchange or another Trading Center (pursuant to Rule 11.10) is treated as cancelled and is not posted to the 24X Book. An order with an IOC instruction that does not include a Book Only instruction and that cannot be executed in accordance with Rule 11.9(a)(4) on the System when reaching the Exchange will be eligible for routing away pursuant to Rule 11.10.

(2) **Regular Hours Only (“RHO”).** An instruction the User may attach to an order stating that an order to buy or sell is designated for execution during the Core Market Session, and, if not executed, expires at the end of the Core Market Session. Any order with a TIF instruction of RHO entered into the System before the opening or after the closing of the Core Market Session will be rejected.

(3) **Fill-or-Kill (“FOK”).** An instruction the User may attach to an order stating that the order is to be executed in its entirety as soon as it is received and, if not so executed, cancelled. An order with a FOK instruction is not eligible for routing away pursuant to Rule 11.10.

(4) **Extended Hours (“Day+”).** An instruction the User may attach to an order stating that an order to buy or sell is designated for execution during one 24X Trading Day, starting at 9:00 p.m. on one calendar day and, if not executed, expires by 8:00 p.m. on the next calendar day.

(5) Good-'til Time (“GTT”). An instruction the User may attach to an order specifying the time of day at which the order expires, which is designated for execution during one 24X Trading Day, starting at 9:00 p.m. on one calendar day. Any unexecuted portion of an order with a TIF instruction of GTT will be cancelled at the expiration of the User’s specified time, which can be no later than 8:00 p.m. on the next calendar day.

(p) Trading Center. Shall mean any trading center as defined in Rule 600(b)(106) of the Act.

(q) Units of Trading. The unit of trading in stocks is one (1) share.

(1) Round Lot. A Round Lot for each NMS Stock shall be the size assigned by the primary listing market pursuant to Rule 600 of Regulation NMS under the Exchange Act. Orders that are a Round Lot are eligible to be Protected Quotations.

(2) Odd Lot. Any amount less than a Round Lot. Orders of Odd Lot size are only eligible to be Protected Quotations if aggregated to form a Round Lot.

(3) Mixed Lot. Any amount greater than a Round Lot that is not an integer multiple of a Round Lot shall constitute a Mixed Lot. Odd Lot portions of orders of Mixed Lot size are only eligible to be Protected Quotations if aggregated to form a Round Lot.

Rule 11.7. Order Types and Modifiers

Users may enter into the System the types of orders listed in this Rule 11.7, subject to the limitations set forth in this Rule or elsewhere in these Rules. By default, orders are limited to a maximum of 1,000,000 shares or \$30,000,000.00.

(a) Market Order. An order to buy or sell a stated amount of a security that is to be executed at the NBBO or better when the order reaches the Exchange.

(1) Time-In-Force. Subject to paragraph (4) below, a Market Order must have one of the following TIF instructions: RHO, IOC, FOK. A Market Order that includes a TIF instruction of FOK will be cancelled if not executed in full immediately after entry into the System.

(2) Size. Market Orders may be an Odd Lot, Round Lot, or Mixed Lot. A User may attach a Minimum Execution Quantity instruction to a Market Order with a TIF instruction of IOC.

(3) Display. A Market Order is not eligible to be displayed on the 24X Book and will be cancelled if not executed by the System or routed to a Trading Center pursuant to paragraph (a)(5) below.

(4) Session. A Market Order is eligible for execution by the System during the Core Market Session only. A Market Order is not eligible for execution by the System during the Pre-Market Session, the Post-Market Session or the 24X Market Session.

(5) Routing. Any Market Order that does not include a Book Only instruction or a TIF instruction of FOK and cannot be executed in accordance with Rule 11.9(a)(4) on the System when reaching the Exchange will be eligible for routing to a Trading Center pursuant to Rule 11.10. If a Market Order is routed, any portion of the Market Order not executed upon return to the System after being routed to an away Trading Center will be cancelled.

(6) Execution. A Market Order shall not trade through a Protected Quotation. A Market Order with a Book Only instruction will be cancelled if, when reaching the Exchange, it cannot be executed on the System in accordance with Rule 11.10. Any portion of a Market Order that would execute at a price more than \$0.50 or 5 percent worse than the NBBO at the time the order initially reaches the Exchange, whichever is greater, will be cancelled.

(7) No Available NBBO. A Market Order received by the System when the NBBO is not available will be rejected or cancelled back to the entering User.

(b) Limit Order. An order to buy or sell a stated amount of a security at a specified price or better. A marketable Limit Order is a Limit Order to buy (sell) at or above (below) the lowest (highest) Protected Offer (Protected Bid) for the security.

(1) Time-in-Force. Subject to paragraphs (6) and (7) below, a Limit Order must have one of the following TIF instructions: RHO, IOC, FOK, GTT or Day+. Limit Orders with a TIF instruction of IOC that do not include a Book Only instruction and that cannot be executed in accordance with Rule 11.9(a)(4) on the System when reaching the Exchange will be eligible for routing away pursuant to Rule 11.10. A Limit Order with a TIF instruction of FOK is not eligible for routing away pursuant to Rule 11.10.

(2) Size. A Limit Order may be an Odd Lot, Round Lot or Mixed Lot. A User may include a Minimum Execution Quantity instruction for a Limit Order with a Non-Displayed instruction or TIF of IOC.

(3) Display. A Limit Order may include a Displayed instruction or a Non-Displayed instruction.

(4) Reserve. A Limit Order with a Displayed instruction may include a Reserve Quantity, which will not be displayed by the System. A Limit Order with both a Displayed instruction and Reserve Quantity must include a replenishment instruction and a replenishment amount.

(5) Intermarket Sweep Order (“ISO”). The System will accept ISOs (as such term is defined in Regulation NMS). To be eligible for treatment as an ISO, the order must be: (i) a Limit Order; (ii) marked “ISO”; and (iii) the User entering the order must simultaneously route one or more additional Limit Orders marked “ISO,” if necessary, to away Trading Centers to execute against the full displayed size of any Protected Quotation for the security with a price that is superior to the limit price of the ISO entered in the System. Such orders, if they meet the requirements of the foregoing sentence, may be executed at one or multiple price levels in the System without regard to Protected Quotations at away Trading Centers consistent with Regulation NMS (i.e., may trade through such quotations).

The Exchange relies on the marking of an order as an ISO when handling such order, and thus, it is the entering Member’s responsibility, not the Exchange’s responsibility, to comply with the requirements of Regulation NMS relating to ISOs. ISOs are not eligible for routing pursuant to Rule 11.10. Incoming ISOs must have a TIF instruction of RHO, Day+, GTT, or IOC. Incoming ISOs cannot include a TIF instruction of FOK. Any unfilled portion of an incoming ISO with a RHO, GTT, or Day+ instruction will be posted by the System to the 24X Book at the entered limit price. An incoming ISO with a Post Only and TIF instruction of GTT or RHO will be cancelled without execution if, when entered, it is immediately marketable against an order with a Displayed instruction resting in the 24X Book unless such order removes liquidity pursuant to Rule 11.6(1)(2). A User entering an incoming ISO with TIF instruction of RHO or Day+ represents that such User has simultaneously routed one or more additional Limit Orders marked “ISO,” if necessary, to away Trading Centers to execute against the full displayed size of any Protected Quotation for the security with a price that is superior or equal to the limit price of the ISO entered in the System. Incoming ISOs may be an Odd Lot, Round Lot, or Mixed Lot. A User may include a Minimum Execution Quantity instruction for an incoming ISO with an IOC instruction.

(6) Session. A Limit Order can be eligible for execution during the Pre-Market Session, Core Market Session, Post-Market Session and the 24X Market Session.

(7) Routing/Posting. A Limit Order may include a Post Only or Book Only instruction. Unless a Limit Order includes a Post Only or Book Only instruction, a marketable Limit Order will be eligible to be routed to a Trading Center pursuant to Rule 11.10.

(8) Locked or Crossed Market. To the extent an incoming Limit Order with a Non-Displayed instruction would be a Crossing Quotation if displayed at its limit price, such order will execute against interest in the 24X Book at prices up to and including the Locking Price and will then be cancelled by the System. A resting Limit Order with a Non-Displayed instruction that would be a Crossing Quotation if displayed at the price at which it is ranked will be cancelled by the System unless such order is eligible for routing, in which case such order will be routed according to the User’s instructions. When an away Trading Center publishes a Protected

Quotation that locks or crosses the displayed price of a resting Limit Order of Odd Lot size with a Displayed instruction and the Exchange does not have a Protected Quotation displayed at such price, such order will be cancelled by the System unless: (A) such order contains a multiple price sliding instruction, in which case such order will be re-priced pursuant to Rule 11.6(j)(1)(A); or (B) such order is eligible for routing, in which case such order will be routed according to the User's instructions.

The following functionality described in paragraphs (9) – (10) below is available for Limit Orders that are posted to the 24X Book.

(9) Re-Pricing Instructions to Comply with Rule 610 of Regulation NMS. A Limit Order may include a Display-Price Sliding instruction or a Cancel Back instruction. A Limit Order to buy (sell) with a limit price that would be a Crossing Quotation at the time of entry into the System will not execute at a price that is higher (lower) than the Locking Price. An incoming ISO that includes a Post Only and TIF instruction of GTT, RHO, or Day+ may be displayed at prices equal to or more aggressive than the Locking Price. However, the System will immediately Cancel Back an ISO that includes a Post Only and TIF instruction of GTT, RHO, or Day+ if the System is displaying orders on the 24X Book at the Locking Price at the time of the ISO's entry in the System unless such order removes liquidity pursuant to Rule 11.6(l)(2).

(10) Re-Pricing Instructions to Comply with Rule 201 of Regulation SHO. A Limit Order that includes a Short Sale instruction that is not marked Short Exempt, and that cannot be executed in the System or displayed by the System on the 24X Book at its limit price because a Short Sale Circuit Breaker is in effect, will be subject to the Re-Pricing Instruction to comply with Rule 201 of Regulation SHO if the order includes a Display-Price Sliding instruction or will be subject to the Cancel Back instruction. The System will immediately Cancel Back an incoming ISO combined with a TIF instruction of GTT, RHO or Day+ and a Short Sale instruction that does not include a Short Exempt instruction and that cannot be executed or displayed at its limit price at the time of entry into the System because of the existence of a Short Sale Circuit Breaker.

(c) Pegged Order. A User may indicate to peg an order to a reference price, including an instruction of Primary Peg (the NBB for buy orders and NBO for sell orders, with or without offsets) or an instruction of Midpoint Peg (the midpoint of the NBBO). The System's calculation of the NBBO does not take into account any Pegged Orders that are resting on the 24X Book. A new timestamp is created for a Pegged Order each time it is automatically re-priced.

(1) Time-in-Force. Subject to paragraph (4) below, a Pegged Order may contain the following TIF instructions: RHO, FOK, IOC, Day+ or GTT; provided, however, a Pegged Order is not eligible for execution in the 24X Market Session. Any unexecuted portion of a Pegged Order with a TIF instruction of RHO

or GTT that is resting on the 24X Book will receive a new timestamp each time it is re-priced in response to changes in the midpoint of the NBBO.

(2) Size. Pegged Orders may be entered as an Odd Lot, Round Lot or Mixed Lot. A User may include a Minimum Execution Quantity instruction.

(3) Display. Pegged Orders are not eligible to include a Displayed instruction.

(4) Session. Pegged Orders may be executed during the Pre-Market Session, the Core Market Session, and the Post-Market Session. A Pegged Order is not eligible for execution by the System during the 24X Market Session.

(5) Routing/Posting. A Pegged Order may include a Book Only or Post Only instruction. Pegged Orders are not eligible for routing pursuant to Rule 11.10.

(6) Locked or Crossed Market. To the extent an incoming Pegged Order would be a Crossing Quotation if displayed at the price at which it would be ranked in the 24X Book, such order will execute against interest in the 24X Book at prices up to and including the Locking Price and will then be cancelled by the System. A Pegged Order resting on the 24X Book is not eligible for execution when a Locking or Crossing Quotation exists. In such cases, a Pegged Order would rest on the 24X Book and would not be eligible for execution in the System until a Locking Quotation or Crossing Quotation no longer exists.

(7) No Available NBBO. A Pegged Order received by the System when the NBBO is not available will be rejected or cancelled back to the entering User. A Pegged Order resting on the 24X Book will be cancelled back to the User when the NBB or NBO that the order is pegged to is no longer available.

Rule 11.8. Priority of Orders

(a) Ranking. Orders of Users shall be ranked and maintained in the 24X Book based on the following priority:

(1) Price. The highest-priced order to buy (lowest-priced order to sell) shall have priority over all other orders to buy (sell) in all cases.

(2) Time. Subject to the execution process described in Rule 11.9(a), the following priority rules shall apply:

(A) Where orders to buy (sell) are entered into the System at the same price, the order clearly established as the first entered into the System at such particular price shall have precedence at that price, up to the number of shares of stock specified in the order. Except as provided in paragraphs (B) and (C) below, the System shall rank equally priced trading interest within the System in time priority in the following order:

- (i) The portion of a Limit Order with a Displayed instruction;
- (ii) Limit Orders with a Non-Displayed instruction;
- (iii) Orders with a Primary Peg instruction;
- (iv) Orders with a Midpoint Peg instruction; and
- (v) Reserve Quantity of Limit Orders.

(B) At the Midpoint of the NBBO. Where orders to buy (sell) are priced at the midpoint of the NBBO, the order clearly established as the first priced at the midpoint of the NBBO within each sub-paragraph below shall have precedence at the mid-point of the NBBO, up to the number of shares of stock specified in the order. The System shall rank trading interest priced at the midpoint of the NBBO within the System in time priority in the following order:

- (i) Limit Orders to which the Display-Price Sliding instruction has been applied;
- (ii) Limit Orders with a Non-Displayed instruction;
- (iii) Orders with a Primary Peg instruction;
- (iv) Orders with a Midpoint Peg instruction; and
- (v) Reserve Quantity of Limit Orders.

(C) Where buy (sell) orders are using instructions that cause them to be re-ranked by the System upon clearance of a Locking Quotation, the System shall re-rank and display such orders at the Locking Price in time priority in the following order:

- (i) Limit Orders to which the ISO instruction has been applied that also contain a TIF instruction of RHO when such orders establish a new NBBO at the Locked Price; and
- (ii) Limit Orders to which the Display-Price Sliding instruction has been applied.

(D) For purposes of paragraphs (A) and (B) above, orders re-ranked subject to the Re-Pricing instruction to comply with Rule 201 of Regulation SHO under Rule 11.6(j)(2) maintain the same priority as Limit Orders at that price.

(3) STP Modifiers. Pursuant to Rule 11.9(d), users may direct that orders entered into the System not execute against orders entered under the same Unique Identifier. In such a case, the System will not permit such orders to execute against one another, regardless of priority ranking.

(4) Cancel/Replace. In the event an order has been cancelled or replaced in accordance with Rule 11.9(e) below, such order only retains time priority if such modification involves a decrease in the size of the order, a change to Max Floor of an order with a Reserve Quantity, the sell long indicator, or Short Sale instruction. Any other modification to an order, including an increase in the size of the order and/or price change, will result in such order losing time priority as compared to other orders in the 24X Book and the timestamp for such order being revised to reflect the time of the modification.

(5) In the event that an order is executed against an incoming order in accordance with Rule 11.9 for less than its full size, the unexecuted size of the order shall retain its original time priority and be ranked in accordance with paragraphs (1) and (2) above.

(6) Replenishment from Reserve Quantity. The displayed quantity of a Limit Order shall have time priority as of the time of display. A new timestamp is created for the displayed portion and Reserve Quantity of the order each time it is replenished from the Reserve Quantity.

(b) Dissemination.

(1) The best-ranked order(s) to buy and the best-ranked order(s) to sell that are displayable in the 24X Book and the aggregate displayed size of such orders associated with such prices shall be collected and made available to quotation vendors for dissemination pursuant to the requirements of Rule 602 of Regulation NMS.

(2) Pursuant to Rule 602 of Regulation NMS, the Exchange will transmit for display to the appropriate SIP for each security:

(A) the highest price to buy wherein the aggregate size of all displayed buy interest in the System greater than or equal to that price is one Round Lot or greater;

(B) the aggregate size of all displayed buy interest in the System greater than or equal to the price in (A), rounded down to the nearest Round Lot;

(C) the lowest price to sell wherein the aggregate size of all displayed sell interest in the System less than or equal to that price is one Round Lot or greater; and

(D) the aggregate size of all displayed sell interest in the System less than or equal to the price in (C), rounded down to the nearest Round Lot.

Rule 11.9. Order Execution

(a) Execution. Subject to the restrictions under these Exchange Rules or the Act and the rules and regulations thereunder, orders shall be matched for execution in accordance with this Rule 11.9. For purposes of this Rule 11.9, any order falling within the parameters of this paragraph shall be referred to as “executable.” An order will be cancelled back to the User, if based on market conditions, User instructions, applicable Exchange Rules and /or the Act and the rules and regulations thereunder, such order is not executable, cannot be routed to another Trading Center pursuant to Rule 11.10 or cannot be posted to the 24X Book.

(1) Compliance with Regulation SHO. For any execution of an order that includes a Short Sale instruction to occur on the Exchange when a short sale price test restriction under Rule 201 of Regulation SHO is in effect for the covered security, the price must be above the current NBB, unless the sell order was initially displayed by the System at a price above the then current NBB or is marked “short exempt” pursuant to Regulation SHO.

(2) Compliance with Regulation NMS. For any execution to occur during Regular Trading Hours, the price must be equal to or better than the Protected NBBO, unless the order is marked ISO or unless the execution falls within another exception set forth in Rule 611(b) of Regulation NMS. For any execution to occur during Extended Hours Trading, the price must be equal to or better than the highest bid or lowest offer in the 24X Book or disseminated by the responsible single plan processor, unless the order is marked ISO or a Protected Bid is crossing a Protected Offer. Notwithstanding the foregoing, in the event that a Protected Bid is crossing a Protected Offer, whether during or outside of Regular Trading Hours, unless an order is marked ISO, the Exchange will not execute any portion of a bid at a price more than the greater of 5 cents or 0.5 percent higher than the lowest Protected Offer or any portion of an offer that would execute at a price more than the greater of 5 cents or 0.5 percent lower than the highest Protected Bid. Upon instruction from a User, the Exchange will cancel any incoming order from such User in the event a Protected Bid is crossing a Protected Offer.

(3) Compliance with the requirements of the Plan. Except as provided in Section VI of the Plan, for any executions to occur during Regular Trading Hours, such executions must occur at a price that is greater than or equal to the Lower Price Band and less than or equal to the Upper Price Band, when such Price Bands are disseminated. The Exchange’s procedures for handling executing, re-pricing and displaying orders in connection with the Plan are further described in Rule 11.22(b)(1)(A)(i).

(4) Execution against 24X Book. An incoming order shall first attempt to be matched for execution against orders in the 24X Book as described below, unless the User instructs the System to bypass the 24X Book and route the order to an away Trading Center, in accordance with Exchange Rules.

(A) Buy Orders. An incoming order to buy will be automatically executed to the extent that it is priced at an amount that equals or exceeds any order to sell in the 24X Book and is executable, as defined above. Such order to buy shall be executed at the price(s) of the lowest order(s) to sell having priority in the 24X Book.

(B) Sell Orders. An incoming order to sell will be automatically executed to the extent that it is priced at an amount that equals or is less than any other order to buy in the 24X Book and is executable, as defined above. Such order to sell shall be executed at the price(s) of the highest order(s) to buy having priority in the 24X Book.

(C) Consistent with Rules 11.6 and 11.7, based on User instructions, certain orders are permitted to post and rest on the 24X Book at prices that lock contra-side liquidity, provided, however, that the System will never display a locked market. Subject to sub paragraph (D) below, if an incoming order, pursuant to paragraph (A) or (B) above, is on the same side of the market as an order displayed on the 24X Book and upon entry would execute against contra-side interest at the same price as such displayed order, such incoming order will be cancelled or posted to the 24X Book and ranked in accordance with Rule 11.8.

(D) For bids or offers equal to or greater than \$1.00 per share, in the event that an incoming order described in sub-paragraphs (A) and (B) above is a Market Order or is a Limit Order priced more aggressively than an order displayed on the 24X Book, the Exchange will execute the incoming order at, in the case of an incoming sell order, one-half minimum price variation less than the price of the displayed order, and, in the case of an incoming buy order, at one-half minimum price variation more than the price of the displayed order. For bids or offers under \$1.00 per share, this sub-paragraph is inapplicable.

(5) Short Sales. All orders to sell short shall include a Short Sale instruction, and if applicable, a Short Exempt instruction when entered into the System. If an order includes a Short Exempt instruction, the Exchange shall execute, display and/or route an order without regard to any short sale price test restriction in effect under Regulation SHO. The Exchange relies on the inclusion of a Short Exempt instruction when handling such order, and thus, it is the entering Member's responsibility, not the Exchange's responsibility, to comply with the requirements of Regulation SHO relating to including a Short Exempt instruction on an order.

(b) Display of Automated Quotations. The System will be operated as an “automated trading center” within the meaning of Regulation NMS, and in furtherance thereof, will display “automated quotations” within the meaning of Regulation NMS at all times except in the event that a systems malfunction renders the System incapable of displaying automated quotations, in which case the System will be disabled and will be unable to accept any orders. The Exchange shall promptly communicate to Users the unavailability of the System. All orders will be designated by the System as non-attributable and displayed (price and size) on the 24X Book Feed on an anonymous basis by the System.

(c) Self-Help. The Exchange intends to take advantage of the self-help provisions of Regulation NMS. Pursuant to the self-help provisions, the System may execute a transaction that would constitute a trade-through of a Protected Quotation displayed on another Trading Center if such Trading Center is experiencing a failure, material delay, or malfunction of its systems or equipment. If another Trading Center publishing a Protected Quotation repeatedly fails to respond within one second to orders sent by the System to access the Trading Center’s Protected Quotation, the System may disregard those Protected Quotations when routing, displaying, canceling or executing orders on the Exchange. When invoking self-help, the Exchange will:

(1) Notify the non-responding Trading Center immediately after (or at the same time as) electing self-help; and

(2) Assess whether the cause of the problem lies with the System and, if so, taking immediate steps to resolve the problem instead of invoking self-help.

(d) Self-Trade Protection (“STP”) Modifiers. Any incoming order designated with an STP modifier will be prevented from executing against a resting opposite side order also designated with an STP modifier and originating from the same market participant identifier (“MPID”), Exchange Member identifier or STP Group identifier (any such identifier, a “**Unique Identifier**”). The STP modifier on the incoming order controls the interaction between two orders marked with STP modifiers.

(1) STP Cancel Newest (“CN”). An incoming order marked with the “CN” modifier will not execute against opposite side resting interest marked with any STP modifier originating from the same Unique Identifier. The incoming order marked with the CN modifier will be cancelled back to the originating User(s). The resting order marked with an STP modifier will remain on the book.

(2) STP Cancel Oldest (“CO”). An incoming order marked with the “CO” modifier will not execute against opposite side resting interest marked with any STP modifier originating from the same Unique Identifier. The resting order marked with the STP modifier will be cancelled back to the originating User(s). The incoming order marked with the CO modifier will remain on the book.

(3) STP Decrement and Cancel (“DC”). An incoming order marked with the “DC” modifier will not execute against opposite side resting interest marked with

any STP modifier originating from the same Unique Identifier. If both orders are equivalent in size, both orders will be cancelled back to the originating User(s). If the orders are not equivalent in size, the smaller order will be cancelled back to the originating User(s) and the larger order will be decremented by the size of the smaller order, with the balance remaining on the book.

(4) STP Cancel Both (“CB”). An incoming order marked with the “CB” modifier will not execute against opposite side resting interest marked with any STP modifier originating from the same Unique Identifier. The entire size of both orders will be cancelled back to the originating User(s).

(5) STP Cancel Smallest (“CS”). An incoming order marked with the CS modifier will not execute against opposite side resting interest marked with any STP modifier originating from the same Unique Identifier. If both orders are equivalent in size, both orders will be cancelled back to the originating User(s). If the orders are not equivalent in size, the smaller of the two orders will be cancelled back to the originating User and the larger order will remain on the book.

(e) Cancel/Replace Messages. A User may cancel or replace an existing order entered by the User, subject to the following limitations.

(1) Orders may only be cancelled or replaced if the order has a TIF instruction other than IOC and FOK and if the order has not yet been executed in its entirety.

(2) If an order has been routed to another Trading Center, the order will be placed in a “Pending” state until the order is returned from the destination(s) to which it was routed. Executions that are completed when the order is in the “Pending” state will be processed in accordance with Rule 11.9(a)(4).

(3) Other than changing a Limit Order to a Market Order, only the price, the sell long indicator, Short Sale instruction, Max Floor of an order with a Reserve Quantity, and size of the order may be changed by a Replace Message. If a User desires to change any other terms of an existing order the existing order must be canceled and a new order must be entered.

(4) Notwithstanding anything to the contrary in these Exchange Rules, no cancellation or replacement of an order will be effective until such message has been received and processed by the System.

(f) Locking Quotation or Crossing Quotations in NMS Stocks.

(1) Prohibition. Except for quotations that fall within the provisions of paragraph (f)(3) of this Rule, the System shall not make available for dissemination, and Users shall reasonably avoid displaying, and shall not engage in a pattern or practice of displaying, any quotations that lock or cross a Protected Quotation, and any manual quotations that lock or cross a quotation previously disseminated pursuant to an effective national market system plan during Regular Trading Hours.

(2) Manual quotations. If a User displays a manual quotation that locks or crosses a quotation previously disseminated pursuant to an effective national market system plan, such User shall promptly either withdraw the manual quotation or route an ISO to execute against the full displayed size of the locked or crossed quotation.

(3) Exceptions

(A) The Locking Quotation or Crossing Quotation was displayed at a time when the Trading Center displaying the Locked or Crossed Quotation was experiencing a failure, material delay, or malfunction of its systems or equipment.

(B) The Locking Quotation or Crossing Quotation was displayed at a time when a protected bid was higher than a protected offer in the NMS stock.

(C) The Locking Quotation or Crossing Quotation was an automated quotation, and the User displaying such automated quotation simultaneously routed an ISO to execute against the full displayed size of any Protected Quotation that is a Locking Quotation or Crossing Quotation.

(D) The Locking Quotation or Crossing Quotation was a manual quotation that locked or crossed another manual quotation, and the User displaying the locking or crossing manual quotation simultaneously routed an ISO to execute against the full displayed size of the locked or crossed manual quotation.

(g) Limit Order Price Protection.

(A) A Limit Order to buy (sell) will be rejected if it is priced at or above (below) the greater of \$0.15 or a specified percentage away from the following:

(i) the NBO for Limit Orders to buy, the NBB for Limit Orders to sell;

(ii) if (i) is unavailable, the latest available of the consolidated last sale price disseminated during the Post-Market Session on trade date or the consolidated last sale price disseminated during Regular Trading Hours on trade date;

(iii) if neither (i) or (ii) are available, the prior day's official closing price identified as such by the primary listing exchange, adjusted to account for events such as corporate actions and news events.

(B) The specified percentage is set forth in the table below.

Reference Price	Specified Percentage for Core Market, Pre-Market, Post-Market, and 24X Market Session
Greater than \$0.00 up to and including \$25.00	10%
Greater than \$25.00 up to and including \$50.00	5%
Greater than \$50.00	3%

(C) Limit Order Price Protection will be applied when an order is eligible to trade. Limit Order Price Protection will not be applied to an incoming Limit Order to buy (sell) if the prices listed under paragraphs (g)(A)(i)-(iii) of this Rule 11.9 are not available.

(D) Limit Order Price Protection for both buy and sell orders that are not in the minimum price variation (“MPV”) for the security, as defined in Rule 11.6(g), will be rounded down to the nearest price at the applicable MPV.

Interpretations and Policies:

.01 The Exchange offers certain risk settings applicable to a User’s activities on the Exchange. The risk settings currently offered by the Exchange include:

- (a) controls related to the size of an order (including restrictions on the maximum notional value per order and maximum shares per order);
- (b) controls related to the price of an order (including percentage-based and dollar-based controls);
- (c) controls related to the order types or modifiers that can be utilized (including Pre-Market Session, Post-Market Session, 24X Market Session, short sales and ISOs);
- (d) controls to restrict the types of securities transacted (including restricted securities and easy to borrow securities as well as restricting activity to test symbols only);
- (e) controls to prohibit duplicative orders;
- (f) controls to restrict the overall rate of orders; and
- (g) controls related to the size of an order as compared to the average daily volume of the security (including the ability to specify the minimum average daily volume of the securities for which such controls will be activated); and

(h) credit controls measuring both gross and net exposure that warn when approached and, when breached, prevent submission of either all new orders or Market Orders only.

.02 The Exchange also offers risk functionality that permits Users to block new orders submitted, to cancel all open orders, or to both block new orders and cancel all open orders. Furthermore, the Exchange offers risk functionality that automatically cancels a User's orders to the extent the User loses its connection to the Exchange.

(a) The Exchange offers batch cancel functionality that permits a User to simultaneously cancel all or a subset of its orders in one or more symbols by requesting the Exchange to effect such cancellation. A User initiating such a request may also request that the Exchange block all or a subset of its new inbound orders in one or more symbols. The block will remain in effect until the User requests the Exchange remove the block.

Rule 11.10. Routing Orders to Away Trading Centers

Unless the terms of the order direct the Exchange not to route such order away, if a Market Order or marketable Limit Order has not been executed in its entirety pursuant to Rule 11.9(a)(4) above, the order shall be eligible for routing away from the Exchange.

(a) Regulation SHO. An order that includes a Short Sale instruction when a Short Sale Circuit Breaker pursuant to Rule 201 of Regulation SHO is in effect is not eligible for routing by the Exchange. If an order is ineligible for routing due to a Short Sale Circuit Breaker being in effect and such order is a Market Order or contains a Time in-Force of IOC, then the order will be cancelled. For any other order ineligible for routing due to a Short Sale Circuit Breaker being in effect, the Exchange will post the unfilled balance of the order to the 24X Book and subject it to the Re-Pricing Instructions to Comply with Rule 201 of Regulation SHO, as described in Rule 11.6(j)(2), unless the User has elected the order Cancel Back as described in Rule 11.6(a).

(b) The Plan. The Exchange will handle routable orders in connection with the Plan as described in Rule 11.22(b)(1)(A)(i).

(c) Routing of Market Orders. With respect to an order that is eligible for routing, the System will designate Market Orders as IOC or ISO and will cause such orders to be routed for execution to one or more Trading Centers for potential execution, per the entering User's instructions, in compliance with Rule 611 under Regulation NMS, Regulation SHO, and the Plan. After the System receives responses to orders that were routed away, to the extent an order is not executed in full through the routing process, the System will cancel any unexecuted portion back to the User.

(d) Routing of Marketable Limit Orders. With respect to an order that is eligible for routing, the System will designate marketable Limit Orders as IOC or ISO and will cause such orders to be routed for execution to one or more Trading Centers for potential execution, per the entering User's instructions, in compliance with Rule 611 under Regulation NMS, Regulation SHO, and the Plan. After the System receives

responses to orders that were routed away, to the extent an order is not executed in full through the routing process, the System will process the balance of such order as follows. Depending on parameters set by the User when the incoming order was originally entered, the System will either: (i) process the unfilled balance of an order as an order with a Book Only instruction subject to a Re-Pricing Option described in Rule 11.6(j), or (ii) repeat the process described in Rule 11.9(a)(4) above and this paragraph (d) by executing against the 24X Book and/or routing orders to other Trading Centers until the original, incoming order is executed in its entirety or its limit price is reached. If the order's limit price is reached, the order will be posted in the 24X Book.

(e) **Routing Table.** The System will consider the quotations only of accessible Trading Centers when routing. The term “**System routing table**” refers to the proprietary process for determining the specific Trading Centers to which the System routes orders and the order in which it routes them. The Exchange reserves the right to route orders simultaneously or sequentially and to modify the System routing table at any time without notice.

(f) **Priority of Routed Orders.** Orders that have been routed by the System to other Trading Centers are not ranked and maintained in the 24X Book pursuant to Rule 11.8(a), and therefore are not available to execute against incoming orders pursuant to Rule 11.9 above. Once routed by the System, an order becomes subject to the rules and procedures of the destination market including, but not limited to, short-sale regulation and order cancellation. Requests from Users to cancel their orders while the order is routed away to another Trading Center and remains outside the System shall be processed, subject to the applicable trading rules of the relevant Trading Center. If a routed order is subsequently returned, in whole or in part, that order, or its remainder, shall receive a new timestamp reflecting the time of its return to the System. Following the routing process described above, unless the terms of the order direct otherwise, any unfilled portion of the order originally entered into the System shall be ranked in the 24X Book in accordance with the terms of such order under Rule 11.8 and such order shall be eligible for execution under Rule 11.9.

Rule 11.11. Trade Reporting

(a) Executions occurring as a result of orders matched against the 24X Book shall be reported by the Exchange to an appropriate consolidated transaction reporting system to the extent required by the Act and the rules and regulations thereunder. Executions occurring as a result of orders routed away from the System shall be reported to an appropriate consolidated transaction reporting system by the relevant reporting Trading Center. The Exchange shall promptly notify Users of all executions of their orders as soon as such executions take place.

(b) The Exchange shall identify all trades executed pursuant to an exception or exemption from Rule 611 of Regulation NMS in accordance with specifications approved by the operating committee of the relevant national market system plan for an NMS stock. If a trade is executed pursuant to both the intermarket sweep order exception of Rule 611(b)(5) of Regulation NMS and the self-help exception of Rule 611(b)(1) of

Regulation NMS, such trade shall be identified as executed pursuant to the intermarket sweep order exception.

Rule 11.12. Clearance and Settlement; Anonymity

(a) All transactions through the facilities of the Exchange shall be cleared and settled through a registered clearing agency using a continuous net settlement system. Trades executed during hours in which the continuous net settlement system is open will be automatically processed for clearing and settlement, whereas trades executed during hours in which the continuous net settlement system is closed will be processed for clearing and settlement as soon as the relevant clearing agency reopens the continuous net settlement system.

(b) The requirement set forth in paragraph (a) may be satisfied by direct participation, use of direct clearing services, or by entry into a correspondent clearing arrangement with another Member that clears trades through such an agency.

(c) Notwithstanding paragraph (a), transactions may be settled “ex-clearing” provided that both parties to the transaction agree.

(d) Each transaction executed within the System is executed on a locked-in basis and shall be automatically processed for clearance and settlement.

(e) The transaction reports produced by the System will indicate the details of transactions executed in the System but shall not reveal contra party identities. Except as set forth in paragraph (f) below, transactions executed in the System will also be cleared and settled anonymously.

(f) Except as required by any registered clearing agency, the Exchange will reveal the identity of a Member or Member’s clearing firm in the following circumstances:

(1) for regulatory purposes or to comply with an order of a court or arbitrator; or

(2) when a registered clearing agency ceases to act for a Member or the Member’s clearing firm and determines not to guarantee the settlement of the Member’s trades.

(g) The Exchange may share any of a User’s risk settings specified in Interpretation and Policy .01 to Rule 11.9 with the clearing firm that clears transactions on behalf of the User.

Rule 11.13. LIMITATION OF LIABILITY

(a) NEITHER THE EXCHANGE NOR ITS AGENTS, EMPLOYEES, CONTRACTORS, OFFICERS, DIRECTORS, SHAREHOLDERS, COMMITTEE MEMBERS OR AFFILIATES (“**EXCHANGE RELATED PERSONS**”) SHALL BE LIABLE TO ANY USER OR MEMBER, OR SUCCESSORS, REPRESENTATIVES OR

CUSTOMERS THEREOF, OR ANY PERSONS ASSOCIATED THEREWITH, FOR ANY LOSS, DAMAGES, CLAIM OR EXPENSE:

(1) GROWING OUT OF THE USE OR ENJOYMENT OF ANY FACILITY OF THE EXCHANGE, INCLUDING, WITHOUT LIMITATION, THE SYSTEM; OR

(2) ARISING FROM OR OCCASIONED BY ANY INACCURACY, ERROR OR DELAY IN, OR OMISSION OF OR FROM THE COLLECTION, CALCULATION, COMPILATION, MAINTENANCE, REPORTING OR DISSEMINATION OF ANY INFORMATION DERIVED FROM THE SYSTEM OR ANY OTHER FACILITY OF THE EXCHANGE, RESULTING EITHER FROM ANY ACT OR OMISSION BY THE EXCHANGE OR ANY EXCHANGE RELATED PERSON, OR FROM ANY ACT CONDITION OR CAUSE BEYOND THE REASONABLE CONTROL OF THE EXCHANGE OR ANY EXCHANGE RELATED PERSON, INCLUDING, BUT NOT LIMITED TO, FLOOD, EXTRAORDINARY WEATHER CONDITIONS, EARTHQUAKE OR OTHER ACTS OF GOD, FIRE, WAR, TERRORISM, INSURRECTION, RIOT, LABOR DISPUTE, ACCIDENT, PANDEMIC, ACTION OF GOVERNMENT, COMMUNICATIONS OR POWER FAILURE, OR EQUIPMENT OR SOFTWARE MALFUNCTION.

(b) EACH MEMBER EXPRESSLY AGREES, IN CONSIDERATION OF THE ISSUANCE OF ITS MEMBERSHIP IN THE EXCHANGE, TO RELEASE AND DISCHARGE THE EXCHANGE AND ALL EXCHANGE RELATED PERSONS OF AND FROM ALL CLAIMS AND DAMAGES ARISING FROM THEIR ACCEPTANCE AND USE OF THE FACILITIES OF THE EXCHANGE (INCLUDING, WITHOUT LIMITATION, THE SYSTEM).

(c) NEITHER THE EXCHANGE NOR ANY EXCHANGE RELATED PERSON MAKES ANY EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS TO USERS AS TO RESULTS THAT ANY PERSON OR PARTY MAY OBTAIN FROM THE SYSTEM FOR TRADING OR FOR ANY OTHER PURPOSE, AND ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, TITLE, AND NON-INFRINGEMENT WITH RESPECT TO THE SYSTEM ARE HEREBY DISCLAIMED.

(d) NOTWITHSTANDING PARAGRAPH (a) ABOVE, AND SUBJECT TO THE EXPRESS LIMITS SET FORTH BELOW, THE EXCHANGE MAY COMPENSATE MEMBERS FOR LOSSES RESULTING DIRECTLY FROM THE MALFUNCTION OF THE EXCHANGE'S PHYSICAL EQUIPMENT, DEVICES AND/OR PROGRAMMING OR THE NEGLIGENT ACTS OR OMISSIONS OF ITS EMPLOYEES.

(1) AS TO ANY ONE OR MORE CLAIMS MADE BY A SINGLE MEMBER UNDER THIS RULE ON A SINGLE TRADING DAY, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF

\$100,000, OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.

(2) AS TO THE AGGREGATE OF ALL CLAIMS MADE BY ALL MEMBERS UNDER THIS RULE ON A SINGLE TRADING DAY, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF \$250,000 OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.

(3) AS TO THE AGGREGATE OF ALL CLAIMS MADE BY ALL MEMBERS UNDER THIS RULE DURING A SINGLE CALENDAR MONTH, THE EXCHANGE SHALL NOT BE LIABLE IN EXCESS OF THE LARGER OF \$500,000, OR THE AMOUNT OF ANY RECOVERY OBTAINED BY THE EXCHANGE UNDER ANY APPLICABLE INSURANCE MAINTAINED BY THE EXCHANGE.

(e) IN THE EVENT THAT ALL OF THE CLAIMS MADE UNDER THIS RULE CANNOT BE FULLY SATISFIED BECAUSE IN THE AGGREGATE THEY EXCEED THE APPLICABLE MAXIMUM LIMITATIONS PROVIDED IN THIS RULE, THEN THE MAXIMUM PERMITTED AMOUNT WILL BE PROPORTIONALLY ALLOCATED AMONG ALL SUCH CLAIMS ARISING ON A SINGLE TRADING DAY OR DURING A SINGLE CALENDAR MONTH, AS APPLICABLE, BASED ON THE PROPORTION THAT EACH SUCH CLAIM BEARS TO THE SUM OF ALL SUCH CLAIMS.

(f) ALL CLAIMS FOR COMPENSATION PURSUANT TO THIS RULE SHALL BE IN WRITING AND MUST BE SUBMITTED NO LATER THAN 4:00 P.M. EASTERN TIME ON THE SECOND BUSINESS DAY FOLLOWING THE DAY ON WHICH THE USE OF THE EXCHANGE GAVE RISE TO SUCH CLAIMS, OR NO LATER THAN 1:00 P.M. EASTERN TIME IN THE EVENT OF AN EARLY MARKET CLOSE ON THE SECOND BUSINESS DAY FOLLOWING THE DAY ON WHICH THE USE OF THE EXCHANGE GAVE RISE TO SUCH CLAIMS. ONCE IN RECEIPT OF A CLAIM, THE EXCHANGE WILL VERIFY THAT: (i) A VALID ORDER WAS ACCEPTED INTO THE EXCHANGE'S SYSTEMS; AND (ii) AN EXCHANGE SYSTEM FAILURE OR A NEGLIGENT ACT OR OMISSION OF AN EXCHANGE EMPLOYEE OCCURRED DURING THE EXECUTION OR HANDLING OF THAT ORDER.

Rule 11.14. Clearly Erroneous Executions

(a) Definition.

For purposes of this Rule, the terms of a transaction executed on the Exchange are "clearly erroneous" when there is an obvious error in any term, such as price, number of shares or other unit of trading, or identification of the security. A transaction made in

clearly erroneous error and cancelled by both parties or determined by the Exchange to be clearly erroneous will be removed from the Consolidated Tape.

(b) Request and Timing of Review.

A Member that receives an execution on an order that was submitted erroneously to the Exchange for its own or customer account may request that the Exchange review the transaction under this Rule. An Officer of the Exchange or such other employee designee of the Exchange (“**Official**”) shall review the transaction under dispute and determine whether it is clearly erroneous, with a view toward maintaining a fair and orderly market and the protection of investors and the public interest. Such request for review shall be made in writing via e-mail or other electronic means specified from time to time by the Exchange in a circular distributed to Members.

(1) Requests for Review. Requests for review must be received by the Exchange within thirty (30) minutes of execution time and shall include information concerning the time of the transaction(s), security symbol(s), number of shares, price(s), side (bought or sold), and factual basis for believing that the trade is clearly erroneous. Upon receipt of a timely filed request that satisfies the guidelines set forth in this Rule, the counterparty to the trade shall be notified by the Exchange as soon as practicable, but generally within thirty (30) minutes. An Official may request additional supporting written information to aid in the resolution of the matter. If requested, each party to the transaction shall provide any supporting written information as may be reasonably requested by the Official to aid resolution of the matter within thirty (30) minutes of the Official’s request. Either party to the disputed trade may request the supporting written information provided by the other party on the matter.

(2) Routed Executions. Other market centers will generally have an additional thirty (30) minutes from receipt of their participant’s timely filing, but no longer than sixty (60) minutes from the time of the execution at issue, to file with the Exchange for review of transactions routed to the Exchange from that market center and executed on the Exchange.

(c) Clearly Erroneous Review

(1) Review of transactions occurring during Regular Trading Hours. If the execution time of the transaction(s) under review is during Regular Trading Hours, the transaction will not be reviewable as clearly erroneous unless the transaction:

(A) is in an NMS Stock that is not subject to the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS under the Act (the “**Limit Up-Limit Down Plan**” or “**LULD Plan**”). In such case, the Numerical Guidelines set forth in paragraph (c)(2) of this Rule will be applicable to such NMS Stock;

(B) was executed at a time when Price Bands under the LULD Plan were not available, or is the result of an Exchange technology or systems issue that results in the transaction occurring outside of the applicable LULD Price Bands pursuant to paragraph (g), or is executed after the primary listing market for the security declares a regulatory trading halt, suspension, or pause pursuant to paragraph (i). A transaction subject to review pursuant to this paragraph shall be found to be clearly erroneous if the price of the transaction to buy (sell) that is the subject of the complaint is greater than (less than) the Reference Price, described in paragraph (d) below, by an amount that equals or exceeds the applicable Percentage Parameter defined in Appendix A to the LULD Plan (“**Percentage Parameters**”); or

(C) involved, in the case of (1) a corporate action or new issue or (2) a security that enters a Trading Pause pursuant to the LULD Plan and resumes trading without an auction, a Reference Price that is determined to be erroneous by an Officer of the Exchange because it clearly deviated from the theoretical value of the security. In such circumstances, the Exchange may use a different Reference Price pursuant to paragraph (d)(2) of this Rule. A transaction subject to review pursuant to this paragraph shall be found to be clearly erroneous if the price of the transaction to buy (sell) that is the subject of the complaint is greater than (less than) the new Reference Price, described in paragraph (d)(2) below, by an amount that equals or exceeds the Numerical Guidelines or Percentage Parameters, as applicable depending on whether the security is subject to the LULD Plan.

(2) Review of transactions occurring during Pre-Market Session, Post-Market Session, 24X Market Session, or eligible for review pursuant to paragraph (c)(1)(A).

(A) Subject to the additional factors described in paragraph (c)(2)(C) below, a transaction executed during the Pre-Market Session, Post-Market Session, 24X Market Session, or eligible for review pursuant to paragraph (c)(1)(A), shall be found to be clearly erroneous if the price of the transaction to buy (sell) that is the subject of the complaint is greater than (less than) the Reference Price by an amount that equals or exceeds the Numerical Guidelines set forth below.

Reference Price, Circumstance or Product	Core Market Session Numerical Guidelines for transactions eligible for review pursuant to (c)(1)(A) (Subject transaction’s % difference from the Reference Price):	Pre-Market, Post-Market Session and 24X Market Session Numerical Guidelines (Subject transaction’s % difference from the Reference Price):
---	--	---

Greater than \$0.00 up to and including \$25.00	10%	20%
Greater than \$25.00 up to and including \$50.00	5%	10%
Greater than \$50.00	3%	6%
Multi-Stock Event – Filings involving five or more, but less than twenty, securities whose executions occurred within a period of five minutes or less	10%	10%
Multi-Stock Event – Filings involving twenty or more securities whose executions occurred within a period of five minutes or less	30%, subject to the terms of paragraph (c)(2)(B) below	30%, subject to the terms of paragraph (c)(2)(B) below
Leveraged ETF/ETN securities	N/A	Core Market Session Numerical Guidelines multiplied by the leverage multiplier (i.e. 2x)

(B) Multi-Stock Events Involving Twenty or More Securities. Multi-Stock Events involving twenty or more securities may be reviewable as clearly erroneous if they occur during the Pre-Market Session, Post-Market Session or 24X Market Session or are eligible for review pursuant to paragraph (c)(1)(A). During Multi-Stock Events involving twenty or more securities the number of affected transactions may be such that immediate finality is necessary to maintain a fair and orderly market and to protect investors and the public interest. In such circumstances, the Exchange may use a Reference Price other than consolidated last sale. To ensure consistent application across market centers when this paragraph is invoked, the Exchange will promptly coordinate with the other market centers to determine the appropriate review period, which may be greater than the period of five minutes or less that triggered application of this paragraph, as well as select one or more specific points in time prior to the transactions in question and use transaction prices at or immediately prior to the one or more specific points in time selected as the Reference Price. The Exchange will nullify as clearly erroneous all transactions that are at prices equal to or greater than 30% away from the Reference Price in each affected security during the review period selected by the Exchange and other markets consistent with this paragraph.

(C) Additional Factors. Except in the context of a Multi-Stock Event involving five or more securities, an Official may also consider additional factors to determine whether an execution is clearly erroneous, provided the execution occurred during the Pre-Market Sessions, Post-Market Session, 24X Market Session or is eligible for review pursuant to paragraph (c)(1)(A). Such additional factors include but are not limited to, system malfunctions or disruptions, volume and volatility for the security, derivative securities products that correspond to greater than 100% in the direction of a tracking index, news released for the security, whether trading in the security was recently halted/resumed, whether the security is an initial public offering, whether the security was subject to a stock split, reorganization, or other corporate action, overall market conditions, Pre-Market or Post-Market Session or 24X Market Session executions, validity of the consolidated tape trades and quotes, consideration of primary market indications, and executions inconsistent with the trading pattern in the stock. Each additional factor shall be considered with a view toward maintaining a fair and orderly market and the protection of investors and the public interest.

(D) Outlier Transactions. In the case of an Outlier Transaction during the Pre-Market Session, Post-Market Session or 24X Market Session or that is eligible for review pursuant to paragraph (c)(2), an Official may, in his or her sole discretion, and on a case-by-case basis, consider requests received pursuant to paragraph (b) of this Rule after thirty (30) minutes, but not longer than sixty (60) minutes after the transaction in question, depending on the facts and circumstances surrounding such request.

(i) An “**Outlier Transaction**” means a transaction where the execution price of the security is greater than three times the current Numerical Guidelines set forth in paragraph (c)(1) of this Rule.

(ii) If the execution price of the security in question is not within the Outlier Transaction parameters set forth in paragraph (c)(2)(D)(i) of this Rule but breaches the 52-week high or 52-week low, the Exchange may consider Additional Factors as outlined in paragraph (c)(2)(C), in determining if the transaction qualifies for further review or if the Exchange shall decline to act.

(d) Reference Price.

The Reference Price referred to in paragraphs (c)(1) and (c)(2) above will be equal to the consolidated last sale immediately prior to the execution(s) under review except for:

(1) in the case of Multi-Stock Events involving twenty or more securities, as described in paragraph (c)(2)(B) above;

(2) in the case of an erroneous Reference Price, as described in paragraph (c)(1)(C) above. In the case of (c)(1)(C)(1), the Exchange would consider a number of factors to determine a new Reference Price that is based on the theoretical value of the security, including but not limited to, the offering price of the new issue, the ratio of the stock split applied to the prior day's closing price, the theoretical price derived from the numerical terms of the corporate action transaction such as the exchange ratio and spinoff terms, and for an OTC up-listing, the price of the security as provided in the prior day's FINRA Trade Dissemination Service final closing report. In the case of (c)(1)(C)(2), the Reference Price will be the last effective Price Band that was in a limit state before the Trading Pause; or

(3) in other circumstances, such as, for example, relevant news impacting a security or securities, periods of extreme market volatility, sustained illiquidity, or widespread system issues, where use of a different Reference Price is necessary for the maintenance of a fair and orderly market and the protection of investors and the public interest, provided that such circumstances occurred during the Pre-Market Session, Post-Market Session, 24X Market Session, or the execution(s) are eligible for review pursuant to paragraph (c)(1)(A).

(e) Review Procedures.

(1) Determination by Official. Unless both parties to the disputed transaction agree to withdraw the initial request for review, the transaction under dispute shall be reviewed, and a determination shall be rendered by the Official. If the Official determines that the transaction is not clearly erroneous, the Official shall decline to take any action in connection with the completed trade. In the event that the Official determines that the transaction in dispute is clearly erroneous, the Official shall declare the transaction null and void. A determination shall be made generally within thirty (30) minutes of receipt of the complaint, but in no case later than the start of Regular Trading Hours on the following trading day. The parties shall be promptly notified of the determination.

(2) Appeals. If a Member affected by a determination made under this Rule so requests within the time permitted below, the Clearly Erroneous Execution Panel (“**CEE Panel**”) will review decisions made by the Official under this Rule, including whether a clearly erroneous execution occurred and whether the correct determination was made; provided however that the CEE Panel will not review decisions made by an Officer under paragraph (g) of this Rule regarding transactions that occurred outside of the applicable Price Bands disseminated pursuant to the LULD Plan, and further provided that with respect to rulings made by the Exchange in conjunction with one or more additional market centers, the number of affected transactions is similarly such that immediate finality is necessary to maintain a fair and orderly market and to protect investors and the public interest and, hence, are also non-appealable.

(A) The CEE Panel will consist of the Exchange's Chief Regulatory Officer ("CRO"), or a designee of the CRO, and representatives from two (2) Members.

(B) The Exchange shall designate at least ten (10) representatives of Members to be called upon to serve on the CEE Panel as needed. In no case shall a CEE Panel include a person affiliated with a party to the trade in question. To the extent reasonably possible, the Exchange shall call upon the designated representatives to participate on a CEE Panel on an equally frequent basis.

(C) A request for review on appeal must be made in writing via e-mail or other electronic means specified from time to time by the Exchange in a circular distributed to Members within thirty (30) minutes after the party making the appeal is given notification of the initial determination being appealed. The CEE Panel shall review the facts and render a decision as soon as practicable, but generally on the same trading day as the execution(s) under review. On requests for appeal received between 3:00 p.m. Eastern Time and the close of trading in the Post-Market Session, a decision will be rendered as soon as practicable, but in no case later than the trading day following the date of the execution under review.

(D) The CEE Panel may overturn or modify an action taken by the Official under this Rule. All determinations by the CEE Panel shall constitute final action by the Exchange on the matter at issue.

(E) If the CEE Panel votes to uphold the decision made pursuant to paragraph (e)(1) above, the Exchange will assess a \$500.00 fee against the Member(s) who initiated the request for appeal. In addition, in instances where the Exchange, on behalf of a Member, requests a determination by another market center that a transaction is clearly erroneous, the Exchange will pass any resulting charges through to the relevant Member.

(F) Any determination by an Official or by the CEE Panel shall be rendered without prejudice as to the rights of the parties to the transaction to submit their dispute to arbitration.

(f) Officer Acting on Own Motion.

An Officer of the Exchange or senior level employee designee, acting on his or her own motion, may review potentially erroneous transactions occurring during the Pre-Market Session, Post-Market Session or 24X Market Session or that are eligible for review pursuant to paragraph (c)(1) and declare trades null and void or shall decline to take any action in connection with the completed trade(s). In such events, the Officer of the Exchange or other senior level employee designee will rely on the provisions of paragraph (c)(1) and (c)(w) of this Rule. Absent extraordinary circumstances, any such action of the Officer of the Exchange or such other senior level employee designee shall be taken in a

timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction. When extraordinary circumstances exist, any such action of the Officer of the Exchange or other senior level employee designee must be taken by no later than the start of Regular Trading Hours on the trading day following the date of execution(s) under review. When such action is taken independently, each party involved in the transaction shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.

(g) Transactions Occurring Outside of LULD Plan Price Bands.

If as a result of an Exchange technology or systems issue any transaction occurs outside of the applicable price bands disseminated pursuant to the LULD Plan, an Officer of the Exchange or senior level employee designee, acting on his or her own motion or at the request of a third party, shall review and declare any such trades null and void. Absent extraordinary circumstances, any such action of the Officer of the Exchange or other senior level employee designee shall be taken in a timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction. When extraordinary circumstances exist, any such action of the Officer of the Exchange or other senior level employee designee must be taken by no later than the start of Regular Trading Hours on the trading day following the date on which the execution(s) under review occurred. Each Member involved in the transaction shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above. In the event that a single plan processor experiences a technology or systems issue that prevents the dissemination of price bands, the Exchange will make the determination of whether to nullify transactions based on paragraph (c)(1)(B) above.

(h) Multi-Day Event.

A series of transactions in a particular security on one or more trading days may be viewed as one event if all such transactions were effected based on the same fundamentally incorrect or grossly misinterpreted issuance information resulting in a severe valuation error for all such transactions (the “**Event**”). An Officer of the Exchange or senior level employee designee, acting on his or her own motion, shall take action to declare all transactions that occurred during the Event null and void not later than the start of trading on the day following the last transaction in the Event. If trading in the security is halted before the valuation error is corrected, an Officer of the Exchange or senior level employee designee shall take action to declare all transactions that occurred during the Event null and void prior to the resumption of trading. Notwithstanding the foregoing, no action can be taken pursuant to this paragraph with respect to any transactions that have reached settlement date or that result from an initial public offering of a security. To the extent transactions related to an Event occur on one or more other market centers, the Exchange will promptly coordinate with such other market center(s) to ensure consistent treatment of the transactions related to the Event, if practicable. Any action taken in connection with this paragraph will be taken without regard to the Percentage Parameters or Numerical Guidelines set forth in this Rule. Each Member involved in a transaction subject to this paragraph shall be notified as soon as practicable by the Exchange, and the party aggrieved

by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.

(i) Trading Halts.

In the event of any disruption or malfunction in the operation of the electronic communications and trading facilities of the Exchange, another market center or responsible single plan processor in connection with the transmittal or receipt of a regulatory trading halt, suspension or pause, an Officer of the Exchange or senior level employee designee, acting on his or her own motion, shall nullify any transaction in a security that occurs after the primary listing market for such security declares a regulatory trading halt, suspension or pause with respect to such security and before such regulatory trading halt, suspension or pause with respect to such security has officially ended according to the primary listing market. In addition, in the event a regulatory trading halt, suspension or pause is declared, then prematurely lifted in error and is then re-instituted, an Officer of the Exchange or senior level employee designee shall nullify transactions that occur before the official, final end of the halt, suspension or pause according to the primary listing market. Any action taken in connection with this paragraph shall be taken in a timely fashion, generally within thirty (30) minutes of the detection of the erroneous transaction and in no circumstances later than the start of Regular Trading Hours on the trading day following the date of execution(s) under review. Any action taken in connection with this paragraph will be taken without regard to the Percentage Parameters or Numerical Guidelines set forth in this Rule. Each Member involved in a transaction subject to this paragraph shall be notified as soon as practicable by the Exchange, and the party aggrieved by the action may appeal such action in accordance with the provisions of paragraph (e)(2) above.

Rule 11.15. Trading Halts, Suspensions and Pauses

(a) [Reserved]

(b) On the occurrence of any trading halt, suspension or pause in trading pursuant to this Rule all outstanding orders in the System will be cancelled. While a security is subject to a halt, suspension, or pause in trading, the Exchange will not accept orders. At the end of the halt, suspension, or pause in trading, the Exchange shall re-open the security and again begin accepting orders.

(c) Trading Pauses.

(1) [Reserved]

(2) The Exchange will pause trading at 8:00 p.m. ET, and resume trading at 9:00 p.m. ET, on Monday, Tuesday, Wednesday and Thursday, in accordance with Rule 11.15(b). Orders outstanding in the System at 8:00 p.m. ET on Monday, Tuesday, Wednesday, Thursday and Friday shall be automatically cancelled.

(3) [Reserved]

(4) The Exchange may pause trading during the 24X Market Session at such other times as the Exchange may determine is necessary for technological or other purposes. The Exchange shall announce in advance when such trading will pause and when it will resume pursuant to this paragraph.

(5) If the primary listing market determines to halt trading, or delay commencement of trading, in one of its listed securities in accordance with such primary listing market's rules (*e.g.*, with regard to material corporate actions with respect to a particular security (*i.e.*, corporate actions that may affect a stock price, stock additions and subtractions, and similar actions) or material news announcements), the Exchange will halt trading, or delay the commencement of, trading (as applicable), in such security until trading resumes on the primary listing market for the security. For the avoidance of doubt, if trading in a security is halted by the primary listing market before the 24X Market Session and continuing into the 24X Market Session, or during the 24X Market Session, the Exchange will halt trading in the security until trading resumes on the primary listing market for the security.

Rule 11.16. 24X Market Session

The Exchange will not commence operation of the 24X Market Session until a proposed rule change as required under 24X Rule 1.5(c) has been approved or become otherwise effective under Section 19(b) of the Exchange Act and the rules thereunder.

(a) Except as explicitly set forth herein, each of the rules and requirements set forth in this Chapter 11 applies to trading activity during the 24X Market Session.

(b) Except as set forth below in this paragraph (b), each of the Order types and modifiers set forth in Rule 11.7 are eligible for execution during the 24X Market Session. The following Order types are not eligible for execution by the System during the 24X Market Session:

(1) Market Order.

(2) Pegged Order.

Rule 11.17. Registration of Market Makers

(a) An applicant for registration as a Market Maker shall file an application in writing on such form as the Exchange may prescribe. Applications shall be reviewed by the Exchange, which shall consider such factors including, but not limited to capital, operations, personnel, technical resources, and disciplinary history. Each Market Maker must have and maintain minimum net capital of at least the amount required under Rule 15c3-1 of the Exchange Act.

(b) An applicant's registration as a Market Maker shall become effective upon receipt by the Member of notice of an approval of registration by the Exchange.

(c) The registration of a Market Maker may be suspended or terminated by the Exchange if the Exchange determines that:

(1) The Market Maker has substantially or continually failed to engage in dealings in accordance with Rule 11.21 or elsewhere in these Rules;

(2) The Market Maker has failed to meet the minimum net capital conditions set forth under paragraph (a) above;

(3) The Market Maker has failed to maintain fair and orderly markets;
or

(4) The Market Maker does not have at least one registered Market Maker Authorized Trader ("MMAT") qualified to perform market making activities as set forth in Rule 11.18(b)(5). A MMAT whose registration is suspended pursuant to this paragraph (c) shall not be deemed qualified within the meaning of this subsection.

(d) Any registered Market Maker may withdraw its registration by giving written notice to the Exchange. The Exchange may require a certain minimum prior notice period for withdrawal, and may place such other conditions on withdrawal and re-registration following withdrawal, as it deems appropriate in the interest of maintaining fair and orderly markets.

(e) Any person aggrieved by any determination under this Rule 11.17 or Rules 11.18 or 11.19 below may seek review under Chapter 10 of Exchange Rules governing adverse action.

(f) Registered Market Makers are designated as dealers on the Exchange for all purposes under the Exchange Act and the rules and regulations thereunder.

Rule 11.18. Obligations of Market Maker Authorized Traders

(a) General. MMATs are permitted to enter orders only for the account of the Market Maker for which they are registered

(b) Registration of Market Maker Authorized Traders. The Exchange may, upon receiving an application in writing from a Market Maker on a form prescribed by the Exchange, register a person as a MMAT.

(1) MMATs may be officers, partners, employees or other associated persons of Members that are registered with the Exchange as Market Makers.

(2) To be eligible for registration as a MMAT, a person must successfully complete proficiency examinations and continuing education requirements applicable

to Authorized Traders, as set forth in Interpretation and Policies .01 and .02 to Rule 2.5, and any other training and/or certification programs as may be required by the Exchange.

(3) The Exchange may require a Market Maker to provide any and all additional information the Exchange deems necessary to establish whether registration should be granted.

(4) The Exchange may grant a person conditional registration as a MMAT subject to any conditions it considers appropriate in the interest of maintaining a fair and orderly market.

(5) A Market Maker must ensure that a MMAT is properly qualified to perform market making activities, including but not limited to ensuring the MMAT has met the requirements set forth in paragraph (b)(2) of this Rule.

(c) Suspension or Withdrawal of Registration.

(1) The Exchange may suspend or withdraw the registration previously given to a person to be a MMAT if the Exchange determines that:

(A) the person has caused the Market Maker to fail to comply with the securities laws, rules and regulations or the By-Laws, Rules and procedures of the Exchange;

(B) the person is not properly performing the responsibilities of a MMAT;

(C) the person has failed to meet the conditions set forth under paragraph (b) above; or;

(D) the MMAT has failed to maintain fair and orderly markets.

(2) If the Exchange suspends the registration of a person as a MMAT, the Market Maker must not allow the person to submit orders into the System.

(3) The registration of a MMAT will be withdrawn upon the written request of the Member for which the MMAT is registered. Such written request shall be submitted on a form prescribed by the Exchange.

Rule 11.19. Registration of Market Makers in a Security.

(a) A Market Maker may become registered in a newly authorized security or in a security already admitted to dealings on the Exchange by filing a security registration form with the Exchange. Registration in the security shall become effective on the same day as the Exchange's approval of the registration, unless otherwise provided by the Exchange. In considering the approval of the registration of the Market Maker in a security, the Exchange may consider:

- (1) the financial resources available to the Market Maker;
- (2) the Market Maker's experience, expertise and past performance in making markets, including the Market Maker's performance in other securities;
- (3) the Market Maker's operational capability;
- (4) the maintenance and enhancement of competition among Market Makers in each security in which the Market Maker is registered;
- (5) the existence of satisfactory arrangements for clearing the Market Maker's transactions; and
- (6) the character of the market for the security, e.g., price, volatility, and relative liquidity.

(b) **Voluntary Termination of Security Registration.** A Market Maker may voluntarily terminate its registration in a security by providing the Exchange with a written notice of such termination. The Exchange may require a certain minimum prior notice period for such termination, and may place such other conditions on withdrawal and re-registration following withdrawal, as it deems appropriate in the interest of maintaining fair and orderly markets. A Market Maker that fails to give advanced written notice of termination to the Exchange may be subject to formal disciplinary action pursuant to Chapter 8 of these Rules.

(c) The Exchange may suspend or terminate any registration of a Market Maker in a security or securities under this Rule 11.19 whenever the Exchange determines that:

- (1) The Market Maker has not met any of its obligations as set forth in these Rules; or
- (2) The Market Maker has failed to maintain fair and orderly markets. A Market Maker whose registration is suspended or terminated pursuant to this Rule 11.19(c) may seek review under Chapter 10 of Exchange Rules governing adverse action.

(d) Nothing in this Rule 11.19 will limit any other power of the Exchange under the By-Laws, Rules, or procedures of the Exchange with respect to the registration of a Market Maker or in respect of any violation by a Market Maker of the provisions of this Rule 11.19.

Rule 11.20. Obligations of Market Makers.

(a) **General.** Members who are registered as Market Makers in one or more securities traded on the Exchange must engage in a course of dealings for their own account to assist in the maintenance, insofar as reasonably practicable, of fair and orderly markets on the Exchange in accordance with these Rules. The responsibilities and duties of a Market Maker specifically include, but are not limited to, the following:

- (1) Maintain continuous, two-sided quotations consistent with the requirements of paragraph (d) below;

(2) Remain in good standing with the Exchange and in compliance with all Exchange Rules applicable to it;

(3) Inform the Exchange of any material change in financial or operational condition or in personnel;

(4) Maintain a current list of MMATs who are permitted to enter orders on behalf of the Market Maker and provide an updated version of this list to the Exchange upon any change in MMATs; and

(5) Clear and settle transactions through the facilities of a registered clearing agency. This requirement may be satisfied by direct participation, use of direct clearing services, or by entry into a correspondent clearing arrangement with another Member that clears trades through such agency.

(b) A Market Maker shall be responsible for the acts and omissions of its MMATs.

(c) If the Exchange finds any substantial or continued failure by a Market Maker to engage in a course of dealings as specified in paragraph (a) of this Rule, such Market Maker will be subject to disciplinary action, including, without limitation, suspension or revocation of its registration by the Exchange in one or more of the securities in which the Market Maker is registered. Nothing in this Rule 11.20 will limit any powers of the Exchange under the By-Laws, Rules, or procedures of the Exchange with respect to the registration of a Market Maker or in respect of any violation by a Market Maker of the provisions of this Rule 11.20. Any Member aggrieved by any determination under this Rule 11.20 may seek review under Chapter 10 of the Exchange Rules governing adverse action.

(d) Quotation Requirements and Obligations:

(1) Continuous, Two-Sided Quote Obligation. For each security in which a Member is registered as a Market Maker, the Member shall be willing to buy and sell such security for its own account on a continuous basis during Regular Trading Hours and shall enter and maintain a two-sided trading interest (“**Two-Sided Obligation**”) that is identified to the Exchange as the interest meeting the obligation and is displayed in the Exchange’s System at all times. Interest eligible to be considered as part of a Market Maker’s Two-Sided Obligation shall have a displayed quotation size of at least one normal unit of trading (or a larger multiple thereof); provided, however, that a Market Maker may augment its Two-Sided Obligation size to display limit orders priced at the same price as the Two-Sided Obligation. Unless otherwise designated, a “normal unit of trading” shall be a Round Lot as defined in Rule 11.6(q)(1). After an execution against its Two-Sided Obligation, a Market Maker must ensure that additional trading interest exists in the System to satisfy its Two-Sided Obligation either by immediately entering new interest to comply with this obligation to maintain continuous two-sided quotations or by identifying existing interest on the 24X Book that will satisfy this obligation.

(A) If a technical failure or limitation of a system of the Exchange prevents the Market Maker from maintaining or communicating

to the Exchange timely and accurate quotes in each security in which a Member is registered as a Market Maker, the duration of such failure shall not be considered in determining whether the Market Maker has satisfied the quoting standard with respect to that security.

(B) The continuous quoting obligations set forth above: (i) shall be suspended during a trading halt, suspension, or pause in the security, and shall not re-commence until after the first regular way transaction on the primary listing market following such halt, suspension, or pause in the security, as reported by the responsible single plan processor, and (ii) shall be suspended for the duration that an NMS stock is in a Limit State or a Straddle State.

(C) The Exchange may consider other exceptions to the Two-Sided Obligation based on demonstrated legal or regulatory requirements or other mitigating circumstances.

(2) Pricing Obligations. For NMS stocks (as defined in Rule 600 of Regulation NMS) a Market Maker shall adhere to the pricing obligations established by this Rule during Regular Trading Hours; provided, however, that such pricing obligations (i) shall not commence during any trading day until after the first regular way transaction on the primary listing market in the security, as reported by the responsible single plan processor, and (ii) shall be suspended during a trading halt, suspension, or pause, and shall not recommence until after the first regular way transaction on the primary listing market in the security following such halt, suspension, or pause, as reported by the responsible single plan processor.

(A) Bid Quotations. At the time of entry of bid interest satisfying the Two-Sided Obligation, the price of the bid interest shall be not more than the Designated Percentage away from the then current NBB, or if no NBB, not more than the Designated Percentage away from the last reported sale as reported by the responsible single plan processor. In the event that the NBB (or if no NBB, the last reported sale) increases to a level that would cause the bid interest of the Two-Sided Obligation to be more than the Defined Limit away from the NBB (or if no NBB, the last reported sale), or if the bid is executed or cancelled, the Market Maker shall enter new bid interest at a price not more than the Designated Percentage away from the then current NBB (or if no NBB, the last reported sale), or must be able to identify to the Exchange current resting interest that satisfies the Two-Sided Obligation.

(B) Offer Quotations. At the time of entry of offer interest satisfying the Two-Sided Obligation, the price of the offer interest shall be not more than the Designated Percentage away from the then current NBO, or if no NBO, not more than the Designated Percentage away from the last reported sale reported by the responsible single plan processor. In the event that the NBO (or if no NBO, the last reported sale) decreases to a level that would cause the offer interest of the Two-Sided Obligation to be more than the Defined Limit away from the NBO (or if no NBO, the last reported sale), or if the offer is executed or cancelled, the Market Maker shall enter new offer interest at a

price not more than the Designated Percentage away from the then current NBO (or if no NBO, the last reported sale), or must be able to identify to the Exchange current resting interest that satisfies the Two-Sided Obligation.

(C) The NBB and NBO, as defined in Rule 1.5, shall be determined by the Exchange in accordance with its procedures for determining Protected Quotations under Rule 600 of Regulation NMS.

(D) For purposes of this Rule, the “Designated Percentage” shall be 8% for Tier 1 NMS Stocks under the Limit Up-Limit Down Plan, 28% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price equal to or greater than \$1.00, and 30% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price less than \$1.00, except that between 9:30 a.m. and 9:45 a.m. and between 3:35 p.m. and the close of trading, when Exchange Rule 11.21(b) is not in effect, the Designated Percentage shall be 20% for Tier 1 NMS Stocks under the Limit Up-Limit Down Plan, 28% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price equal to or greater than \$1.00, and 30% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price less than \$1.00.

(E) For purposes of this Rule, the term “Defined Limit” shall be 9.5% for Tier 1 NMS Stocks under the Limit Up-Limit Down Plan, 29.5% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price equal to or greater than \$1.00, and 31.5% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price less than \$1.00, except that between 9:30 a.m. and 9:45 a.m. and between 3:35 p.m. and the close of trading, when Exchange Rule 11.16(b) is not in effect, the Defined Limit shall be 21.5% for Tier 1 NMS Stocks under the Limit Up-Limit Down Plan, 29.5% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price equal to or greater than \$1.00, and 31.5% for Tier 2 NMS Stocks under the Limit Up-Limit Down Plan with a price less than \$1.00.

(F) Nothing in this Rule shall preclude a Market Marker from quoting at price levels that are closer to the NBBO than the levels required by this Rule.

(G) The minimum quotation increment for quotations of \$1.00 or above shall be \$0.01. The minimum quotation increment in the System for quotations below \$1.00 shall be \$0.0001.

Rule 11.21. Trading Halts Due to Extraordinary Market Volatility/Market-Wide Circuit Breakers

(a) Trading in all stocks will halt on the Exchange and will not reopen for the time periods described in this Rule if there is a Level 1, 2, or 3 Market Decline.

(1) For purposes of this Rule, a Market Decline means a decline in price of the S&P 500® Index between 9:30 a.m. and 4:00 p.m. on a trading day as

compared to the closing price of the S&P 500® Index for the immediately preceding trading day. The Level 1, Level 2, and Level 3 Market Declines that will be applicable for the trading day will be publicly disseminated by the primary listing market before 9:30 a.m.

(2) A “**Level 1 Market Decline**” means a Market Decline of 7%.

(3) A “**Level 2 Market Decline**” means a Market Decline of 13%.

(4) A “**Level 3 Market Decline**” means a Market Decline of 20%.

(b) Halts in Trading.

(1) If a Level 1 Market Decline or a Level 2 Market Decline occurs after 9:30 a.m. and up to and including 3:25 p.m., or in the case of an early scheduled close, 12:25 p.m., trading in all stocks will halt on the Exchange for 15 minutes after a Level 1 or Level 2 Market Decline. Trading in all stocks will halt on the Exchange based on a Level 1 or Level 2 Market Decline only once per trading day. Trading in all stocks will not halt on the Exchange if a Level 1 Market Decline or a Level 2 Market Decline occurs after 3:25 p.m., or in the case of an early scheduled close, 12:25 p.m.

(2) If a Level 3 Market Decline occurs at any time during the trading day, trading in all stocks will halt on the Exchange for the remainder of the trading day.

(c) If the primary listing market halts trading in all stocks, trading will halt on the Exchange in those stocks until trading has resumed on the primary listing market or notice has been received from the primary listing market that trading may resume.

(d) Nothing in this Rule 11.21 should be construed to limit the ability of the Exchange to otherwise halt, suspend, or pause the trading in any stock or stocks traded on the Exchange pursuant to any other Exchange rule or policy.

(e) Market-Wide Circuit Breaker (“**MWCB**”) Testing.

(1) The Exchange will participate in all industry-wide tests of the MWCB mechanism. Members designated pursuant to paragraph (a) of Rule 2.4 to connect to the Exchange’s backup systems and participate in testing of such systems are required to participate in at least one industry-wide MWCB test each year and to verify their participation in that test by attesting that they are able to or have attempted to:

(A) receive and process MWCB halt messages from the securities information processors (“**SIP**”);

(B) receive and process resume messages from the SIPs following a MWCB halt;

(C) receive and process market data from the SIPs relevant to MWCB halts; and

(D) send orders following a Level 1 or Level 2 MWCB halt in a manner consistent with their usual trading behavior.

(2) To the extent that a Member participating in a MWCB test is unable to receive and process any of the messages identified in paragraph (h)(1)(A)-(D) of this Rule, its attestation should notify the Exchange which messages it was unable to process and, if known, why.

(3) Members not designated pursuant to standards established in paragraph (a) of Rule 2.4 are permitted to participate in any MWCB test.

(f) In the event that a halt is triggered under this Rule following a Level 1, Level 2, or Level 3 Market Decline, the Exchange, together with other SROs and industry representatives (the “**MWCB Working Group**”), will review such event. The MWCB Working Group will prepare a report that documents its analysis and recommendations and will provide that report to the Commission within 6 months of the event.

(g) In the event that there is (1) a Market Decline of more than 5%, or (2) an SRO implements a rule that changes its reopening process following a MWCB Halt, the Exchange, together with the MWCB Working Group, will review such event and consider whether any modifications should be made to this Rule. If the MWCB Working Group recommends that a modification should be made to this Rule, the MWCB Working Group will prepare a report that documents its analysis and recommendations and provide that report to the Commission.

For purposes of this definition, a severe and continuing negative impact on quoting, order, or trading activity includes (i) a series of quotes, orders, or transactions at prices substantially unrelated to the current market for the security or securities; (ii) duplicative or erroneous quoting, order, trade reporting, or other related message traffic between one or more Trading Centers or their

members; or (iii) the unavailability of quoting, order, transaction information, or regulatory messages for a sustained period.

(b) Regulatory Halts

(1) Authority to Implement a Regulatory Halt

(A) The Exchange shall implement a Regulatory Halt in the following circumstances, as applicable:

(i) Implementing a Trading Pause Declared by a Primary Listing Market Pursuant to the Limit Up-Limit Down Mechanism.

(a) Definitions for purposes of the Limit Up-Limit Down Mechanism.

(1) “LULD Plan” means the National Market System Plan to Address Extraordinary Market Volatility.

(2) All capitalized terms not otherwise defined in this Rule shall have the meanings set forth in the LULD Plan or Exchange rules, as applicable.

(b) Exchange Participation in the LULD Plan. The Exchange is a Participant in, and subject to the applicable requirements of, the LULD Plan, which establishes procedures to address extraordinary volatility in NMS Stocks.

(c) Member Compliance. Members shall comply with the applicable provisions of the LULD Plan.

(d) Exchange Compliance with the LULD Plan. The System shall not display or execute buy (sell) interest above (below) the Upper (Lower) Price Bands, unless such interest is specifically exempted under the LULD Plan.

(e) Re-pricing and Cancellation of Interest. Depending on a User’s instructions, the System shall re-price or cancel buy (sell) interest that is priced or could be executed above (below) the Upper (Lower) Price Band. When re-pricing resting orders because such orders are above (below) the Upper (Lower) Price Band, the Exchange will provide new timestamps to such orders. When re-priced to less-aggressive price levels such orders will have priority behind resting interest that was originally less aggressively priced but that was not re-priced, as such orders will retain their original timestamps.

(1) Market Orders and Orders with TIF of IOC or FOK. The System will only execute Market Orders or orders with a TIF of IOC or FOK at or within the Price Bands. Market Orders will be handled in accordance with Rule 11.8.

(2) Limit-priced Interest.

(A) Displayed Limit-priced Interest. Displayed limit-priced interest will be cancelled on entry or when resting if a User has entered instructions not to use the re-pricing process or a User has included a

Reserve Quantity and such interest to buy (sell) is priced above (below) the Upper (Lower) Price Band. If re-pricing is permitted based on a User's instructions, displayable incoming limit-priced interest to buy (sell) that is priced above (below) the Upper (Lower) Price Band shall be re-priced to the Upper (Lower) Price Band. The System shall re-price resting, displayed limit-priced interest to buy (sell) to the Upper (Lower) Price Band if Price Bands move such that the price of resting, displayed limit priced interest to buy (sell) would be above (below) the Upper (Lower) Price Band. If the Price Bands move again and the original limit price of displayed and re-priced interest is at or within the Price Bands and a User has opted into the Exchange's multiple price sliding process, as described in Rule 11.6(j), the System shall reprice such displayed limit interest to the most aggressive permissible price up to the order's limit price. All other displayed limit interest repriced pursuant to this paragraph (e) will remain at its new price unless the Price Bands move such that the price of resting limit-priced interest to buy (sell) would again be above (below) the Upper (Lower) Price Band.

(B) Non-displayed Limit-priced Interest. Incoming limit-priced interest that is non-displayable will be cancelled by the System if such interest to buy (sell) is priced above (below) the Upper (Lower) Price Band. Resting, non-displayed limit priced interest will be cancelled if such interest to buy (sell) is priced above (below) the Upper (Lower) Price Band (i.e., aggressively priced through the applicable Price band) or if such interest is priced below (above) the Lower (Upper) Price Band (i.e., non-aggressively priced outside of the applicable Price Band).

(3) Pegged Interest. Pegged Orders to buy (sell) shall peg to the specified pegging price or

the Upper (Lower) Price Band, whichever is lower (higher).

(4) Rutable Orders. If routing is permitted based on a User's instructions, orders shall be routed away from the Exchange pursuant to Rule 11.11, provided that the System shall not route buy (sell) interest at a price above (below) the Upper (Lower) Price Band.

(5) Sell Short Orders. During a short sale price test restriction pursuant to Rule 201 of Regulation SHO, orders with a Short Sale instruction priced below the Lower Price Band shall be repriced to the higher of the Lower Price Band or the Permitted Price, as defined in Rule 11.6(i).

(ii) The Exchange shall implement a trading halt due to extraordinary market volatility/Market-Wide Circuit Breakers, as set forth in Rule 11.21.

(iii) The Exchange shall implement a trading halt when the Primary Listing Market declares a SIP Halt or a trading halt based on Extraordinary Market Activity, as defined in the Nasdaq UTP Plan.

(iv) The Exchange will halt trading for any security traded on the Exchange when the Primary Listing Market declares a Regulatory Halt for any such security. The following shall apply when implementing Regulatory Halts initiated by the Primary Listing Market:

(a) Start Time. The start time of a Regulatory Halt is when the Primary Listing Market declares the halt, regardless of whether an issue with communications impacts the dissemination of the notice.

(2) Resumption of Trading After a Regulatory Halt

(A) Resumption of Trading After a Regulatory Halt Other Than a SIP Halt

(i) The Exchange may resume trading after the Exchange receives notification from the Primary Listing Market that the Regulatory Halt has been terminated.

(B) Resumption of Trading After a SIP Halt

(i) For securities subject to a SIP Halt initiated by another exchange that is the Primary Listing Market, during Regular Trading Hours, the Exchange may resume trading after trading has resumed on the Primary Listing Market or notice has been received from the Primary Listing Market that trading may resume. During Regular Trading Hours, if the Primary Listing Market does not open a security within the amount of time specified by the rules of the Primary Listing Market after the SIP Halt Resume Time, the Exchange may resume trading in that security. Outside Regular Trading Hours, the Exchange may resume trading immediately after the SIP Halt Resume Time.

(3) On the occurrence of any Regulatory Halt pursuant to this Rule all outstanding orders in the System will be cancelled. While a security is subject to a Regulatory Halt the Exchange will not accept orders. At the end of the Regulatory Halt the Exchange shall re-open the security and again begin accepting orders.

(c) UTP Exchange Traded Products

(1) The Exchange may halt trading in UTP Exchange Traded Products on the Exchange:

(A) Pre-Market Session. If a UTP Exchange Traded Product begins trading on the Exchange in the Pre-Market Session and subsequently a temporary interruption occurs in the calculation or wide dissemination of the Intraday Indicative Value (“IIV”) or the value of the underlying index, as applicable, to such UTP Exchange Traded Product, by a major market data vendor, the Exchange may continue to trade the UTP Exchange Traded Product for the remainder of the Pre-Market Session.

(B) Regular Trading Hours. During the Regular Trading Hours, if a temporary interruption occurs in the calculation or wide dissemination of the applicable IIV or value of the underlying index by a major market data vendor and the Primary Listing Market halts trading in the UTP Exchange Traded Product, the Exchange, upon notification by the Primary Listing Market of such halt due to such temporary interruption, also shall immediately halt trading in the UTP Exchange Traded Product on the Exchange.

(C) Post-Market Session and Next Business Day's Pre-Market Session.

(i) If the IIV or the value of the underlying index continues not to be calculated or widely available after the close of the Regular Trading Hours, the Exchange may trade the UTP Exchange Traded Product in the Post-Market Session only if the

Primary Listing Market traded such securities until the close of its regular trading session without a halt.

(ii) If the IIV or the value of the underlying index continues not to be calculated or widely available as of the commencement of the Pre-Market Session on the next business day, the Exchange shall not commence trading of the UTP Exchange Traded Product in the PreMarket Session that day. If an interruption in the calculation or wide dissemination of the IIV or the value of the underlying index continues, the Exchange may resume trading in the UTP Exchange Traded Product only if calculation and wide dissemination of the IIV or the value of the underlying index resumes or trading in the UTP Exchange Traded Product resumes in the Primary Listing Market.

(d) Operational Halts

(1) Authority to Initiate an Operational Halt. The Exchange may declare an Operational Halt for any security trading on the Exchange:

(A) if it is experiencing Extraordinary Market Activity on the Exchange; or

(B) when otherwise necessary to maintain a fair and orderly market or in the public interest.

(2) Initiating an Operational Halt. On the occurrence of any Operational Halt pursuant to this Rule all outstanding orders in the System will be cancelled. The Exchange will notify the SIP if it has concerns about its ability to collect and transmit Quotation Information or Transaction Reports (as those terms are defined in the Nasdaq UTP Plan), or if it has declared an Operational Halt or suspension of trading in one or more Eligible Securities (as that term is defined in the Nasdaq UTP Plan), pursuant to the procedures adopted by the Operating Committee.

(3) Resumption of Trading After an Operational Halt

(A) When the Exchange determines that trading may resume on its market in a fair and orderly manner and in accordance with its Rules it shall resume trading following an Operational Halt.

(B) During any Operational Halt, orders entered will not be accepted.

(C) Communications. Trading in a halted security shall resume at the time specified by the Exchange in a notice. The Exchange will notify all other Plan participants and the SIP of such an Operational Halt as well as provide notice that an Operational Halt has been lifted using such

protocols and other emergency procedures as may be mutually agreed to between the Operating Committee and the Exchange. If the SIP is unable to disseminate notice of an Operational Halt or the Exchange is not open for trading, the Exchange will take reasonable steps to provide notice of an Operational Halt, which shall include both the type and start time of the Operational Halt. Each Plan participant shall continuously monitor communication protocols established by the Operating Committee and the Processor during market hours to disseminate notice of an Operational Halt, and the failure of a participant to do so shall not prevent the Exchange from initiating an Operational Halt in accordance with the procedures specified herein.

Rule 11.23. Short Sale Circuit Breakers

Once a Short Sale Circuit Breaker pursuant to Rule 201 of Regulation SHO has been triggered during Regular Trading Hours, the price test restriction of Rule 201 will be in place for the applicable covered security for the remainder of the trading day on which the Short Sale Circuit Breaker is triggered, through the next U.S. Business Day after the trading day on which the Short Sale Circuit Breaker is triggered, and until 4 a.m. on the U.S. Business Day after the next U.S. Business Day after the trading day on which the Short Sale Circuit Breaker is triggered, unless the listing market for the covered security provides a notification via the Securities Information Processor feeds indicating that the price test restriction is no longer in effect at a time earlier than 4 a.m. on the U.S. Business Day after the next U.S. Business Day after the trading day on which the Short Sale Circuit Breaker is triggered.

Rule 11.24. Retail Orders

(a) Definitions.

(1) Retail Member Organization. A “Retail Member Organization” or “RMO” is a Member (or a division thereof) that has been approved by the Exchange under this Rule to submit Retail Orders.

(2) Retail Order. A “Retail Order” is an agency or riskless principal order that meets the criteria of FINRA Rule 5320.03 that originates from a natural person and is submitted to the Exchange by a Retail Member Organization, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology.

(b) Retail Member Organization Qualifications and Application.

(1) To qualify as a Retail Member Organization, a Member must conduct a retail business or route retail orders on behalf of another broker-dealer. For purposes of this Rule, conducting a retail business shall include carrying retail customer accounts on a fully disclosed basis.

(2) To become a Retail Member Organization, a Member must submit:

(A) an application form;

(B) supporting documentation, which may include sample marketing literature, website screenshots, other publicly disclosed materials describing the Member's retail order flow, and any other documentation and information requested by the Exchange in order to confirm that the applicant's order flow would meet the requirements of the Retail Order definition; and

(C) an attestation, in a form prescribed by the Exchange, that substantially all orders submitted as Retail Orders will qualify as such under this Rule.

(3) After an applicant submits the application form, supporting documentation, and attestation, the Exchange shall notify the applicant of its decision in writing.

(4) A disapproved applicant may: (A) request an appeal of such disapproval by the Exchange as provided in paragraph (d) below; and/or (B) reapply for Retail Member Organization status 90 days after the disapproval notice is issued by the Exchange.

(5) A Retail Member Organization may voluntarily withdraw from such status at any time by giving written notice to the Exchange.

(6) A Retail Member Organization must have written policies and procedures reasonably designed to ensure that it will only designate orders as Retail Orders if all requirements of a Retail Order are met. Such written policies and procedures must require the Member to: (i) exercise due diligence before entering a Retail Order to ensure that entry as a Retail Order is in compliance with the requirements of this Rule, and (ii) monitor whether orders entered as Retail Orders meet the applicable requirements. If a Retail Member Organization does not itself conduct a retail business but routes Retail Orders on behalf of another broker-dealer, the Retail Member Organization's supervisory procedures must be reasonably designed to ensure that the orders it receives from such other broker-dealer that are designated as Retail Orders meet the definition of a Retail Order. The Retail Member Organization must: (i) obtain an annual written representation, in a form acceptable to the Exchange, from each other broker-dealer that sends the Retail Member Organization orders to be designated as Retail Orders that entry of such orders as Retail Orders will be in compliance with the requirements of this Rule; and (ii) monitor whether Retail Order flow routed on behalf of such other broker-dealers meets the applicable requirements.

(c) Failure of RMO to Abide by Retail Order Requirements.

(1) If a Retail Member Organization designates orders submitted to the Exchange as Retail Orders and the Exchange determines, in its sole discretion, that such orders fail to meet any of the requirements set forth in paragraph (a) of this Rule, the Exchange may disqualify a Member from its status as a Retail Member Organization.

(2) Disqualification Determinations. The Exchange shall determine if and when a Member is disqualified from its status as a Retail Member Organization. When disqualification determinations are made, the Exchange shall provide a written disqualification notice to the Member.

(3) Appeal and/or Reapplication for Retail Member Organization Status. A Retail Member Organization that is disqualified under this paragraph (c) may: (A) appeal such disqualification as provided in paragraph (d) below; and/or (B) reapply for Retail Member Organization status 90 days after the date of the disqualification notice from the Exchange.

(d) Appeal of Disapproval or Disqualification.

(1) If a Member disputes the Exchange's decision to disapprove it under paragraph (b) above or disqualify it under paragraph (c) above, the Member may request, within five business days after notice of the decision is issued by the Exchange, that the Retail Member Organization Panel (the "RMO Panel") review the decision to determine if it was correct.

(2) The RMO Panel shall consist of the Exchange's Chief Regulatory Officer ("CRO"), or a designee of the CRO, and two officers of the Exchange designated by the Chief Executive Officer.

(3) The RMO Panel shall review the facts and render a decision within the time frame prescribed by the Exchange.

(4) The RMO Panel may overturn or modify an action taken by the Exchange under this Rule. A determination by the RMO Panel shall constitute final action by the Exchange.

CHAPTER 12. TRADING PRACTICE RULES

Rule 12.1. Market Manipulation

No Member shall execute or cause to be executed or participate in an account for which there are executed purchases of any security at successively higher prices, or sales of any security at successively lower prices, for the purpose of creating or inducing a false, misleading or artificial appearance of activity in such security on the Exchange or for the purpose of unduly or improperly

influencing the market price for such security or for the purpose of establishing a price which does not reflect the true state of the market in such security.

Rule 12.2. Fictitious Transactions

No Member, for the purpose of creating or inducing a false or misleading appearance of activity in a security traded on the Exchange or creating or inducing a false or misleading appearance with respect to the market in such security shall:

(a) execute any transaction in such security which involves no change in the beneficial ownership thereof, or

(b) enter any order or orders for the purchase of such security with the knowledge that an order or orders of substantially the same size, and at substantially the same price, for the sale of such security, has been or will be entered by or for the same or different parties, or

(c) enter any order or orders for the sale of any such security with the knowledge that an order or orders of substantially the same size, and at substantially the same price, for the purchase of such security, has been or will be entered by or for the same or different parties.

Rule 12.3. Excessive Sales by a Member

No Member shall execute purchases or sales in any security traded on the Exchange for any account in which such Member is directly or indirectly interested, which purchases or sales are excessive in view of the Member's financial resources or in view of the market for such security.

Rule 12.4. Manipulative Transactions

(a) No Member shall participate or have any interest, directly or indirectly, in the profits of a manipulative operation or knowingly manage or finance a manipulative operation.

(b) Any pool, syndicate or joint account organized or used intentionally for the purpose of unfairly influencing the market price of a security shall be deemed to be a manipulative operation.

(c) The solicitation of subscriptions to or the acceptance of discretionary orders from any such pool, syndicate or joint account shall be deemed to be managing a manipulative operation.

(d) The carrying on margin of a position in such security or the advancing of credit through loans to any such pool, syndicate or joint account shall be deemed to be financing a manipulative operation.

Rule 12.5. Dissemination of False Information

No Member shall make any statement or circulate and disseminate any information concerning any security traded on the Exchange which such Member knows or has reasonable grounds for believing is false or misleading or would improperly influence the market price of such security.

Rule 12.6. Prohibition Against Trading Ahead of Customer Orders

(a) Except as provided herein, a Member that accepts and holds an order in an equity security from its own customer or a customer of another broker-dealer without immediately executing the order is prohibited from trading that security on the same side of the market for its own account at a price that would satisfy the customer order, unless it immediately thereafter executes the customer order up to the size and at the same or better price at which it traded for its own account.

(b) A Member must have a written methodology in place governing the execution and priority of all pending orders that is consistent with the requirements of this Rule. A Member also must ensure that this methodology is consistently applied.

Interpretations and Policies

.01 Large Orders and Institutional Account Exceptions. With respect to orders for customer accounts that meet the definition of an “institutional account” or for orders of 10,000 shares or more (unless such orders are less than \$100,000 in value), a Member is permitted to trade a security on the same side of the market for its own account at a price that would satisfy such customer order, provided that the Member has provided clear and comprehensive written disclosure to such customer at account opening and annually thereafter that:

(a) discloses that the Member may trade proprietarily at prices that would satisfy the customer order, and

(b) provides the customer with a meaningful opportunity to opt in to the Rule 12.6 protections with respect to all or any portion of its order.

If the customer does not opt in to the Rule 12.6 protections with respect to all or any portion of its order, the Member may reasonably conclude that such customer has consented to the Member trading a security on the same side of the market for its own account at a price that would satisfy the customer’s order.

In lieu of providing written disclosure to customers at account opening and annually thereafter, a Member may provide clear and comprehensive oral disclosure to and obtain consent from the customer on an order-by-order basis, provided that the Member documents who provided such consent and such consent evidences the customer’s understanding of the terms and conditions of the order.

For purposes of this Rule, “**institutional account**” shall mean the account of:

(a) a bank, savings and loan association, insurance company or registered investment company;

(b) an investment adviser registered either with the Commission under Section 203 of the Investment Advisers Act or with a state securities commission (or any agency or office performing like functions); or

(c) any other person (whether a natural person, corporation, partnership, trust or otherwise) with total assets of at least \$50 million.

.02 No-Knowledge Exception.

(a) With respect to NMS stocks (as defined in Rule 600 of Regulation NMS), if a Member implements and utilizes an effective system of internal controls, such as appropriate information barriers, that operate to prevent one trading unit from obtaining knowledge of customer orders held by a separate trading unit, those other trading units trading in a proprietary capacity may continue to trade at prices that would satisfy the customer orders held by the separate trading unit. A Member that structures its order handling practices in NMS stocks to permit its proprietary and/or market-making desk to trade at prices that would satisfy customer orders held by a separate trading unit must disclose in writing to its customers, at account opening and annually thereafter, a description of the manner in which customer orders are handled by the Member and the circumstances under which the Member may trade proprietarily at its proprietary and/or market-making desk at prices that would satisfy the customer order.

(b) If a Member implements and utilizes appropriate information barriers in reliance on this exception, the Member must uniquely identify such information barriers in place at the department within the Member where the order was received or originated. Appropriate information barriers must, at minimum, comply with the requirements set forth in Rule 5.5.

(c) Members must maintain records that indicate which orders rely on the No Knowledge Exception and submit these records to the Exchange upon request.

.03 Riskless Principal Exception. The obligations under this Rule shall not apply to a Member's proprietary trade if such proprietary trade is for the purposes of facilitating the execution, on a riskless principal basis, of an order from a customer (whether its own customer or the customer of another broker-dealer) (the "**facilitated order**"), provided that the Member:

(a) submits a report, contemporaneously with the execution of the facilitated order, identifying the trade as riskless principal to the Exchange (or another self-regulatory organization if not required under Exchange rules); and

(b) has written policies and procedures to ensure that riskless principal transactions for which the Member is relying upon this exception comply with

applicable Exchange rules. At a minimum these policies and procedures must require that the customer order was received prior to the offsetting principal transaction, and that the offsetting principal transaction is at the same price as the customer order exclusive of any markup or markdown, commission equivalent or other fee and is allocated to a riskless principal or customer account in a consistent manner and within 60 seconds of execution.

A Member must have supervisory systems in place that produce records that enable the Member and the Exchange to reconstruct accurately, readily, and in a time-sequenced manner all facilitated orders for which the Member relies on this exception.

.04 ISO Exception. A Member shall be exempt from the obligation to execute a customer order in a manner consistent with this Rule with regard to trading for its own account that is the result of an intermarket sweep order (“ISO”) routed in compliance with Rule 600(b)(30)(ii) of Regulation NMS where the customer order is received after the Member routed the ISO. Where a Member routes an ISO to facilitate a customer order and that customer has consented to not receiving the better prices obtained by the ISO, the Member also shall be exempt with respect to any trading for its own account that is the result of the ISO with respect to the consenting customer’s order.

.05 Odd Lot and Bona Fide Error Transaction Exceptions. The obligations under this Rule shall not apply to a Member’s proprietary trade that is (1) to offset a customer order that is an amount less than a normal unit of trading; or (2) to correct a bona fide error. Members are required to demonstrate and document the basis upon which a transaction meets the bona fide error exception. For purposes of this Rule, a bona fide error is:

(a) the inaccurate conveyance or execution of any term of an order, including, but not limited to, price, number of shares or other unit of trading; identification of the security; identification of the account for which securities are purchased or sold; lost or otherwise misplaced order tickets; short sales that were instead sold long or vice versa; or the execution of an order on the wrong side of the market;

(b) the unauthorized or unintended purchase, sale, or allocation of securities or the failure to follow specific client instructions;

(c) the incorrect entry of data into relevant systems, including reliance on incorrect cash positions, withdrawals, or securities positions reflected in an account; or

(d) a delay, outage, or failure of a communication system used to transmit market data prices or to facilitate the delivery or execution of an order.

.06 Minimum Price Improvement Standards. The minimum amount of price improvement necessary for a Member to execute an order on a proprietary basis when holding an unexecuted limit order in that same security, and not be required to execute the held limit order is as follows:

(a) For customer limit orders priced greater than or equal to \$1.00, the minimum amount of price improvement required is \$0.01 for NMS stocks;

(b) For customer limit orders priced greater than or equal to \$0.01 and less than \$1.00, the minimum amount of price improvement required is the lesser of \$0.01 or one-half (1/2) of the current inside spread;

(c) For customer limit orders priced less than \$0.01 but greater than or equal to \$0.001, the minimum amount of price improvement required is the lesser of \$0.001 or one-half (1/2) of the current inside spread;

(d) For customer limit orders priced less than \$0.001 but greater than or equal to \$0.0001, the minimum amount of price improvement required is the lesser of \$0.0001 or one-half (1/2) of the current inside spread;

(e) For customer limit orders priced less than \$0.0001 but greater than or equal to \$0.00001, the minimum amount of price improvement required is the lesser of \$0.00001 or one half (1/2) of the current inside spread;

(f) For customer limit orders priced less than \$0.00001, the minimum amount of price improvement required is the lesser of \$0.000001 or one-half (1/2) of the current inside spread; and

(g) For customer limit orders priced outside the best inside market, the minimum amount of price improvement required must either meet the requirements set forth above or the Member must trade at a price at or inside the best inside market for the security.

In addition, if the minimum price improvement standards above would trigger the protection of a pending customer limit order, any better-priced customer limit order(s) must also be protected under this Rule, even if those better-priced limit orders would not be directly triggered under the minimum price improvement standards above.

.07 Order Handling Procedures. A Member must make every effort to execute a marketable customer order that it receives fully and promptly. A Member that is holding a customer order that is marketable and has not been immediately executed must make every effort to cross such order with any other order received by the Member on the other side of the market up to the size of such order at a price that is no less than the best bid and no greater than the best offer at the time that the subsequent order is received by the Member and that is consistent with the terms of the orders. In the event that a Member is holding multiple orders on both sides of the market that have not been executed, the Member must make every effort to cross or otherwise execute such orders in a manner that is reasonable and consistent with the objectives of this Rule and with the terms of the orders. A Member can satisfy the crossing requirement by contemporaneously buying from the seller and selling to the buyer at the same price.

.08 Trading Outside Normal Market Hours. Members generally may limit the life of a customer order to the period of normal market hours of 9:30 a.m. to 4:00 p.m. Eastern Time.

However, if the customer and Member agree to the processing of the customer's order outside normal market hours, the protections of this Rule shall apply to that customer's order at all times the customer order is executable by the Member.

Rule 12.7. Joint Activity

No Member, directly or indirectly, shall hold any interest or participation in any joint account for buying or selling in a security traded on the Exchange, unless such joint account is promptly reported to the Exchange. The report should contain the following information for each account:

- (a) the name of the account, with names of all participants and their respective interests in profits and losses;
- (b) a statement regarding the purpose of the account;
- (c) the name of the Member carrying and clearing the account; and
- (d) a copy of any written agreement or instrument relating to the account.

Rule 12.8. Influencing the Consolidated Tape

No Member shall attempt to execute a transaction or transactions to buy or sell a security for the purpose of influencing any report appearing on the Consolidated Tape.

Rule 12.9. Trade Shredding

No Member or associated person of a Member may engage in "trade shredding". Trade shredding is conduct that has the intent or effect of splitting any order into multiple smaller orders for execution or any execution into multiple smaller executions for the primary purpose of maximizing a monetary or in-kind amount to be received by the Member or associated person of a Member as a result of the execution of such orders or the transaction reporting of such executions. For purposes of this Rule 12.9, "**monetary or in-kind amount**" shall be defined to include, but not be limited to, any credits, commissions, gratuities, payments for or rebates of fees, or any other payments of value to the Member or associated person of a Member.

Rule 12.10. Options

(a) No Member shall initiate the purchase or sale on the Exchange for its own account, or for any account in which it is directly or indirectly interested, of any stock of any issuer in which it holds or has granted any put, call, straddle or option; provided, however, that this prohibition shall not be applicable in respect of any option issued by The Options Clearing Corporation.

(b) No Member acting as an odd-lot dealer shall become interested directly or indirectly, in a pool dealing or trading in the stock of any issuer in which it is an odd-lot dealer, nor shall it acquire or grant directly or indirectly, any option to buy or sell, receive

or deliver shares of stock of any issuer in which such Member is an odd-lot dealer, unless such option is issued by The Options Clearing Corporation.

Rule 12.11. Best Execution

In executing customer orders, a Member is not a guarantor of “best execution” but must use the care of a reasonably prudent person in the light of all circumstances deemed relevant by the Member and having regard for the Member’s brokerage judgment and experience.

Interpretations and Policies

.01 As part of a Member’s fiduciary obligation to provide best execution for its customer limit orders, the Member shall refer to, and comply with, Rule 604 promulgated under the Act.

Rule 12.12. Publication of Transactions and Changes

(a) The Exchange shall cause to be disseminated for publication on the Consolidated Tape all last sale price reports of transactions executed through the facilities of the Exchange pursuant to the requirements of an effective transaction reporting plan approved by the Commission.

(b) To facilitate the dissemination of such last sale price reports, each Member shall cause to be reported to the Exchange, as promptly as possible after execution, all information concerning each transaction required by the effective transaction reporting plan.

(c) An official of the Exchange shall approve any corrections to reports transmitted over the Consolidated Tape. Any such corrections shall be made within one day after detection of the error.

Rule 12.13. Trading Ahead of Research Reports

(a) No Member shall use any facility of the Exchange to establish, increase, decrease or liquidate an inventory position in a security based on non-public advance knowledge of the content or timing of a research report in that security.

(b) Members must establish, maintain and enforce policies and procedures reasonably designed to restrict or limit the information flow between research department personnel, or other persons with knowledge of the content or timing of a research report, and trading department personnel, so as to prevent trading department personnel from utilizing non-public advance knowledge of the issuance or content of a research report for the benefit of the Member or any other person.

Rule 12.14. Front Running of Block Transactions

(a) Members and persons associated with a Member shall comply with FINRA Rule 5270 as if such Rule were part of the Exchange’s rules.

(b) Front Running of Non-Block Transactions. Although the prohibitions in FINRA Rule 5270 are limited to imminent block transactions, the front running of other types of orders that place the financial interests of the Member or persons associated with a Member ahead of those of its customer or the misuse of knowledge of an imminent customer order may violate other Exchange rules, including Rule 3.1 and Rule 12.6, or provisions of the federal securities laws.

Rule 12.15. Disruptive Quoting and Trading Activity Prohibited

No Member shall engage in or facilitate disruptive quoting and trading activity on the Exchange, as described in Interpretation and Policies .01 and .02 of this Rule, including acting in concert with other persons to effect such activity.

Interpretations and Policies

.01 For purposes of this Rule, disruptive quoting and trading activity shall include a frequent pattern in which the following facts are present:

(a) Disruptive Quoting and Trading Activity Type 1:

(1) a party enters multiple limit orders on one side of the market at various price levels (the “**Displayed Orders**”); and

(2) following the entry of the Displayed Orders, the level of supply and demand for the security changes; and

(3) the party enters one or more orders on the opposite side of the market of the Displayed Orders (the “**Contra-Side Orders**”) that are subsequently executed; and

(4) following the execution of the Contra-Side Orders, the party cancels the Displayed Orders.

(b) Disruptive Quoting and Trading Activity Type 2:

(1) a party narrows the spread for a security by placing an order inside the NBBO; and

(2) the party then submits an order on the opposite side of the market that executes against another market participant that joined the new inside market established by the order described in paragraph (b)(1).

.02 **Applicability.** For purposes of this Rule, disruptive quoting and trading activity shall include a frequent pattern in which the facts listed above are present. Unless otherwise indicated, the order of the events indicating the pattern does not modify the applicability of the Rule. Further, disruptive quoting and trading activity includes a pattern or practice in which all of the quoting and trading activity is conducted on the Exchange as well as a pattern or practice in

which some portion of the quoting or trading activity is conducted on the Exchange and the other portions of the quoting or trading activity is conducted on one or more other exchanges.

CHAPTER 13. MISCELLANEOUS PROVISIONS

Rule 13.1. Comparison and Settlement Requirements

(a) Every Member who is a Member of a qualified clearing agency shall implement comparison and settlement procedures under the rules of such entity and every Member who is not such a Member shall implement comparison and settlement procedures which conform to the comparison and settlement requirements of the FINRA Uniform Practice Code.

(b) For purposes of this Rule, a qualified clearing agency shall mean a clearing agency (as defined in the Act) which has agreed to supply the Exchange with data reasonably requested in order to permit the Exchange to enforce compliance by its Members and Member organizations with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange.

(c) Anything contained in paragraph (a) to the contrary notwithstanding, the Board may extend or postpone the time of the delivery of an Exchange transaction whenever, in its opinion, such action is called for by the public interest, by just and equitable principles of trade or by the need to meet unusual conditions. In such case, delivery shall be effected at such time, place and manner as directed by the Board.

Rule 13.2. Failure to Deliver and Failure to Receive

Borrowing and deliveries shall be effected in accordance with Rule 203 of Regulation SHO, under the Exchange Act.

The Exchange incorporates by reference Rules 200 (17 CFR 242.200) and 203 (17 CFR 242.203) of Regulation SHO, to this Rule 13.2, as if they were fully set forth herein.

Rule 13.3. Forwarding of Proxy and Other Issuer-Related Materials; Proxy Voting

(a) A Member when so requested by an issuer and upon being furnished with: (1) sufficient copies of proxy materials, annual reports, information statements or other material required by law to be sent to security holders periodically, and (2) satisfactory assurance that it will be reimbursed by such issuer for all out of pocket expenses, including reasonable clerical expenses, shall transmit promptly to each beneficial owner of securities (or the beneficial owner's designated investment adviser as defined in Interpretation and Policy .01 to this Rule) of such issuer which are in its possession and control and registered in a name other than the name of the beneficial owner all such material furnished. In the event of a proxy solicitation, such material shall include a signed proxy indicating the number of shares held for such beneficial owner and bearing a symbol identifying the proxy with proxy records maintained by the Member, and a letter informing the beneficial owner (or the beneficial owner's designated investment adviser) of the time limit and necessity for completing the proxy form and forwarding it to the person soliciting proxies prior to the expiration of the time limit in order for the shares to be represented at the meeting. A Member shall furnish a copy of the symbols to the person soliciting the proxies and shall

also retain a copy thereof pursuant to the provisions of Exchange Act Rule 17a-4. This paragraph shall not apply to beneficial owners residing outside of the United States of America though Members may voluntarily comply with the provisions hereof in respect of such persons if they so desire.

(b) No Member shall give a proxy to vote stock that is registered in its name, unless: (i) such Member is the beneficial owner of such stock; (ii) such proxy is given pursuant to the written instructions of the beneficial owner; or (iii) such proxy is given pursuant to the rules of any national securities exchange or association of which it is a member provided that the records of the Member clearly indicate the procedure it is following.

(c) Notwithstanding the foregoing, a Member that is not the beneficial owner of a security registered under Section 12 of the Exchange Act is prohibited from granting a proxy to vote the security in connection with a shareholder vote on the election of a member of the board of directors of an issuer (except for a vote with respect to uncontested election of a member of the board of directors of any investment company registered under the Investment Company Act of 1940), executive compensation, or any other significant matter, as determined by the Commission, by rule, unless the beneficial owner of the security has instructed the Member to vote the proxy in accordance with the voting instructions of the beneficial owner.

(d) Notwithstanding the foregoing, a Member may give a proxy to vote any stock registered in its name if such Member holds such stock as executor, administrator, guardian, trustee, or in a similar representative or fiduciary capacity with authority to vote. A Member that has in its possession or within its control stock registered in the name of another Member and that desires to transmit signed proxies pursuant to the provisions of paragraph (a) of this Rule, shall obtain the requisite number of signed proxies from such holder of record. Notwithstanding the foregoing: (1) any Member designated by a named Employee Retirement Income Security Act of 1974 (as amended) (“**ERISA**”) Plan fiduciary as the investment manager of stock held as assets of the ERISA Plan may vote the proxies in accordance with the ERISA Plan fiduciary responsibilities if the ERISA Plan expressly grants discretion to the investment manager to manage, acquire, or dispose of any plan asset and has not expressly reserved the proxy voting right for the named ERISA Plan fiduciary; and (2) any designated investment adviser may vote such proxies.

Interpretations and Policies

.01 For purposes of this Rule, the term “**designated investment adviser**” is a person registered under the Investment Advisers Act of 1940, or registered as an investment adviser under the laws of a state, who exercises investment discretion pursuant to an advisory contract for the beneficial owner and is designated in writing by the beneficial owner to receive proxy and related

materials and vote the proxy, and to receive annual reports and other material sent to security holders.

(a) For purposes of this Rule, the term “state” shall have the meaning given to such term in Section 202(a)(19) of the Investment Advisers Act (as the same may be amended from time to time).

(b) The written designation must be signed by the beneficial owner; be addressed to the Member; and include the name of the designated investment adviser.

(c) Members that receive such a written designation from a beneficial owner must ensure that the designated investment adviser is registered with the SEC pursuant to the Investment Advisers Act, or with a state as an investment adviser under the laws of such state, and that the investment adviser is exercising investment discretion over the customer’s account pursuant to an advisory contract to vote proxies and/or to receive proxy soliciting material, annual reports and other material. Members must keep records substantiating this information.

(d) Beneficial owners have an unqualified right at any time to rescind designation of the investment adviser to receive materials and to vote proxies. The rescission must be in writing and submitted to the Member.

Any action taken by another self-regulatory organization, or its employees or authorized agents, acting on behalf of the Exchange pursuant to a regulatory services agreement shall be deemed to be an action taken by the Exchange; provided, however, that nothing in this provision shall affect the oversight of such other self-regulatory organization by the Commission. Notwithstanding the fact that the Exchange may enter into one or more regulatory services agreements, the Exchange shall retain ultimate legal responsibility for, and control of, its self-regulatory responsibilities, and any such regulatory services agreement shall so provide.

CHAPTER 14. TRADING ON AN UNLISTED TRADING PRIVILEGES BASIS

Rule 14.1. Unlisted Trading Privileges

(a) The Exchange may extend unlisted trading privileges (“UTP”) to any security that is an NMS Stock that is listed on another national securities exchange or with respect to which unlisted trading privileges may otherwise be extended in accordance with Section 12(f) of the Exchange Act and any such security shall be subject to all Exchange rules applicable to trading on the Exchange, unless otherwise noted.

(b) UTP Exchange Traded Product. Any UTP security that is a UTP Exchange Traded Product, as defined in Rule 1.5, will be subject to the additional following rules:

(1) Information Circular. The Exchange will distribute an information circular prior to the commencement of trading in each such UTP Exchange Traded Product that generally includes the same information as is contained in the information circular provided by the listing exchange, including (a) the special risks of trading the new Exchange Traded Product, (b) the Exchange Rules that will apply to the new Exchange Traded Product, and (c) information about the dissemination of value of the underlying assets or indices.

(2) Product Description.

(A) Scope of Product Description Requirements. The provisions of this subparagraph (2) apply only to UTP Exchange Traded Products that are the subject of an order by the Commission exempting such series from certain prospectus delivery requirements under Section 24(d) of the Investment Company Act of 1940 and are not otherwise subject to prospectus delivery requirements under the Securities Act of 1933.

(B) Written Description of Terms and Conditions. The Exchange will inform Members of the application of the provisions of this subparagraph to UTP Exchange Traded Products by means of an information circular. The Exchange requires that Members provide each purchaser of UTP Exchange Traded Products a written description of the terms and characteristics of those securities, in a form approved by the Exchange or prepared by the open-ended management company issuing such securities, not later than the time a confirmation of the first transaction in such securities is delivered to such purchaser. In addition, Members will include a written description with any sales material relating to UTP Exchange Traded Products that is provided to customers or the public. Any other written materials provided by a Member to customers or the public making specific reference to the UTP Exchange Traded Products as an investment vehicle must include a statement substantially in the following form:

“A circular describing the terms and characteristics of [the UTP Exchange Traded Products] has been prepared by the [open-ended management investment company name] and is available from your broker. It is recommended that you obtain and review such circular before purchasing [the UTP Exchange Traded Products].”

A Member carrying an omnibus account for a non-Member is required to inform such non-Member that execution of an order to purchase UTP Exchange Traded Products for such omnibus account will be deemed to constitute an agreement by the non-Member to make such written description available to its customers on the same terms as are directly applicable to the Member under this Rule.

(C) Customer Requests for a Prospectus. Upon request of a customer, a Member will also provide a prospectus for the particular UTP Exchange Traded Product.

(3) Trading Halts. The Exchange will halt trading in a UTP Exchange Traded Product as provided for in Rule 11.21 and 11.22. Nothing in this rule will limit the power of the Exchange under the Rules or procedures of the Exchange with respect to the Exchange’s ability to suspend trading in any securities if such suspension is necessary for the protection of investors or in the public interest.

(4) Market Maker Restrictions. The following restrictions will apply to each Member acting as a registered Market Maker on the Exchange in a UTP Exchange Traded Product that derives its value from one or more currencies, commodities, or derivatives based on one or more currencies or commodities, or is based on a basket or index composed of currencies or commodities (collectively, **"Reference Assets"**):

(A) The Member acting as a registered Market Maker on the Exchange in a UTP Exchange Traded Product must file with the Exchange, in a manner prescribed by the Exchange, and keep current a list identifying all accounts for trading the underlying physical asset or commodity, related futures or options on futures, or any other related derivatives (collectively with Reference Assets, "Related Instruments"), which the Member acting as a registered Market Maker on the Exchange may have or over which it may exercise investment discretion. No Member acting as a registered Market Maker on the Exchange in the UTP Exchange Traded Product will trade in the underlying physical asset or commodity, related futures or options on futures, or any other related derivatives, in an account in which a Member acting as a registered Market Maker on the Exchange, directly or indirectly, controls trading activities, or has a direct interest in the profits or losses thereof, which has not been reported to the Exchange as required by this Rule.

(B) A Market Maker on the Exchange will, in a manner prescribed by the Exchange, file with the Exchange and keep current a list identifying any accounts (“**Related Instrument Trading Accounts**”) for which Related Instruments are traded:

- (i) in which the Market Maker holds an interest;
- (ii) over which it has investment discretion; or
- (iii) in which it shares in the profits and/or losses.

A Market Maker on the Exchange may not have an interest in, exercise investment discretion over, or share in the profits and/or losses of a Related Instrument Trading Account that has not been reported to the Exchange as required by this Rule.

(C) In addition to the existing obligations under Exchange rules regarding the production of books and records, a Market Maker on the Exchange will, upon request by the Exchange, make available to the Exchange any books, records, or other information pertaining to any Related Instrument Trading Account or to the account of any registered or non-registered employee affiliated with the Market Maker on the Exchange for which Related Instruments are traded.

(D) A Market Maker on the Exchange will not use any material nonpublic information in connection with trading a Related Instrument.

(5) Surveillance. The Exchange will enter into comprehensive surveillance sharing agreements with markets that trade components of the index or portfolio on which the UTP Exchange Traded Product is based to the same extent as the listing exchange’s rules require the listing exchange to enter into comprehensive surveillance sharing agreements with such markets.

Rule 15.1. Authority to Prescribe Dues, Fees, Assessments and Other Charges

(a) Generally.

The Exchange may prescribe such reasonable dues, fees, assessments or other charges as it may, in its discretion, deem appropriate. Such dues, fees, assessments and charges may include membership dues, transaction fees, communication and technology fees, regulatory charges, listing fees, and other fees and charges as the Exchange may determine. All such dues, fees and charges shall be equitably allocated among Members, issuers and other persons using the Exchange's facilities.

(b) Regulatory Transaction Fee.

Under Section 31 of the Act, the Exchange must pay certain fees to the Commission. To help fund the Exchange's obligations to the Commission under Section 31, this Regulatory Transaction Fee is assessed to Members. To the extent there may be any excess monies collected under this Rule, the Exchange may retain those monies to help fund its general operating expense. Each Member engaged in executing transactions on the Exchange shall pay, in such manner and at such times as the Exchange shall direct, a Regulatory Transaction Fee equal to (i) the rate determined by the Commission to be applicable to covered sales occurring on the Exchange in accordance with Section 31 of the Act multiplied by (ii) the Member's aggregate dollar amount of covered sales occurring on the Exchange during any computational period.

(c) Schedule of Fees.

The Exchange will provide Members with notice of all relevant dues, fees, assessments and charges of the Exchange. Such notice may be made available to Members on the Exchange's website or by any other method deemed reasonable by the Exchange.

(d) Cross-Connection Pass Through Fees.

To the extent the Exchange is charged a fee by a third party that results directly from a Member cross-connecting its trading hardware to the Exchange's System from another Trading Center's system that is located in the same data center as the Exchange, the Exchange will pass that fee on, in full and without mark-up, to the Member.

(e) Registration and Processing Fees (CRD).

The following fees will be collected and retained by FINRA via the CRD registration system for the registration of associated persons of Members that are not also FINRA members:

- (1) \$125 for each initial Form U4 filed for the registration of a representative or principal;

(2) \$110 for the additional processing of each initial or amended Form U4, Form U5 or Form BD that includes the initial reporting, amendment, or certification of one or more disclosure events or proceedings;

(3) \$45 annually for each of the Member's registered representatives and principals for system processing;

(4) \$15 for processing and posting to the CRD system each set of fingerprint cards submitted electronically by the Member, plus a pass through of any other charge imposed by the United States Department of Justice for processing each set of fingerprints;

(5) \$30 for processing and posting to the CRD system each set of fingerprint cards submitted in non-electronic format by the Member, plus a pass-through of any other charge imposed by the United States Department of Justice for processing each set of fingerprints; and

(6) \$30 for processing and posting to the CRD system each set of fingerprint results and identifying information that has been processed through a self-regulatory organization other than FINRA.

Rule 15.2. Regulatory Revenues

Any revenues received by the Exchange from fees derived from its regulatory function or regulatory fines will not be used for non-regulatory purposes or distributed to 24X US Holdings LLC, but rather, shall be applied to fund the legal and regulatory operations of the Exchange (including surveillance and enforcement activities), or, as the case may be, shall be used to pay restitution and disgorgement of funds intended for customers (except in the event of liquidation of the Exchange, which case 24X US Holdings LLC will be entitled to the distribution of the remaining assets of the Exchange).

Rule 15.3. Collection of Exchange Fees and Other Claims and Billing Policy

(a) Collection Through Direct Debit. Each Member, and all applicants for registration as such, shall be required to provide one or more clearing account numbers that correspond to an account(s) at the National Securities Clearing Corporation ("NSCC") for purposes of permitting the Exchange to debit any undisputed or final fees, fines, charges and/or other monetary sanctions or other monies due and owing to the Exchange or other charges pursuant to Rule 15.1, including the Exchange Fee Schedule thereto; Regulatory Transaction Fees pursuant to Rule 15.1(b); dues, assessments and other charges pursuant to Rule 2.9 to the extent the Exchange were to determine to charge such fees; and fines, sanctions and other charges pursuant to Chapter 8 of the Exchange Rules which are due and owing to the Exchange. The Exchange will, upon request, waive the requirement for a Member or applicant for registration as such to provide an NSCC clearing account number and instead require such Member or applicant to provide alternative payment instructions as agreed to by the Exchange for purposes of permitting the Exchange to debit any of the fees, fines, charges and/or other monetary sanctions or other monies due and owing to the

Exchange listed above; provided, however, that the Exchange reserves the right to require any such Member or applicant to provide an NSCC clearing account number for such purposes as set forth above if the Exchange encounters repeated failed collection attempts using such alternative payment instructions.

(b) Pricing Disputes. All pricing disputes concerning fees, which are listed in paragraph (a), which are billed by the Exchange must be submitted to the Exchange in writing and must be accompanied by supporting documentation. If a Member disputes an invoice, the Exchange will not include the disputed amount in the debit if the Member has provided written notification of the dispute to the Finance Department of the Exchange by the later of the 16th business day of the month or ten (10) days after the date the electronic invoice was sent to the Member, and the amount in dispute is at least \$10,000 or greater. All pricing disputes must be submitted no later than sixty (60) days after receipt of a billing invoice.

(c) Billing Errors. All fees and rebates assessed by the Exchange prior to the three full calendar months before the month in which the Exchange becomes aware of a billing error shall be considered final.

Interpretations and Policies

.01 Fees Collected by FINRA.

The Exchange will not debit fees due to FINRA pursuant to Exchange Rule 15.1(a), which are collected and retained by FINRA.
